

# Yank Rookie Puts Team Back On Top By Beating Tigers

New York, June 21 (AP)—Rookie Frank Shea, the New York Yankees' answer to Bob Feller and Hal Newhouser, brought a question today from American league batters:

"How can we hit him?"

Unless the Detroit Tigers, Boston Red Sox or Cleveland Indians find that out soon, the Yankees may pull away with the pennant—and Detroit appeared highly unlikely to come up with a solution. Shea stopped the Tigers yesterday on four hits for a 5 to 3 victory that put the Yanks back in first place by one game over Boston.

**Beats Newhouser**

Only Eddie Mayor damaged the 24-year-old Connecticut strong boy, with two home runs that batted in all three of the Tiger tallies. Until Mayor homered in the fifth inning, Shea had pitched 22 straight scoreless innings against the Tigers. Yesterday's victory was his third over Detroit, and each time he beat Hal Newhouser, perhaps the best lefty in the league.

Shea now has won eight and lost two, and one of his losses was a three-hitter. He has pitched nine complete games, and opponents have only 61 hits in the 10 games in which he was winner or loser.

Tom Henrich helped Shea yesterday with a two-run homer.

**Allows Two Hits**

An even better pitching job was that by Walt Masterson of Washington, who allowed only two hits in stopping the St. Louis Browns, 2 to 0, and ran his string of scoreless innings to 34, still 22

## OUT OUR WAY

By J. R. WILLIAMS

behind Walter Johnson's record. Jimmy Hegan batted the Red Sox out of the lead as he clubbed a two-run homer and a ninth-inning single to bat in all Cleveland's runs in a 3 to 2 Indian victory.

Chicago at the Philadelphia Athletics was rained out.

In the National league, Boston was beaten but held first place because second-place New York fell before the surging Cardinals.

**Cubs Win**

The Cubs nipped the Braves, 6 to 5, when Tommy Holmes lost Emil Kushi's pop fly in the sun in the ninth inning.

The Cards ran their winning streak to eight straight with a 7 to 3 win over the Giants.

Ernie Bonham, making his first start for Pittsburgh, pitched a five-hit 6 to 0 win over the Phillies.

Brooklyn and Cincinnati were not scheduled.

# Los Angeles In League Top Spot

**STANDINGS**  
(By United Press)

	W.	L.	Pct.
Los Angeles	46	36	.561
Oakland	43	35	.551
San Francisco	44	36	.550
Portland	35	36	.493
Sacramento	39	41	.488
Hollywood	38	43	.468
San Diego	36	43	.456
Seattle	33	44	.429

**By Jack Daily**  
(United Press Sports Writer)

While Seattle looked forward tonight to extending its string of scoreless innings over Hollywood, Los Angeles came through on the inside to claim the leadership of the Pacific Coast league.

As the Angels assumed the task of ruling the roost, San Francisco and Oakland fell into a second-place clinch, one game to the rear. Los Angeles took over the lead with another close 3-1 victory over San Diego. It was the Seraphs fourth straight series victory over the Padres.

**18 Scoreless Innings**

The Rainiers ran their string of goose-egg innings over the Stars to 18 with a 10-0 triumph. Seattle won out Thursday evening, 5 to 0. After being beaten three times in a row, Sacramento surged back to trounce the Seals, 3 to 4, while Oakland edged past Portland 5 to 3.

A three-run flurry in the third inning turned the trick for Los Angeles and enabled southpaw Cliff Chambers to annex his 11th victory of the season after failing in his last four starts.

First baseman Larry Barton contributed a home run and George (Tuck) Stainback two triples in the total of five hits the Cherubs got off Lefty Al Olson and George Caster. Chambers was touched for only four safeties.

# Illinois Leads In NCAA Meeting

Salt Lake City, Utah, June 21 (AP)—A well-balanced University of Illinois track and field squad moved into the finals of the NCAA championships today, heavily favored to retain the crown they annexed last year. The Illini qualified five men in the sprints last night.

The weather forecast for the finals was "scattered showers"—which would not help the expectant record breakers any.

While all the trials in the field events were rained out, the track stars took to the "off" track like ducks.

They came up with: one world record tied; one NCAA record equalled and the fastest time in history ever recorded on a two-turn track in the 400.

**Equals Record**

The world-record performance was by Pell-Mel Patton, the USC sprint flash, who covered the 100-yard dash in 9.4 seconds for the third time this season. However, it is doubtful that it will be recognized because of a variable tailwind that went from three to five miles per hour.

Herb McKinley, the star from Jamaica, was the leading man in the Illinois attack. He went the 140 in 46.6 seconds, fastest time ever recorded for a two-curve track in the quarter-mile, and then came back to annex his heat in the 300 with a good time of 21 seconds flat.

Another two-time winner during the evening's trials was Harrison Dillard, the Baldwin-Wallace timber-topper. He equalled the NCAA record in the 150 yard highs, with a 13.9 second mark, and then won the lows in 22.8, only one-tenth second slower than the NCAA official mark.

