

Stocks Advance Under Rails' Lead

By Elmer C. Walzer
(United Press Financial Editor)

New York, June 2 (UP)—Stocks advanced under the lead of rails during the first part of today's short session and then turned irregular on week-end realizing.

Railroad issues lost part of their early gains after their average had risen to a new high since May 8, 1937. Utilities also sagged following a rise to a new top since March 31, 1937 in their average. Declines in such issues as American Tobacco B. Du Pont, American Telephone and the leading steels brought a small recession into the industrial average.

Canadian Pacific again featured the market in turnover. It made a new high at 17 3/4, the best price attained by the issue since 1934 when it sold at 18 1/4. New York Central was active. The stock sold at a new high and later lost its fractional rise. Other rails backed away from their best levels.

Gen. Eisenhower Is Coming Home

Washington, June 2 (UP)—Gen. Dwight D. Eisenhower, supreme commander of the allied expeditionary force, will arrive in Washington June 18 from Europe, the war department announced today.

Eisenhower plans to visit New York on June 19, and then go to Kansas City, Mo., June 21. From Kansas City he will go to Abilene, Kan., his home town, where his mother still lives.

Announcement of the exact time of Gen. Eisenhower's arrival in Washington and the program for his reception here will be made later, the war department said.

Major Putnam To Marry Soon

Michigan City, Ind., June 2 (UP)—Maj. George Palmer Putnam, former husband of Amelia Earhart, famous woman flier missing on a Pacific flight since 1937, will marry Margaret Haviland June 10.

Maj. Putnam, who participated in the first B-29 raids against the Japanese from Chinese bases, recently returned to the U. S.

The wedding will take place in San Marino, Calif., where Miss Haviland, daughter of Mr. and Mrs. W. C. Haviland of Michigan City, is serving with the mobile service division of the USO.

PORTLAND LIVESTOCK

State Guardsmen Plan For Shoot
Company B, Bend's unit of the Oregon State guard, is reactivating the old national guard rifle range at the brick yard, it was reported today by Capt. Ralph Graham, commander of the company. The officer said the range, has been idle since 1940, and that he expected the men to have it ready for use in a short time.

Sunday at 8 a.m., the company members were asked by Capt. Graham to report at the high school gymnasium, following which they will go to the range to work.
At 2:30 p.m. Sunday, according to the captain, those members who have not qualified may take small bore rifle practice at the indoor range at West 14th and Elgin streets.

Britain Accused By Gen. De Gaulle

Paris, June 2 (UP)—Gen. Charles De Gaulle accused Britain today of fomenting the crisis in the Levant.
He said France's position in international disputes is "to negotiate with all interested parties in a spirit of cooperation."
De Gaulle's statements were made at a press conference. He said he saw no stumbling block to discussions with Britain, the United States, Russia and the Arabs. But he based France's willingness to negotiate the Levantine issues on consideration of the Arab world as a whole rather than this one specific sphere.
He ended his conference with a plea for international good will in the interests of permanent peace.

Is Still Hopeful
"Despite the painfulness and injustice of the present series of incidents for France and me," he said, "I hope the affair will not have too far-reaching consequences."
"The countries involved have immense interests in common, but the main interest of everyone is peace. I don't believe there is a single human being on the globe who does not recognize that if this peace is not achieved through concessions and manifestations of solidarity, the future of the world will be very disquieting."
"We must have peace. The world wants to live. You may be certain that we will make peace."

TO TRANSFER HOSPITAL
Medford, Ore., June 2 (UP)—Camp White's 1750-bed hospital will be transferred August 1 to navy control on a basis which will make it available for army as well as navy personnel, it is announced today.
