

Bend Lava Bears Win Track Meet; Points Are Close

RESULTS OF MEET
 Bend, 48 1/4
 Redmond, 46 1/12
 Prineville, 46 1/12
 Hood River, 23
 Moro, 11 5/8
 Arlington, 7 1/2
 Rufus, 3 1/8

Bend trackmen made a comeback here Saturday to capture the district No. 2 track meet. After losing to Redmond last week in the Central Oregon meet, the Bears were underdogs in the more important district affair. However several surprise showings by the young Bend performers swung enough points to enable the Bears to win. Don McCauley, football star, came through with a first place in the shot to beat his Redmond opponent, Neal, for the first time. Bob Sutton, another grid-iron figure, got out his best heave of the year in the javelin to capture second place and qualify for the state meet. Vern Clark and Don Bushnell, freshmen runners, turned up with badly needed points. Clark gave McDaniels, Redmond's ace half miler, a thrilling run before being nosed out in that event. Bushnell, a pint sized freshman, ran his best run of the year to place fourth in the mile.

Rasmussen Stars
 George Rasmussen was the meet's individual star with first places in the pole vault and high hurdles and a second in the lows. Rasmussen set a new district record and set himself up as the favorite to capture the state title by his leap of 12 feet. The lanky blond vaulter was out to exceed the state record but on his first attempt broke the standard which ended his vaulting for the day.

Dick Mauldin, Bend sophomore, turned in the only other outstanding mark of the day when he sailed out 21 feet in the broad jump. This is near the district record and the best jump recorded in any of the nine districts.

McDaniels of Redmond, and Chalfant of Prineville were the only double winners besides Rasmussen. The Panther ace galloped to wins in the 880 and mile. Chalfant captured the 220 and 440 and anchored the winning Prineville relay team.

Prineville's win in the relay was important to Bend. Had Redmond captured that event Bend's margin of victory would have been cut to a fraction of a point.

Mighty Beavers Hold Big Lead

(By United Press)
 Portland's mighty Beavers had a five-game lead in the Pacific coast league today, but even their hometown supporters must admit that manager Fred Owen's men have waxed fat at the expense of the lowly Hollywood stars.

The two clubs already have met 14 times this season with 11 decisions going to the Beavers. They maintained their mastery over the basement-dwellers yesterday by annexing both ends of a doubleheader before 10,000 disappointed Hollywood fans, 7,600 and 100. This gave Portland the series, six games to one.

Oaks Reach Second
 The Oakland Acons, flashing one of the best pitching stiffs in the circuit, climbed into second place by downing the Seattle Rainiers twice, 12-2 and 5-1, before an overflow audience of 11,000 at Oakland. The Oaks had a 5-2 margin for the week.

The Los Angeles Angels stopped the San Diego Padres, 2-1, in the first game of their twin bill, but the Padres pleased 9,300 backers by taking the nightcap, 5-4. But the Angels had a 43 edge in the series.

Sacramento's Solons pasted the slipping San Francisco Seals in both games, 15-7 and 11-1, to wind up with a 5-2 record before 7,000 capital city fans.

To Meet Padres
 Portland runs up against stiff opposition this week at San Diego, while Oakland visits Los Angeles and San Francisco gets a whack at Hollywood. The schedule will be rounded out with Sacramento playing host to Seattle.

Yesterday's stars: Roy Younker of Sacramento pounded out six hits in eight trips to the plate.

Van Noy Sells His Market in Bend

After spending 30 years in the grocery business, Earl Van Noy, proprietor of Van's Drive-in market at 519 East Third street, today announced the sale of the business and his plans eventually to retire in California. Van Noy sold his property for \$9,000 to Joe Tilden, a Nebraska rancher, who has been in Bend three months.

Van Noy came here from Clarkston, Wash., six years ago, and built the drive-in market at that time. He had been engaged in the grocery business in the Washington city. He said that he and Mrs. Van Noy planned to remain in Bend for about another month, then they will go to California to make their home.

The Van Noy's have three sons in the service. First Lt. Earl Van Noy is with the army signal corps on Okinawa; Sgt. Chester and Pvt. Merle are with the infantry in Germany. A daughter, Mrs. Peggy Stocks, resides in Spokane.

FIRE HINDERS WAR EFFORT
 Kittery, Me. (U)—The Kittery volunteer fire department has a patriotic angle in appealing to residents to exercise fire prevention. Newspaper advertisements point to the fact that virtually all members are employed at the nearby Portsmouth (N. H.) navy yard and fire alarms are a "hindrance to the war effort."

Stray Stock, Dogs Keep Police Busy

As numerous complaints reached headquarters of dogs being at large in all parts of the city, Bend police before noon had impounded five of the animals, disposed of another, and prepared several complaints for the arrest of owners who permit their dogs to stray in violation of the tie-up ordinance.

