Jefferson Agent To Leave Madras

Madras, April 26 (Special) — Kenneth W. Sawyer, who for more than nine years has acted as Jefferson county agricultural agent, tendered his resignation last week, effective June 1. Sawyer has accepted the managership of a large farm near Sherwood in the Willamette valley.

Sawyer came to the county agent's office in Madras on Feb. 1. 1936 from Dallas, Polk county. As county agent he has aided and advised many farmers with their problems. With the last two years he has talked to hundreds of homeseekers and future ranchers who

SURE! WHY TAKE CHANCES, WHEN IT'S SO EASY TO USE CLOROX!

More and more women are learning the importance of making drainboards and other kitchen "danger zones" sanitary . . . as well as clean looking. And

Clorox is the choice of millions of women in providing greater home sanitation which is especially important today

when there are so few civilian doctors

and nurses. Clorox not only disinfects, it

deodorizes and removes stains. And

Clorox is free from caustic, a patented

one or both of the measures.

The two proposed laws, resulting from the recent legislative session, provide for:

1. \$10,000,000 for a state building fund (including \$6,000,000 for state institutions and \$4,000,000 for school and college buildings)

2. A tax of one-tenth of one cent per cigaret, to provide funds for school support (estimated at \$2,000,000 yearly). \$2,000,000 yearly).

The first measure, although described as a "five-mill tax levy" is that in name only. In reality the money will come from income tax surpluses, and no property tax will be levied at all unless some totally unforseen circum-stance cuts down income tax rev-
