

Scout Leaders Hold Quarterly Dinner Meeting

Scout leaders from the Fremont district held their regular quarterly meeting Thursday evening at the Prineville garden club hall with H. C. Hulet district commissioner, presiding.

A request was passed that all Boy Scouts throughout the Fremont district assist in the celebration to be held at Bend, July 4, 5, and 6. All scouts are asked to be in uniform and a number of jobs will be assigned to them by the water pageant officials.

All troops were urged to begin registration for Camp Makualla, the Modoc area summer camp July 13.

A Fremont district scouters training school will be held September 20 and 21 at Santiam lodge on the Santiam highway. The district scout circus will be held at Bend in the high school gymnasium on November 1 with the co-operation of the Bend chamber of commerce and the retail merchants committee. The committee for this event is Floyd Burden, chairman; Gene Stranahan, Reg Bachelard, Al Cook and Ed Spruce.

Parents Pay Expenses

It was pointed out at the meeting that expenses of boys attending the world jamboree at Madison, France, in August are being paid by the parents of each boy qualifying as a "jamboree" scout. The Fremont district will have three boys making the trip. They are Henry Herbering, Jack Symons, and Bill Niskanen, all of Bend.

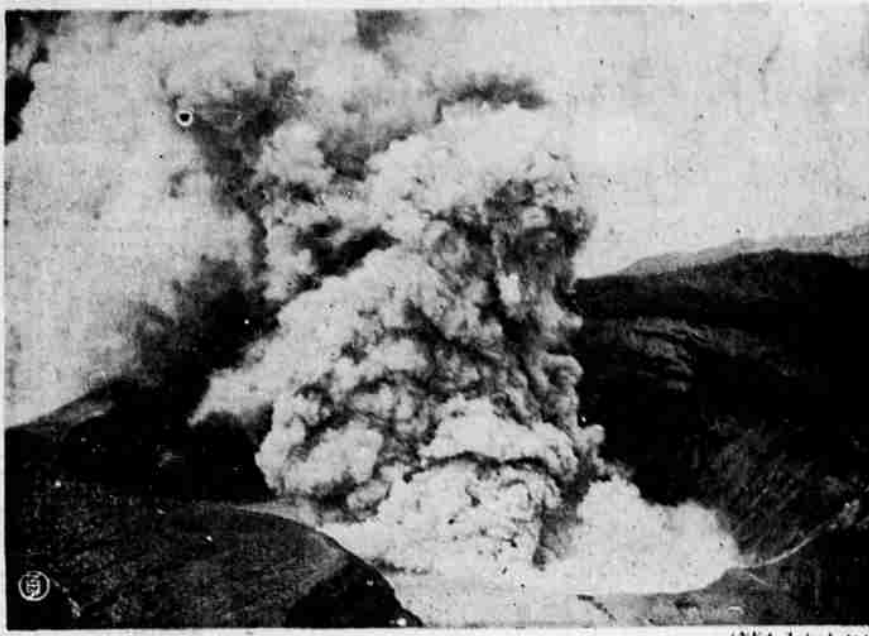

Prineville scouters who were hosts for the evening served a dinner of salad, hunter's stew, cake and coffee. Prineville scouts who volunteered to do a good turn by serving the dinner were: Gary Romine, Lloyd Hale and Lawrence Romney, troop 36 and Tommy Gronnell, Duane Willis and Dick Cadwalader, troop 28.

Robert Lamont, area executive was not at the dinner because of the sudden illness of his wife, and Robert Gamage, assistant executive, is attending a camp school at Seattle.

Jack Parrish, district vice commissioner, and Al Cook, district commissioner, assisted Hulet in conducting the meeting.

