

**Rail and Liquor Sales Take Lead**

**By T. W. Kielen**  
(United Press Staff Correspondent)  
New York, May 25 (AP)—Railroad and liquor sales led an advance in the stock market today in moderately increased trading.  
Demand for the rails reflected current reports on April operations generally to have done better than in the corresponding 1944 period. For the first four months, too, the showing has been better this year than last.  
Most active stock in the rail group was New York Central, up nearly a point to equal its 1945 peak. There also were large cash sales in this issue, which sold ex-dividend yesterday. Purchasers who acquire the shares for cash still are entitled to receive the dividend, however.  
Liquors responded briskly to overnight action by the war production board in authorizing another "holiday" in July for the production of beverage alcohol.

**Pine Forest**

Pine Forest, May 25 (Special)—The Pine Forest grange met in regular session Tuesday. Paul Reidel, of the agriculture committee, gave a talk on the new rules by OPA on farm slaughtering.  
Mrs. Claude Wanichek was appointed to represent the grange at the Camp Fire girls' council. The grange sponsors the Wetomachick group.  
After the business the group enjoyed a social hour of singing. Luncheon was served by Alice Bishop, Mrs. Pansy Reidel, and Merle Dunbar.  
Rev. and Mrs. Merrit Ketcham and children of Portland, spent from Sunday to Thursday visiting his parents, Mr. and Mrs. C. A. Ketcham, and his sister, Mrs. Stanley Bowden. Rev. Ketcham is a Baptist minister in Portland.  
Mr. and Mrs. Don Primeau have named their daughter, born May 16, Kathleen Dee. The baby weighed eight pounds.  
Mrs. Evelyn Watson was a Sunday dinner guest at the home of Mr. and Mrs. Stanley Graffenberger.  
Mr. and Mrs. Denton Scott named their daughter, born May 15, Marilyn Ruth. Scott is the minister at the Church of Christ.  
The Home Economics club of the Pine Forest grange met Wednesday at the home of Mrs. Ethel Solde, with Mrs. Ethel Colver assisting. About 20 ladies enjoyed the afternoon and a lunch. The next meeting will be at the home of Mrs. Louie Gless, with Mrs. George Murphy assisting.  
Mrs. Lulu Young, who has been visiting her sister, Mrs. Vler, for several days, left this week-end for her home in Portland.  
The Pine Forest juvenile grange will meet Saturday, May 26. Baseball equipment was purchased last week.  
Mr. and Mrs. Phil Hymes have named their son, born May 16, Philip Richard.  
Betty Jo Rickman spent Friday night with Garnet Rae Barton.  
Mr. and Mrs. Clarence Ives spent several days visiting their daughter, Mrs. George Klassen in Portland, and Mrs. Oscar Ketcham in Fort Lewis.

I wonder how many people in and near Bend could tell me how many months a year there are winetr sports possibilities within a short distance?

It occurred to me shortly after I came to Bend that Central Oregon had so much to offer and yet seemed to be keeping it a secret. Surely there is enuf to attract a lot of visitors.

You know, no one knew that California could grow oranges and many other sub-tropical fruits. But somebody tried it out and told someone else and a new industry was on its road.

There's one crop that will be terrific after the war and Bend has everything that will encourage a fast and tremendous growth. What crop? Why, tourists, of course.

That's my preachment for today. Now I want to again suggest that you bring your car in for that body or fender work. The boys can still take on some work and give you prompt attention. It might be smart for you to make a date when you can spare your car.

Jack Halbrook.
