Oilers Nose Out Pacific Quintet

Denver, Colo., March 23 (UP)—The Phillips "66" Oilers have eliminated all but three contenders for their National A.A.U. title as the annual basketball classic entered its final stages.

The Oilers, who last night took a 47 to 40 victory from the San Francisco athletic club, meet a 20th Century-Fox quintet in tonight's semi-final round.

In the second game of tonight's round, the Cessna Bobcats, Wichita, Kans., play the Ambrose Jelly Makers, a Denver team.

Ambrose staged off a series of Camp Robinson, Ark., threats last night, defeating the army officers, 51 to 43.

In the evening's finale, the Cessna Bobcats held a four-point advantage over the high-scoring Fort Lewis, Wash., quintet at the half, after trailing throughout the first period. The Kansans had increased their margin to a 55 to 40 count when the game ended.

The Bobcats bottled up Gail Bishop, Fort Lewis' scoring sensation, who accounted for only 14 points in comparison with 62 two nights before.

NATIONAL HOCKEY LEAGUE

The National league playoffs for the Stanley cup still were going in reverse today—the underdog Toronto and Boston teams were upsetting Montreal and Detroit—and they were doing it on opposition ice.

Toronto's Maple Leafs, who usually get drubbed whenever they appear in Montreal, won their second straight game there last night, 3 to 2, while Boston made it two in a row at Detroit, 4 to 2. The most remarkable aspect of Boston's victories is that they came after almost two seasons of solid reverses at the hands of Detroit during which the Bruins lost 15 straight and had a tie at the finish of the regular season.

A new surfacing that can be laid on earth levelled and compacted by bulldozers in combat areas is made up in rolls like roofing paper; it is an asphalt-saturated burlap coated with a special asphalt.

Bowling Notes

Superior Cafe keglers amassed a total of 2819 pins to win three straight games from the Elks last night in Independent league play on the Bend Recreation alleys.

The score was high for the evening. Paul Loree scored a new season's high individual series when he amassed a three game total of 665 pins. In other matches, Pilot Butte Inn won two from Franks' tavern and Piggly-Wiggly took a pair from Franks' service. Results of the games follow:

Baseball Briefs

(By United Press)

San Francisco, March 23 (UP)—The rains have frustrated Manager Lefty O'Doul of the San Francisco Seals.

With four spring exhibition games canceled because of inclement weather, O'Doul must pick a starting lineup for the opening game against the Los Angeles Angels a week from tomorrow night without having had too much of a chance to judge his players in action.

Sacramento, March 23 (UP)—Manager Earl Sheely today was hopeful the war manpower commission ruling on baseball players would restore Captain Gene Handley to his second base spot with the Sacramento Solons and bring first baseman Gene Corbett back to the club.

San Jose, Cal., March 23 (UP)—Mary Owen, Portland Beaver manager, blew out the candles on his 39th birthday cake yesterday with the wish: "Let's have no more wetness for a while."

The Beavers were rained out of practice. Not idle, however, were the pitchers who worked indoors to keep their arms loose.

Boyes Springs, Cal., March 23 (UP)—The Oakland Oaks today announced plans for elaborate ceremonies, including a parade of 1,200 United Nations flags, on the opening of the Pacific coast league season at the Oaks' baseball park March 31.

The Oaks, starting against Portland, will engage in the first actual home opening in 18 years. The game will be attended by Gov. Earl Warren and officers representing the armed forces.

Ontario, Cal., March 23 (UP)—The Hollywood Stars play their last game of the spring training season today at El Toro against a marine baseball team. Rain killed yesterday's scheduled tilt with the Los Angeles Angels here.

Anaheim, Cal., March 23 (UP)—The Los Angeles Angels hit the trail today for San Diego where they face a three-game practice baseball workout.

Chicago, March 23 (UP)—Four teams, survivors of an original field of 14, resume action tonight in two semi-final games of the world's professional basketball championship tournament.

In the first game the Fort Wayne Zollner Pistons, defending champions, meet the New York Rens, winners of the inaugural 1939 tournament. The American Gears of Chicago meet the Dayton Acme Bombers in the second game.

Red Cross Drive Quota in Sight

With only \$156.80 to go, American Red Cross fourth war fund campaign committee members today saw a possibility of reaching the Deschutes county goal of \$23,300 by tomorrow noon, they reported.

But they insisted they would have to have the cooperation of the few tardy donors if the county is to go "over the top" by then.

Bruce Gilbert, county campaign chairman, again asked that those who have not reported, to do so at once, and send their contributions to the Red Cross offices in the bank of Bend building.

"We know who the tardy ones are, and feel sure it has been just an oversight on their part," Gilbert said. "However, with their cooperation, we can reach our goal by tomorrow noon."

Sportsmen Plan Monday Meeting

Appointment of a predator control committee and discussion of plans to trap magpies in pheasant hatching areas will be chief topics of interest to be taken up at a meeting of the Deschutes County Sportsmen's association, scheduled for Monday night at 7:30 at the IWA hall on Bond street.

Other committees to be appointed are the big game, upland birds, fish and fish screen committees.

Legislation passed at the recent session will be discussed and the

Homemaking

"A wide ironing board will save many motions when doing the family ironing," says Elizabeth H. Boeckli, home demonstration agent of Deschutes county. An ironing surface 20 inches wide and 54 inches long makes it easier to iron table linen and all flat articles with few movements of the material. Three-fourth inch plywood makes an excellent board when padded if it can be secured. Half inch boards glued together make a slightly heavier board to handle but one that is satisfactory. Small wooden cloths on the underside of the board will hold it firmly to the regular sized ironing board.

This wide board should be padded with two thicknesses of heavy material about the weight of table padding. Over this, thumb tack a piece of unbleached muslin or old sheeting. These are easily removed for washing.

More information about how to make a wide ironing board and use it efficiently is available from the office of Miss Boeckli.

Sgt. Chambers Back in States

Reporting that he had "tangled with a tank and came out second best," T/Sgt. Robert W. Chambers, son of Mr. and Mrs. C. W. Chambers, 117 Chamberlain street, has reached a California port and is awaiting assignment to a hospital. He reported this news to his parents last night by long distance telephone.

Sgt. Chambers, who has been overseas for 40 months and is an

infantryman, was wounded Jan. 25 on Luzon, in the Philippines. He was flown to the states from a Pacific base.

Mrs. Chambers said that the sergeant appeared in splendid spirits, even though he realized he would be hospitalized for months. She said that she and her husband planned to visit him as soon as they are advised of the hospital he is in.

Mr. and Mrs. Chambers have three other children in the service. Pfc. Jack Chambers is a prisoner in a Tokyo camp; Seaman 1/c Jim Chambers is in the navy somewhere in the south Pacific, and Mary is a cadet nurse in training at the St. Joseph's hospital in Tacoma, Wash.

THE OLD JUDGE SAYS...

"Adding another War Bond to your collection, eh, Judge?"

"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them... not only during the War Bond drives... but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."

"We've done the same in our family, too, Judge. We figure the more we buy... the better we equip our men... the quicker they'll finish their big job and come marching home again."

"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."
