

Stocks Move Up; Start Is Slow

By T. W. Kienlen
(United Press Staff Correspondent)

New York, April 18 (UP)—The stock market moved up strongly today after a faltering start and all sections of the list hit new high ground since mid-1937.

First hour selling was interpreted in Wall street as only a normal reaction of the six successive preceding sessions of sharply rising prices. When traders showed little disposition to follow the opening decline new buying developed and spread even into the "war baby" rail and motor groups.

Sentiment was bolstered by favorable remarks at a number of stockholder meetings, including those of Borden Company, American Telephone, Blaw-Knox and Crucible Steel. The heads of Blaw-Knox and Borden reported good March quarter results and a favorable outlook.

Walter S. Gifford, president of American Telephone, said his company looked to the post-war years with confidence and said improvements will lessen the cost of service and make possible increases in real wages of employes.

PORTLAND MARKETS
Portland, Ore., April 18 (UP)—Additional strength was noted today in the egg market, owing to increasing demand and decreasing supplies. Operators were combing the market for storage supplies.

Butter and egg prices were unchanged.

Butter—Cube 93 score 42c; 92 score 42½c; 90 score 42c; 89 score 41½c pound.

Eggs—Prices to retailers: AA large 44c; A large 42c; medium A 39c; small 35c dozen.

Plans Mapped For County Roads

Portland, Ore., April 18 (UP)—State highway commissioners will give Lane, Clackamas, Marion, and Malheur counties the longest lengths of new county roads, when post-war construction plans for 1719 road miles, within the proposed scope of 5,019 miles of state primary and secondary highway, comes true. A pro rata basis of allocation was used.

Lane county will get 97.89 miles, Clackamas, 96.80 miles, Marion, 93.06; and Malheur, 89.79. Others include:

Cook, 32.78; Deschutes, 44.49; Harney, 76.30; Jefferson, 18.00; Klamath 77.33; Lake, 69.48.

Twisting Wind Whips Over City

A miniature "twister," slow of movement but with considerable lifting power, whirled through downtown Bend shortly before 1:30 this afternoon, touched the rear of The Bulletin building, then raced across lots to the Troy laundry field, where it carried a huge cloud of dust high into the air.

As the whirling wind struck the playground, a high school gymnasium class was exercising. Boys scattered in various directions.

As the spiraling wind moved south, it carried into its vortex debris ranging from old papers to dry weeds.

DAY SET ASIDE
Washington, April 18 (UP)—President Truman today issued his first proclamation—for observance of Mothers' day on May 13.

Mystery Alarm Source Not Found
Company officials and city firemen today were still trying to determine what caused a general fire alarm last night at the Brooks-Scanlon Lumber Company Inc. plant. Dozens of volunteer and regular firemen and police officers raced to the plant last night, but were unable to find any fire.

Some expressed the opinion that a pile of lumber might have fallen over in the yard, striking an alarm box pole and thus setting off the gong.
