By Elmer C, Walzer (United Press Financial Edite By Elmer C. Walzer
(United Press Financial Editor)
New York, May 7 (II) — Building shares rose to new highs today to feature an irregular, moderate.

This group registered gains ranging to more than a point. Others of the so-called peace group moved ahead on active turnover, while some selling developed.

LINE RATE 10c—CAPITALS 90. over, while some selling developed in such war issues as the rails and steels. However, there was

in the building section new tops were made by American Radiator, Certain teed, Crane company, Flintkote, National Gypsum, and U. S. Gypsum. Household shares such as Bon-Ami B, were tantially in the building section new tops were made by American Radiator, Certain teed, Crane company, Flintkote, National Gypsum, and U. S. Gypsum. Household shares such as Bon-Ami B, were stantially in the building section new tops were well as a such as Bon-Ami B, were stantially in the building section new tops were section new tops were such as a Rail equipments were bid up to several new highs. Eastern and LYONS FLOWER GARDENS American made new highs in the arrival airline issues. Motors made new ias and other annuals. Vegetable highs and the lower priced issues retained gains. The issues were featured by U. S. Rubber which gained more than a point.

Lumber Industry

at a maximum capacity to meet war needs and increasing civilian requirements for reconversion.

J. A. Krug, WLB chairman, said in a letter to the lumber industry that military needs in the Pacific war are increasing and that a larger amount of lumber will be needed "in the partial reconversion period following V-E day." Krug also told lumber producers
