

Bruins Weakened By Injuries In Week-End Games

By Hal Wood
(United Press Sports Writer)

San Francisco, Oct. 21 (UP)—The rest of a good football team is in its reserves—in which case, the UCLA bowl-bound Bruins will have a chance to prove their claim to greatness in the weeks to come.

Battered and bruised as they come out of their game with California hugging their fourth straight victory by a 13-7 count, Coach Bert Labrucherie's team is going to have a tough struggle ahead.

Lost for the remainder of the season is Cal Rossi, the southland's best candidate for all-American honors. He suffered a broken leg. On the sidelines this week-end for the "breather" clash with Santa Clara will be Ernie Case, the star T-formation quarterback, with a broken nose.

May Not Be Set-Up

And the Santa Clara contest may not prove to be such a set-up as at first predicted. The Broncos were something less than docile as they dropped a 33-26 clash to Stanford last Saturday.

To replace Rossi and Case, the UCLANS have quite a wealth of backfield talent—but just how it will measure up to those two stars remains to be seen.

Of course, any superman myth that may have been built up about the UCLANS was somewhat shattered by the narrow win over a California team that already had been defeated twice.

Instead of running away from the pack, the Bruins now are looking over their shoulders at teams they still have to play. The foremost of these are USC, which showed a lot of its old-time power in crushing Washington, 28-0; and University of Oregon, still undefeated which was held to a 3-0 tie in the mud by Washington State Saturday.

Montana Defeated

The Bruins also have Montana on their schedule, which drubbed Montana State, 20-7; and a non-conference bout with Nebraska.

Stanford, which won its third victory in four starts, returns to conference play to test USC next; California goes north to take on Washington; Idaho, which lost to San Jose State in the final period, 26-14, entertains Oregon; and Oregon State returns to action against WSC.

Among the independents, St. Mary's will get a chance to show off some of the color it stunned New Yorkers with in defeating Fordham, 33-2, by taking on Nevada in San Francisco.

Browns Victors Over Los Angeles
(By United Press)

The city of Cleveland appeared assured of a second straight professional football championship today and the Browns, who are spread-eagling the All-America conference, seemed headed for an attendance record in return.

The Browns whipped the Los Angeles Dons yesterday, 31 to 14, before 71,134 fans, the largest crowd ever to see a regularly-scheduled pro game.

WHY MOTHERS GET GRAY

3 Hard Games Facing Bears In Coming Weeks

The Bend Lava Bears start workouts today for the first of their three hardest games of the year, a tough three-week trip down "murderers' row" against Eugene this week end and then Medford and Klamath Falls.

Eugene took over the top spot in the Big Six conference last Friday by defeating Corvallis 26 to 0, while the Bears were holding Albany to a 6-6 tie on the Bend field.

Eugene's Axemen, who are looking forward to a victory over Bend Friday night on the Eugene field to give them an unbeaten Big Six record, claim one of the strongest teams in the state and have Oregon championship ambitions.

Held To Tie

Only in one game have the Axemen been scored upon and that was by the equally strong Medford team which drew a 19-19 tie two weeks ago with the Axemen. In five games Eugene has scored 147 points.

Bend may enter the Eugene game in better condition than the past Friday night when they played Albany. Dick Maudlin, halfback, who sparks the Bears' offense, will probably be back on the field. Without Maudlin in the Albany game the Bear offensive was reduced to practically nothing, although the Bend eleven was able to turn in an outstanding defensive game.

Faces Stiff Odds

But even at its best, the Bend club will enter against Eugene with all the odds against them. Following the Eugene game they will play Medford here on November 1 and Klamath Falls there on November 11 to wind up the season.

Medford and Klamath Falls both rank with Eugene on top of state prep circles. Medford's 19-19 tie with Eugene is the only mark on its record, while Klamath Falls lists a 19 to 14 loss to Grant high school of Portland, a 13-6 upset loss to Salem and a 7-6 defeat by Medford last week.

