

### Bears Expecting Tough Opposition

Corvallis and Bend high schools will meet tonight in a double-header basketball game on the local floor. The first game between the Corvallis "Bees" and the Bend Cubs will start promptly at 7:00, with the main game scheduled for 8:00. It will be the Lava Bears' first home game and their third of the season.

The Corvallis team will rule as slight favorites, largely because of height, but local fans are hoping the smaller and clever Bears will overcome this advantage with their fine ball handling.

"Bees" Are Favored  
The Corvallis "Bees" should dominate their game with the Cubs. The majority of the "Bees" are juniors, while the "Cub" team is limited to freshmen and sophomores.

Murel Nehl and Floyd Abrams will be the officials in the main game. School officials announce that only general admission tickets will be sold at the door. Reserved seat sale closed this afternoon at 4:00.

### Pasadena Tickets In Heavy Demand

Pasadena, Calif., Dec. 21 (AP)—Fifteen thousand tickets to the New Year's day Rose Bowl game between Alabama and University of Southern California went on sale today to football fans who had been standing in line as long as 28 hours.

Several hundred early birds were lined up all night, joking, playing cards, listening to portable radios and nibbling light lunches. Officials said it was the greatest Rose Bowl ticket rush in history.

The tickets, half on sale at the Civic auditorium here and half at the Coliseum in Los Angeles, were all that were available to the public. The remainder of the Rose Bowl's 92,000 seats were set aside for alumni of the contesting schools. The tournament of roses, students and the press.

Folks this is the last "blast" until Christmas and that coming on Tuesday there will be none then—so—

I want to take this opportunity to wish you all a very, very Merry Christmas.

Certainly it will be for many people in the world, but if all we hear is true there are several hundred thousand returned veterans who have missed getting home due to transportation facilities. Let's give those boys at least a thought because it would be really tough to be that close to home after a long separation and be held up at this time of year.

This is one Christmas when the people of United States can say with heartfelt thanks—peace on earth toward men of good will.

And I hope none of you have "turkey hang-overs," or any other kind.

Jack Halbrook.
