

Farm Census in County Finished

R. L. Ackerman, local supervisor for district No. 3 of Oregon, announced today that the 1945 census of agriculture has been completed in Deschutes county. It is believed, however, that some agricultural enterprises may not have been enumerated, and since it is desired to have the enumeration as complete as possible, any persons who were missed by the enumerator are requested to submit their names to the local office of the Bureau of the census. All general forms, also enterprises or establishments—even though small in area—such as greenhouses, mushroom cellars, nurseries, hatcheries, keeping of cows or other livestock, chickens and other poultry, or bees, or growing of flowers, vegetables, or fruit—the value of the products from which sources amounted to \$250 or more in 1944 are to be included in the 1945 census of agriculture. The limitation of \$250 does not apply if the establishment covers three acres or more. Ackerman made the following request:

"If you operate an establishment which comes under any of these categories and have not been enumerated, or if you are in doubt as to whether your agricultural enterprise has been enumerated, fill out the following blank and mail to R. L. Ackerman, Bureau of the Census, 606 Medical-Dental Bldg., Klamath Falls, Ore."

Revival Meetings Are Nearing End

What is considered by some of the church members as one of the most successful revivals held there, will be terminated Sunday night at the Assembly of God church, it was announced today. 2 Boys Enlisted For Navy Service

Two Central Oregon 17-year-olds enlisted in the United States naval reserve at Portland this week, according to word received by Chief Specialist Paul Connet, recruiter in charge of the Central Oregon navy recruiting station, Bend. Clarence Edwin Sutton, nephew of Mr. and Mrs. Clyde A. Sutton, 147 East Olney, Bend, was enlisted as apprentice seaman on April 3 and returned home on inactive duty to await call to a training station.

Burton Ellsworth Brown, son of Mr. and Mrs. Marion O. Brown, Route 1, Redmond, was enlisted as apprentice seaman on April 3. Brown also will be on inactive duty until called. He has been attending Redmond union high school and is scheduled to graduate next month.

Lt. Tetherow Gets Promotion

Redmond, April 6 (Special)—Mr. and Mrs. Jess Tetherow received announcement this week of the promotion of their daughter, Miss Marjorie Tetherow, U. S. navy nurse, to the rank of lieutenant, senior grade. After completing high school here Lt. Tetherow took her nurse's training at Emanuel hospital. After graduating she took further training at Bremerton, Wash., and at Oceanside, Cal. For the past 14 months she has been in the Solomon Islands and is now in the New Hebrides.

Redmond Planning For Plane Service

Redmond, April 6 (Special)—Redmond's charter plane service group will meet in the city hall on April 11 in the evening to elect officers and a board of directors. George H. Brewster, attorney for the organization, drew up articles and by-laws which were adopted at a recent meeting at which J. R. Roberts presided. The charter plane service group recently purchased a four-place Fairchild plane. The plane will be operated by Dick Ballantine as pilot and may be chartered.

Bend Still Leads In Radar Signups

The Central Oregon navy recruiting sub-station, Bend, again took first place among the Oregon district sub-stations in the procurement of men qualified for radar training in the navy in March. This is the third month in a row that this station has been in first place in the state in this division of recruiting. Salem was second and Medford third. In overall recruiting performance Corvallis sub-station was first, then Medford, Klamath Falls, Eugene, Bend, Salem, Baker and Astoria in the order named.

According to figures released today by Lt. Cmdr. John F. Biebler, officer in charge of the Oregon navy recruiting district, the voluntary enlistments in the navy in March were the greatest in this district since January 1943. Only voluntary enlistments are counted in these tabulations. Men entering the navy through induction were not tabulated.

Thousands Needed
 Chief Specialist Paul Connet, recruiter in charge of the Central Oregon navy recruiting sub-station in Bend, states that the enlistment of men qualified for radar training in the navy still is "top priority." Thousands more men are needed for this branch of the navy and as it is open to men of draft age as well as those who are able to volunteer for enlistment. Those men who have passed their pre-induction physical should investigate the radar training program, Connet said.

Two Schools Plan For Joint Concert

Madras, April 6 (Special)—The Prineville schools concert band, combined with Madras high school talent, is planning to present an entertainment at the Madras high school gym next Friday evening.

H. B. Stephens of the Madras school and Dallas Norton, Prineville school music director, are making arrangements for the show. The Crook County high school band is considered one of the best in Eastern Oregon. The local high school has some splendid talent also including the MUHS Girl's Drill team. Both bands will open the program. Preceding the performance, Madras and Prineville commercial students will again compete in typing and shorthand under the direction of Mrs. H. B. Stephens of Madras and Mrs. Vada Applegate of Prineville.

2 Soldiers Killed At Rufus Camp

The Dalles, Ore., April 6 (AP)—Two Camp Rufus soldiers, Pvt. Roy Bent and Sgt. Ralph Chance, home addresses not available, were electrocuted last night when a crane which was being used to take up equipment at the camp came in contact with a high tension wire.

Both men had been working on a cable sling and the full force of the current went through their bodies. Attempts at resuscitation, extending until 2 o'clock this morning, were unavailing. The camp at Rufus now is being disbanded, and the crane was being used to take up flooring. The crane operator, whose name was not learned, was knocked from his seat but escaped serious injury.
