

Utility Stocks Bolster Market

By Elmer C. Walzer (United Press Financial Editor) New York, May 3 (UP)—Industrial and utility stocks more than made up their losses of the past two sessions in a strong, moderately active stock market session today.

The industrial average reached a new high since September 9, 1937 while the utility was at its best since April 21, 1937. Ralls also were higher but they failed to make up the sharp decline of Tuesday.

Grains advanced sharply under the leadership of wheat. European bonds spurred on anticipation of an early conclusion of the war in Germany.

The general recovery was ascribed to an improved technical position after two sessions of consolidation, to the Truman announcement seeking a \$7,000,000,000 cut in war outlay, and to outlook for tax reductions for industry after V-E day. News continued favorable, including a raise in car loadings, and several improved corporation reports and dividend actions.

Bethlehem steel led its department higher and equaled its top. Chrysler rose more than two points to a new high and led the motors forward.

12 CHICKENS CUT SENTENCE

Mound City, Ill. (UP)—Noah Wigwags received something new in the way of reduced jail sentences. Wigwags was sentenced to one year for chicken-stealing, but the court recommended that for every fowl returned, one week should be cut from the original term.

The defendant managed to rake up a dozen chickens, knocking 12 weeks from his sentence, but he's still in jail for a long time.

PLAN WELCOME FOR VETS

O'FALLON, Ill. (UP)—Returning war veterans of O'Fallon will find an extra-special welcome awaiting them. At a recent meeting farious civic and fraternal organizations of the town formed the Welcome Home Assn., whose purpose will be to arrange suitable receptions for the local veterans of World War II.

4,000 GALLONS FREE 'GAS'

Stonefort, Ill. (UP)—There was gasoline for everyone in the village of Stonefort, all unrationed and free, when a gasoline tank truck belonging to the Lawrenceville Cartage Co. overturned near the town. Enterprising citizens paraded past the gasoline fountain for four hours with every available bucket and pail in the community in order to salvage as much of the 4,000 gallons as possible.

Allies Storming Burma Capital

Colombo, May 3 (UP)—Allied troops stormed into Rangoon, capital of Burma, today in the final phase of the campaign to liberate the British colony from the Japanese invaders.

The drive into the city, which had a pre-war population of approximately 400,000, was announced in a special communique of the Southeast Asia command.

There were no immediate reports whether the allied forces, which completed the encirclement of the city yesterday with a paratroop landing 20 miles to the south, were meeting any formidable resistance at Rangoon.

Civilians who had escaped from the city and liberated prisoners reported that high-ranking Japanese military officers and puppet government authorities had fled the city.