**11 Crews Entered At Poughkeepsie**

Poughkeepsie, N. Y., June 21 (AP)—One of the last of sports' war-time casualties came back into the intercollegiate picture today after a six-year lapse with a record-breaking field of 11 crews warring it out in the 45th rowing of the Poughkeepsie regatta.

Unbeaten California was favored with Washington, the defending champion; Navy, Cornell and Princeton also highly regarded. Completing the largest number of crews ever to compete in the classic were Columbia, Massachusetts Institute of Technology; Pennsylvania, Rutgers, Syracuse and Wisconsin.

# Softball Group Backs Umpires

Umpires of the Bend Softball league received a vote of confidence at a special meeting of the softball association last night at the city hall.

The association agreed that, starting with games Monday, players would make their complaints only to managers of their teams and that the managers alone would have the right to argue with the umpires.

Players making personal threats against umpires or insulting them will be suspended from the league for a short time.

President Paul Rukaveno said that the umpires—Shirl Harmon, Vern Rasmussen and Wayne Hamilton—had all resigned because a few of the players had made personal threats and insults. The association gave a unanimous vote that the umpiring job so far had been satisfactory and an effort will be made to retain the umpires.

A short meeting was held by the three-man softball board and the five officers of the league preceding the general meeting and their action was confirmed at the general meeting which followed.

The three-man commission said that it wanted it understood that it did not want to see the league which gives summertime recreation to more than 150 members wrecked by the bad tempers of a few men.

**11 Crews Entered At Poughkeepsie**

Poughkeepsie, N. Y., June 21 (AP)—One of the last of sports' war-time casualties came back into the intercollegiate picture today after a six-year lapse with a record-breaking field of 11 crews warring it out in the 45th rowing of the Poughkeepsie regatta.

Unbeaten California was favored with Washington, the defending champion; Navy, Cornell and Princeton also highly regarded. Completing the largest number of crews ever to compete in the classic were Columbia, Massachusetts Institute of Technology; Pennsylvania, Rutgers, Syracuse and Wisconsin.

With gentle to moderate easterly winds forecast for the 7:15 p. m. EDT starting time, California's chances were strengthened by the fact that the Golden Bears will row in lane No. 2, close to shore where the waters of the Hudson river will be the calmest.

Rutgers, which isn't expected to make much of a splash in the affair so far as the finish line is concerned, is in the first lane.

Fuel-oil usage in Britain is expected to increase by from 7,000,000 to 10,000,000 barrels annually under the present coal-to-oil conversion program of the government.

# Jennings, Lees To Play Finals

Portland, June 21 (AP)—Lou Jennings and Billy Lees, both of Portland, square off today for the championship in the 1947 Oregon Golf association tournament being played over the Portland Golf club course.

Mrs. Babe Freese Bowman, defending champion, meets Mrs. Marian McDougall Herron for the women's title in another all-Portland finals today.

Jennings, favorite of the gallery to cop the title, won his way to today's finals with a 7 and 6 win over Ray Weston of Portland in yesterday's semi-finals. Lees came from behind to defeat Budd Jensen, Portland, 2 and 1.

Jennings was out for revenge in today's match. It was Lees who knocked Jennings out of last year's tourney in the opening round.

Mrs. Bowman eliminated Gracie De Moss of Corvallis on the 15th hole in yesterday's women's semi-finals, and Mrs. Herron turned back Mrs. Omar Anderson of Portland on the 16th hole.

Followers of the sport looked for putting to decide the outcome in both the men's and women's championship tussles today.

# Our statement of policy

We Want Our Customers And The Entire Community To Know—

- 1 That it is our constant endeavor to raise to the highest degree the standards, ethics and practices of automobile merchandising.
- 2 That we seek, through cooperative efforts of local, state and national automobile dealers associations, the correction of any unfair or unbusinesslike practices.
- 3 That new cars are being distributed fairly and equitably, with every consideration being given to our community's interest.
- 4 That new cars will be sold at established prices current at time of delivery, and no bonus payments or premiums of any kind will be accepted.
- 5 That fair and reasonable value is given for every used car taken in trade; while we hope customers having used cars will, as in the past, trade them with us (so we in turn may supply more people with needed transportation) we will still make every effort to provide new or used cars to those not having cars to trade.
- 6 That while we are glad to install special accessories (when available) which add to the appearance, usefulness, comfort and convenience of the new car, no customer is required to purchase any extra equipment which he does not desire.
- 7 That we are doing everything in our power to help eliminate black market operations in our industry.
- 8 That despite the continued, critical shortage of new cars we are anxious at all times to talk over with you your new car needs.
- 9 That regardless of the termination of government regulations, affecting our business, we believe the high standards herein expressed are sound business principles, and we will be guided by them.
- 10 That our business is being conducted on a basis to merit public confidence and respect.
