Here come the Rangers! Springing to life from the pages of a best-seller novel. Mighty men of frontier history who never fought their best unless they were outnumbered 50 to 1! Whirling tomahawks and the thud of an arrow as it spitted human flesh only inflamed their blood-lust! Kill or be killed was their creed and into death they charged that you and I might live today in peace and security. At their head was Major Rogers, fearless, indomitable and truly unkillable! Lovers of the heroic and movie fans who like deeds of daring will be thrilled by M-G-M's NORTHWEST PASSAGE, starring Spencer Tracy, Robert Young, Walter Brennan, Ruth Hussey, Nat Pendleton. This great TECHNICOLOR action picture is coming to the CAPITOL Theatre for 3 days beginning next Thursday.

"If that sounds like bragging, that's because it IS bragging—and the reason for that is it feels so good to be doing again the things we like to do—giving again the kind of service we like to give.

"We're especially proud of the kind of work we do on Dodge and Plymouth cars—work of an excellence made possible through the use of MoPar factory engineered parts. They really make things right!

MISCELLANEOUS

"And we're pleased, too, that on expensive repair jobs and the installation of new motors in Dodge and Plymouth, we don't have to demand cash. We can finance 12-month contracts, little as 20% down.

MISCELLANEOUS

"Now, that's a lot of talking for one little adv.—so if you've read this far we want to thank you for your interest and invite you to drive your car in for a checkup."
