SAID SHE FELT "DOWN AND OUT"...

But Famous Cereal Helped Relieve Her Constipation

Harsh laxatives got you feeling dragged out? Then read this sincere, unsolicited letter:

"Constipation had me feeling down and out and lacking pep and energy. But not any more. Not since I took ALL-BRAN instead of harsh laxatives. It's miraculous what this fine-tasting cereal can do for a person in such a short time." Miss Marion Krause, 14188 Faircrest Avenue, Detroit 4, Michigan.

You, too, may never have to take another harsh laxative for constipation due to lack of bulk in the diet. If you eat KELLOGG'S ALL-BRAN every day and drink plenty of water, try it as a delicious cereal—and in muffins.

KELLOGG'S ALL-BRAN is not a purgative. It's a wholesome cereal made from the vital outer layers of wheat. It provides gentle bulk helpful to normal laxation. Try it for ten days. If not completely satisfied, send empty carton to the Kellogg Company, Battle Creek, Michigan. Get double your money back!

From where I sit... by Joe Marsh

Shaking Heads and Human Liberties

It's a funny thing. Now that the war's over, there's a lot of head-shaking in our town. People saying: "What's the younger generation coming to?" "How can we end these strikes?" "The country's going to the dogs!" "There ought to be a law!" etc.

But when the younger generation was walloping the Axis "supermen"—and labor was doing the most colossal job in history—you never heard a murmur. But now that we're back to our traditional life of personal liberty, just see how the heads begin to shake again.

I guess there'll always be head-shakers—folks who feel "there ought to be a law"—who believe that the best form of regulation is suppression, whether it's applied to beer or baseball.

But from where I sit, America's done pretty well with the idea of personal choice and individual liberty. I guess that's just the way Americans are made.