Hunting Accidents Claim 5 Lives Over Past Week-End

(By United Press)

Five persons were killed over the week-end in hunting accidents in the Pacific northwest.

Harry Fawcett, 23, Tacoma, Wash., was killed when shot through the head while deer hunting with two companions on the Coyle peninsula near Quilcene, Wash., Sunday.

Fawcett, a nephew of Tacoma's mayor C. Val Fawcett was accompanied on the trip by Don R. and William Angeline, McMullan, Wash.

The pair told sheriff's officers that Fawcett was standing on a log holding his shotgun when he slipped. As he fell the trigger caught on a branch, discharging the weapon.

Three hunters were killed Sunday when an automobile in which they were riding plunged 200 feet over a bank into North Fork creek near Pierce, Ida.

The driver of the car, Marshal Milsap of Kendrick, Ida., told authorities that Ralph Stolze and Patrick Bratton died in the car as it settled into the water nose down.

A third victim, Frank Lumen, was caught in the car and died before he could be freed.

The first hunting fatality was recorded in the Yakima valley Saturday when Stanley Olney, 43-year-old Indian, was killed when shot in the chest by the accidental discharge of a shotgun.

The accident occurred on the Slide ranch while Olney was pheasant hunting with three other persons. Olney was riding in the rear of a truck when the vehicle struck a rough bit of road. A shotgun, reposing between two persons in the front seat was discharged. The shot crashed through the cab of the truck and struck Olney in the chest.

Tacoma Indians Lead League Play

(By United Press)

The Tacoma Indians with five victories and one defeat, today northern division of the Pacific remained out in front in the Coast Professional football league.

The Indians turned on the power before a hometown crowd yesterday to blast the Oakland Giants, 20 to 13, for their fourth straight victory.

In other league contests yesterday, the San Francisco Clippers unleashed a devastating aerial attack to swamp the Los Angeles Bulldogs, 35 to 14, before 8,500 spectators in Kezar stadium, and the Sacramento Nuggets overpowered the San Diego Bombers, 26 to 3.

Indians Rule Play

At Tacoma, the Indians dominated play all through the first half and piled up enough margin to win. Frank Porto, Oakland right half, gave the crowd its big thrill for the day when he took the kickoff at the opening of the second half and romped down the sidelines 95 yards for a touchdown.

The Clippers scored four of their touchdowns from passes. Vic Ramus and Nate Howard teamed up for two scores in the third period and in the final quarter Ramus shot an aerial to Don Menicucci for another touchdown. In the second period, the Clippers reached paydirt on a pass from Les Friday to Jens Bugge.

Portland Eagles Beat Tacoma

Portland, Ore., Oct. 20 (UP)—The Portland Eagles overpowered Tacoma 8 to 2 in a Pacific Coast league hockey game here last night.

Scoring five goals in the final period, the Eagles demonstrated all-around power both on offense and defense before a crowd of 3,500 persons who turned out for the first home game of the season.

Spares Larry Reardon and Jack McDonald with two goals apiece sparked the Portland victory.

It was the second straight victory for Portland over Tacoma.

Red Lodge Rider Takes Top Honors

New York, Oct. 21 (UP)—Bud Linderman of Red Lodge, Mont., took top honors last night in bareback bronc riding at the world championship rodeo in Madison Square Garden.

Other first place winners were: Calif roping, Dee Burke, Comanche, Okla.; saddle bronc riding, Cliff Anderson, Alberta, Can.; steer wrestling, Jiggs Burke, Comanche, Okla.; wild cow milking, Verne Castro, Richmond, Calif.; bull riding, Byron Lisenbee, Fort Worth, Tex.

Snow Blankets High Ski Runs

Spokane, Wash., Oct. 21 (UP)—Approximately 2 1/2 inches of snow was lying on the Slalom runs at 5881-foot Mt. Spokane today following a storm that covered the inland empire yesterday.

Skilling at Mt. Spokane lodge was expected to begin Nov. 10, at which time a new \$35,000 chair lift will be ready for operation.

