

Lt. Sam Peoples In Berlin Attack

15th Air Force in Italy, April 14—First Lt. Samuel R. Peoples, Jr., 22, of Bend, Ore., a P-51 Mustang fighter pilot, participated in the longest escorted heavy bomber operation ever flown over Europe when, on March 24, his group accompanied 15th air force heavy bombers on their historic 1,500-mile round-trip flight to Berlin.

This was the first time in the history of the war that the 15th air force had attacked the reich capital and it was a record escort flight for the Mustang fighters. The bomber target was the Daimler-Benz tank works in the southeastern section of the city.

Pilot with one of the oldest fighter groups in combat service, and one which holds a distinguished unit citation and the Mediterranean theater record for shooting down 102 enemy planes in 30 days, Lt. Peoples has participated in 18 missions over enemy territory, sharing largely in the destruction of motor and rail transport and the disruption of vital enemy communication lines, for which his group is responsible. He holds the air medal with one oak leaf cluster.

Entering upon aviation cadet training in February, 1943, he completed his advanced pilot training in December, 1943, at Luke field, Ariz., receiving his wings and commission as a second lieutenant.

Lt. Peoples is the son of Mr. and Mrs. Samuel R. Peoples, Sr., 706 Riverside boulevard, Bend, Ore. He is a graduate of Bend high school and was attending the California Institute of Technology prior to entering the service.

Rubber is used in airplanes in tires and tubes and also in deicers, gasoline tanks, hose, oil lines, life rafts, life vests, and many other items.

Reconverter

Henry P. Nelson, above, of Detroit, WPB aircraft division director, will also serve as coordinator of reconversion for the automobile industry. No "car," the former International Harvester Company executive will head a WPB staff to guide the auto industry on the road to civilian production.

More candy was produced in the United States in 1944 than during any other year, according to Philip P. Gott, president of the National Confectioners' Assn. A total of 2,750,000,000 pounds was manufactured, eight per cent more than in 1943.

Super-Dooper Destroyer

One of the newest of the Navy's new super-destroyers, the 2200-ton U. S. S. Harlan R. Dickson is pictured steaming into New York harbor. Recently completed at U. S. Steel's Federal Shipyard, Kearny, N. J., it is faster and more heavily armed than previous types and will soon head for the Pacific theater.

SIGNS LOOK G.I.'S IN EYE

Camp Aterbury, Ind. (AP)—When food-saving signs posted regularly on the walls didn't seem to have any effect on the soldiers, Lt. Col. Carroll D. Funk innovated eye-level signs which hang prominently above each table. The G.I.'s don't have to stretch their necks to read the signs any more, and, worse yet, they can't say, "I didn't see it."

40-YEAR DEED FILED

Portland, Me. (AP)—A deed recorded before a deputy U. S. consul in Liverpool, England, 40 years ago has been filed in the registry of deeds here. It transfers a plot of land on Long Island to a Portland man.

LEGAL NOTICES

NOTICE
NOTICE IS HEREBY GIVEN, that the Board of Directors of Arnold Irrigation District have made a computation of the whole amount of money necessary to be raised by said District for 1945-46 for all purposes, and the amount to be assessed against each tract of land, and that the Board will meet as a Board of Equalization in the office of J. F. Arnold, Secretary, at 126 Minnesota Street, Bend, Oregon, on the 1st day of May, 1945, for the purpose of reviewing and correcting said assessment and apportionment, and, in the meantime, such assessment list will remain in the office of the Secretary for inspection by all persons interested.

DATED this 14th day of April, 1945.
J. F. ARNOLD, Secretary.
