Leaders Suffer Drops in Value

By T. W. Kienlen (United Press Staff Correspondent) New York, June 6 (IP)—The New York, June 6 ur-ne stock market had a shakeout to-day and losses in the main list ranged to a point or more in such leaders as U. S. Steel, Chrysler,

Dow Chemical and Santa Fe.
Selling was described in Wall
street quarters as a technical
reaction to the recent sharp advance to new highs for around
eight years. It was noted, moreover, that as customary on declining price movements in past months, volume dwindled during the day, although sales again topped a million shares.

Corporation news was high-lighted by an increased dividend for Marine Midland Corp., and declaration of an initial payment of 25 cents a share on new \$2.50 capital stock of Pan American Airways. Businessmen also got news from the treasury which announced it wil more liberal income tax deduc-tions to firms engaged in reconverting to peacetime production
