## Shares in Autos Lead on Market

**By Elmer C. Walzer**  
(United Press Financial Editor)

New York, May 12 (UP)—Strength in automobile shares featured a quiet, firm stock market session today.

Hudson, most active issue of the group, made a new high at 31 3/4, up 1 1/2 points. Chrysler gained more than a point and fractional advances were noted in Nash-Kelvinator, Packard and Willys-Overland. Studebaker rose nearly a point.

This rise in the motors came in the face of estimates that the reconversion to automobile production would be a slow one. Market experts said the recovery was a technical one following recent declines. The same situation prevailed in the rails where gains ran to more than a point in Santa Fe and Northern Pacific.

Airlines continued steady to firm. United featured with a rise of more than a point. Oils improved under the lead of Standard Oil (N.J.) although Texas company sagged against the trend. Goodyear rose a point in a firm tire section. Philip Morris was up one in the tobaccos.

## Victory in Europe To Be Observed

The victory of allied arms in Europe and the unconditional surrender of the German reich will be noted in special services of thanksgiving and prayer at the Trinity Episcopal church at 11:00 a.m. tomorrow. "Vision After Victory," a special form of service will be used and the worship will include the singing of Kipling's "Recessional" to a setting by De Koven, with C. Dale Robbins taking the solo parts. Rev. G. R. V. Bolster will preach from Proverbs 28:18 "Where there is no vision, the people perish." Everyone is cordially invited to attend this service and the community service of thanksgiving to be held at the First Methodist church at 2:30 p.m. when Rev. Kenneth A. Tobing will deliver the address and ministers of several city churches will participate, an announcement states.

Iceland cattle, sheep and horses are largely from breeds originating in Norway. In 1940 Iceland had about 40,000 head of cattle, 58,000 horses and 650,000 sheep.

## Prineville Boys Held By Officers

Bend city officials and Deschutes county authorities today continued to map a program to cope with juvenile delinquency here, as state police reported that they had prepared a hearing for next Tuesday in the Crook county juvenile court for five Prineville boys on charges of being delinquents. The boys were arrested here at 2 a.m. yesterday by Bend police.

## Son in Europe Sends Greetings

Mother's day greetings were received today by Mrs. M. B. Smith in a telegram from her sons, S/Sgt. Wilbur M. Smith, somewhere in Germany. Wilbur's parents, Mr. and Mrs. M. B. Smith, 193 Jefferson, report that the message also said their son was in good health.

Wilbur enlisted in the army in February, 1941, and has been overseas since January of this year. In a recent letter to his parents, he told of receiving The Bend Bulletin regularly and enjoying the home-town news. His wife, Bonnie Jean, and his year-old son Richard, live in Tacoma with her mother.

Wilbur graduated from Bend high school in 1935 and was later a student at Oregon State college.

The flowers should be kept picked from newly-set strawberry plants.
