

East Side Golfers Tournament Winners

Bend Golf club members living on the east side of Bend defeated west side golfers yesterday by a score of 56 1/2 to 39 1/2 in the club's opening tournament of the year.

The tournament started about 9 a. m., following a golfers' breakfast and was participated in by more than 70 players. Between 80 and 90 golfers were on the course yesterday in spite of cool and damp weather.

John Prince won the low gross prize with a fine score of 74, while low net score was made by Clyde Spencer and D. S. Denning who had 84-18-66 and 86-20-66, respectively. Each was awarded a prize of two golf balls.

Prize for the highest score on a hidden hole (No. 7) was won by Bill Stollmack, who had close competition from several other players. Prize for the lowest score on a hidden hole (No. 13) was awarded to Clyde Spencer, after deciding a tie.

Farley Elliott won two golf balls for being the player on the East side team to defeat his opponent by the most holes. W. E. Chandler won the same prize for the West side team.

Qualifying rounds for the Golf club's spring handicap tournament are to be played April 26 and 27.

They're In the Money Now

Another professional tour is imminent with Pauline Betz, left, and Mrs. Sarah Palfrey Cooke suspended from further competition as amateurs by United States Lawn Tennis Association. Four-time winner of the national singles, Miss Betz also prevailed at Wimbledon last year. Mrs. Cooke was champion in 1941-45.

Kittens, Kenwood Track Winners

In the first round of dual meets for the local grade school league this past week end, the 8th grade Bearkittens and Kenwood won easy victories over Allen and St. Francis grade schools. Several outstanding marks were made by the young thrillers. Most notable of these were in the jumping events where Jimmy Wade of St. Francis and Reggie Halligan of the Bearkittens turned in some near record performances. Wade sailed out 16 feet, 4 inches in the broad jump while Halligan topped 4 feet, 10 inches in the high jump and 8 feet, 10 1/2 inches in the pole vault. It is expected that these two youngsters will both top these marks in the remaining three meets. Next week the Bearkittens and Kenwood tangle with Allen and St. Francis pair off.

Youth Tells of Killing Girl, Using Bullet Meant For Self

Pasadena, Calif., April 21 (AP)—In the tiny padded cell where he has threatened to take his life, 18-year-old Gerald Snow Welch poured forth a tale of love and frustration today which he said led him to kill his 16-year-old sweetheart, Dolores Fewkes.

"I'd rather let the state execute me, but I would kill myself if I got the chance," he said.

Besides incarcerating him in a padded cell, police removed his belt and shoestrings. Only a mattress was placed in the cell.

The curly-haired youth surrendered to police Saturday. After showing officers her bullet-ridden, battered body in a borrowed car parked outside, he told of a long-contemplated suicide pact that failed because he had to use his only two rifle bullets to kill her. They spent the night together at a picnic grounds north of here, he said, and at dawn she sat on a bench while he shot her twice with a .22 caliber rifle. Discovering her still alive, he clubbed her to death with the rifle butt.

He had contemplated suicide he said, because of his inability to

1947 American Mother Named

New York, April 21 (AP)—Mrs. Janette Lindsay Stevenson Murray, 72, of Cedar Rapids, Iowa, a grandmother of 10, was named today as the American mother of 1947.

"She was chosen," said Mrs. Leonore E. Porter, executive secretary of the National American Mothers committee, "for her outstanding record as the mother of five children, all college graduates, and her continuing leadership in community affairs."

"We believe Mrs. Murray has the ability to lead the mothers of America, as no other woman could, in the search for world peace."

Installation of auxiliary officers was by Mrs. Lois Eldridge, Prineville, department chief of staff, and post officers were installed by Francis G. Gates, Bend, department senior vice commander.

Other department officers present included: Earl C. Mead, Portland, department commander; Bernard Burns, Jr., Astoria, vice department commander; Fred B. Corn, Portland, adjutant quartermaster; John Reilly, service officer, department of Hawaii, and Earl Birchard, Bend, grand commander Military Order of the Cootie.

Crop Production Record Reported

Boise, Ida., April 21 (AP)—Farmers on the 15 reclamation projects of the Pacific northwest set a new record for crop production in 1946, Regional director R. J. Newell announced today.

The crops were valued at \$210,337,163, exceeding the 1945 total by \$20,416,509.

The average per-acre return was also at a record high—\$114.35—beating the 1945 value of \$106.98.

The small Okanogan, Wash., project had the highest per-acre return in the northwest—\$707.67. The large Yakima, Wash., project was second with \$217.44.

Projects with the largest crop values were Mindokoda and upper Snake river area of southeastern Idaho, \$87,108,478; Yakima of eastern Washington, \$76,056,840; and Boise of southwestern Idaho, \$25,187,698.

The federal projects embrace 2,073,154 acres of irrigable land, of which 1,838,144 were actually irrigated.

Safeway Aims to Reduce Food Prices This Way

As a distributor, Safeway does not control the wholesale prices of raw or manufactured foods and other products. With few exceptions* Safeway buys currently at going market prices the kind and quantity of products needed to supply the demands of the consumer-customers of Safeway neighborhood stores.

Thus, Safeway has no control over and cannot influence the prices at which it buys and which account for the largest part of the retail price.

However, Safeway can and will contribute to reducing the cost of living by strictly living up to the following policies:

1. When merchandise is acquired at lowered costs, Safeway will immediately drop its retail prices on its existing inventory to the new lower market level. The inventory mark-downs involved will be charged to profit and loss.
2. The Company's full resources and years of experience are intensively aimed at bringing about still further reductions of the in-between costs of distributing foods. This is the way in which Safeway increases its productivity with consequent benefits to consumers, producers, employees and stockholders.
3. Small profits on large volume will continue to be the keystone of the Company's operation. In 1946, net profits were 1 1/3c per dollar of sales.

* Safeway maintains inventories of a few commodities which must be purchased during the harvest and stored for later consumption.