Dog Is Cast In Hero Role; To Get Steak

Seattle, Oct. 21 (UP)—Meat shortage or not, Jiggs, a three-year-old mongrel dog is going to get the biggest chunk of bone he's ever had by way of reward.

The dog, choked by smoke from a fire in the basement of his home yesterday pulled the covers off 16-year-old Ruth Brown and tugged at her arm to waken her in time to escape.

Firemen who entered the house a few minutes later were nearly overcome by fumes.

Buffaloes Swamp Lava Bear Cubs

Homer Haberstitch, Madras seatback, proved that his running was just as tricky as his name, here Saturday night when he guided his team to a 50-0 win over a bewildered Cub team. With the two teams about evenly matched as far as weight runs it was the factor of speed and deception that contributed to the one-sided score.

The game was only a few minutes old when Haberstitch made his first sprint of about 63 yards and during the course of the evening contributed a majority of the other scores.

Coach Joe Piedmont's team lived up to its advance reputation and showed a tricky, versatile attack. Besides Haberstitch the Buffaloes fullback Rodman, former Redmond track star, caused the young Bend players considerable trouble with his spins and quick starting sprints through the line.

60 Yard Run Made

The Cubs threatened only once and were stopped short of scoring territory by the alert Madras forward wall. Kenneth Brown, diminutive Bend back, broke loose down the sidelines for a 60 yard run to the Madras 15 yard line before he was overhauled by the speedy Rodman.

The Buffaloes are rated as one of the better B school teams in the state, losing only to Moro in their class when Haberstitch was laid up with a bad ankle. This Friday they take on another B class opponent when they tangle with the Arlington Honkers at Madras. The Cubs play a return game with the Redmond Kittens Thursday afternoon.

Top Teams Hold Unbeaten Status

New York, Oct. 21 (UP)—Army, Texas and U. C. L. A., 100 per cent upset proof" so far in a season of form reversals, led the parade today as the 1946 football campaign approached the halfway point with Notre Dame still not fully tested and Tennessee back in the driver's seat in the unpredictable south.

Those are the nation's current big five. They'll all be back in action this week and at least three will have to exert strong pressure to escape undefeated.

Army's powerful Cadets engage twice-beaten but still dangerous Duke at the Polo grounds in New York, Notre Dame plays at Iowa which down the years has been the No. 1 jinx team for the Irish and Texas goes up against Rice, an outfit the Longhorns fear more than any remaining on their schedule.

Tennessee Wins

Tennessee, a 12 to 0 victor over Alabama's sputtering Rose Bowl champions last week, picks up an easier assignment in Wake Forest and U. C. L. A., which squeezed past California, 13 to 6, plays Santa Clara.

Army, ignited by Felix (Doc) Elanchar's four touchdowns, plunged Columbia from the undefeated ranks, 48 to 14 and Texas dumped previously unbeaten Arkansas, 20 to 0.

Tennessee, scoring twice on sustained marches, four times braced near its own goal to ward off Alabama drives engineered by Harry Gilmer's passes and U. C. L. A. often was in danger of another upset by California which had whipped St. Mary's the week before.

DEER HIDES

We will again purchase deer and elk hides this season. Our permit is good only until December 31st so be sure and get the hides in before that date as further action by the Game Commission is unpredictable.

Cecil C. Moore
1132 Newport Ave.
Bend, Oregon

Kill every coyote that you can during the hunting season because they are killing many deer. Beyond doubt the fawn crop has been hit hard this summer. Don't bother to skin any coyote until after the first of November.

It's... the pure culture yeast

It's... the carefully selected malt and hops

It's... our 3 generations of brewing skill

It's all these things... but above all—

"IT'S THE WATER"

It is widely recognized by scientists and master brewers that one of the most important factors in making good beer is the natural brewing properties in the water itself. Our subterranean spring water at Tumwater (Olympia) is a faultless brewing water—producing Olympia—famous for rare flavor and quality.
