The street lost interest in the str

than a point.

As the street lost interest in the premature peace reports which circulated freely yesterday trading volume fell off substantially. Hudson Motor led in turnover and made a new high on a gain of more than a point in response to a

avorable earnings report. Inter-ational Telephone resumed its ac-tity and rose a point. Graham-lige and Packard were active

Leading motors rose major fractions. Steels at their highs lowed gains ranging to a point Bethlehem, but later lost part the rise. Rails held fractions to point higher. Some higher priced ssues, including Nickel Plate pre-ferred and Pere Marquette pre-ferred, were up 2 or 3 points.