Police Chief Ken C. Gulick, noting the increased number of stray dogs, again warned that arrests will result from the violation of the ordinance which requires that all dogs be tied up or be held in pens until July 31. He said that he had received reports of dogs disturbing nesting water fowl in Drake park.

Stray cattle and horses in different parts of the city also busied police, who said that they would enforce an ordinance prohibiting loose stock in the city.

Detroit Tigers Blank Opposition In Pair of Games

By Carl Lundquist
 (United Press Staff Correspondent)

New York, May 7 (U)—The Detroit Tigers, sporting an odd combination of tightwad twirling and a "hit or miss" batting order, were responsible today for a new wartime shortage—scoreboard zeros.

It's either feast or famine for the Bengals, who generally spend their time shutting out the opposition or getting shut out. Yesterday it was the opposition that got horse-collared—twice. Lefty Hal Newhouse blanked the champion St. Louis Browns with just one hit to win, 3 to 0, and in the second game, Althon Benton won his fourth straight game and his second shutout, 1 to 0.

Pinning their pennant hopes on such superlative pitching the Tigers are going to become strong favorites if they can get a little more zing in their batting. In nine victories to date, they have turned in five shutouts.

Dark Side Presented
 But there's a darker side that has manager Steve O'Neill fretting. The Tigers themselves have been shut out three times in the five games they have lost and in the other two defeats they made only one run each time.

Tight pitching highlighted other games. At Boston, rookie Dave Ferris of the Red Sox proved his sensational debut last week was no fluke by blanking the Yankees, 5 to 0, for his second straight shutout. He scattered seven hits and made two himself. Hank Borowy turned the tables for New York, winning the nightcap, 2 to 0, on a five hit job that reduced his earned run average to .50 per game for four victories.

The White Sox took a firmer hold on first place at Chicago, beating the Indians twice, 3 to 2, and 6 to 4. Pitcher Ed Lopat gained the first victory when Oris Hockett singled home the doubling Wally Moses in the eighth.

Gets Three Hitter
 Emil (Dutch) Leonard, back after being rejected from military service, pitched a three-hitter at Washington, beating the Athletics 2 to 0, after Philadelphia won the opener, 3 to 2, to break a six-game losing streak. Although he gave up 12 hits, Russ Christopher went the route for his fourth victory in the opener.

The Giants and Dodgers (of all teams) were one-two in the national league to create a metropolitan monopoly atop the standings. The Giants beat the Braves, 4 to 3, and tied them 1-1 at New York in a seven inning second game, called because of rain.

The amazing Dodgers, tabbed as certain two at Philadelphia, 7 to 5, and 10 to 7. Outfielder Luis Olmo got four hits in each game, including two doubles and a homer, batting in six runs and scoring three.

Cards Take Pair
 The world champion St. Louis Cards finally started disporting themselves in pennant winning style, knocking the visiting Chicago Cubs out of second place with a double win, 6 to 2, and 5 to 1. Their ace lefty Max Lanier and big Mort Cooper were the winners, each giving up seven hits for their second victories.

Ed Heusser, who has allowed only two runs in three winning games, gave Cincinnati a 3 to 1 victory at Pittsburgh in the opener. Truett (Rip) Sewell countered by giving the Bucs a 5 to 1 victory in the second.

Has Its Points

Thirty-six thousand toothpicks and three months' work went into the making of the seven-foot replica of the Eiffel Tower, pictured above with Peter Ohlwein, 13, of Highland Park, Ill., who made it. Exhibited at the Highland Park Rotary Club hobby show in Chicago, it won a special prize.

REUNITED AFTER 60 YEARS
 Mankato, Minn. (U)—When 83-year-old Chris D. Danielson an his 68-year-old brother Tinus were reunited recently after a separation of nearly 60 years, they didn't recognize each other. Both came to this country from Denmark. Chris, in his 20s, moved later to Mankato, while Tinus remained with his parents in Nebraska. The brothers never got together until this winter.

'SURPRISE' VISIT
 Chicago (U)—When S/Sgt. Charles Huss arrived in Luxembourg he paid a surprise visit to his grandparents, whom he had never seen. His grandmother, who answered his knock at the door, knew him immediately, before he uttered a word, because "you look just like your father did at your age."

Preferred by Particular People

Because Sicks' Select is brewed to the highest standards of the brewing art, there may not always be enough to meet the demand. But its quality is always maintained—and it is one of the few beers that is invariably in favor with both men and women. Light, smooth, and zesty it has a character all its own and many acclaim it as "America's Smoothest Table Beer."
