*Honor and
 Glory to Our
 Fighting
 Heroes*

These are the 173 members of Benevolent and Protective Order of Elks No. 1371 in the services of our country. They are men who are loading the guns, manning the tanks and piloting the planes . . . all engaged in winning this war. Tomorrow, Decoration Day, honor your sons and your neighbors. Honor all men and women in the service of our country who are risking their lives that we might have a better world. Honor them in your heart, in your thoughts . . . and in the purchase of War Bonds.