The next scouters dinner will be held in Bend on November 21. Among those attending were Mr. and Mrs. Jerome Davis, Mr. and Mrs. Chet McCraw and Mr. and Mrs. Harold Brock, Crescent, troop No. 35; C. E. Hein and O. W. Hanson, Bend, troop No. 21; Mr. and Mrs. L. Rees Brooks, Bend, troop No. 23; Cliff Humphrey, Ernie Darst and C. E. Stranahan, Bend, troop No. 25; Mr. and Mrs. J. O. Parrish, Prineville, troop No. 28; Paul Whites and Max Anderson, Prineville, troop No. 36; Mr. and Mrs. M. E. Bevins, Bend, troop No. 24; Mr. and Mrs. Al Cook and Mrs. Snyder, commissioner of Fremont district, Bend, and his wife and mother; Leo Herbering, neighborhood commissioner, Bend; Mr. and Mrs. H. C. Hulet, district chairman, Prineville; E. E. Ball, new cub scoutmaster of troop No. 28, and James Blake, Prineville, troop No. 36.

Ancient Jap Volcano Blows Its Top Again

Rumbling, belching smoke and ashes and throwing large stones into the air, Mt. Aso, live volcano on Kyushu Island, Japan, erupted for two days. Aerial photo taken from northwest, shows crater opening. (NEA Telephoto)

New 'Independence' Noses Out 'Sacred Cow'

"The Independence," new presidential plane, a DC-6 transport, was unveiled for photographers in Santa Monica, Calif. The three rear windows are placed in area of conference room which can be made into a private stateroom. Windows over wings are cut in the general passenger space. When painting of the plane is completed a stylized eagle head will cover the nose. With a cruising speed of 315 miles an hour, the executive transport rates an absolute range of 4400 miles. Clues On "Miss-X" Sought By Police

Yreka, Calif., June 21 (AP) — Juvenile court officials said today that "Little Miss X" will become the ward of the court unless her parents claim the little girl who was found unconscious after being criminally mistreated.

The two or three-year-old tot is recovering in Siskiyou General hospital.

Authorities still could not identify the child. She was found last Saturday.

"Little Miss X" spoke her first complete sentence yesterday to those who were hoping that she could solve her mystery by telling her name and identify the person who attacked her.

Investigate Here

An investigation is under way in Bend checking the possibility that a small girl—reported to have boarded a southern-bound bus here Friday, June 13—may be the unidentified "Little Miss X," according to L. L. Hirtzell, sergeant in charge of the Oregon state police in Bend.

Hirtzell is awaiting photographs of the girl found in Weed. The pictures, which should arrive Monday from Sheriff Lloyd Low, Klamath Falls, will be shown to several persons here who have reported that they saw a man and woman get on a bus here with a little girl about three years old. Hirtzell said that their descriptions "more or less fitted the one of the child in California."

Church Planning Special Music

Fred Dallas, who returned to Bend recently after a concert tour of the northwest, will play two violin solos at the 11 a. m. service Sunday at First Lutheran church. His accompanist will be Mrs. Clarence Bush. Their numbers will be "Midnight Bells," by Fritz Kreisler and Schubert's "Ave Maria."

Rev. Morris A. Thompson will speak on "The Ministering and Praying Church."

SINE, MEET COSINE

Gambier, O. (AP) — The two students in Prof. William Transue's calculus class at Kenyon college here both are named Tom Smith. One is from Hubbard, O., and the other from Evanston, Ill. They are called Sine and Cosine for identification purposes.

Eagles Plan Dance To Aid Candidate

The Bend lodge of Eagles will sponsor a public dance this evening, beginning at 9 p. m. in the lodge hall. Proceeds of the affair will go to the Bend Stampede and Water Pageant association, on behalf of Vondo La Billadeau, Eagles candidate for queen of the celebration. Music will be provided by Helen Clark and orchestra, it was announced today by R. R. Newell, chairman in charge of arrangements.

Similar pageant-promotion affairs have been planned by other groups who are sponsoring candidates in the queen contest.

There are about 400,000 oil wells in the United States and they produce 4,800,000 barrels daily; the average production per well is therefore about 12 barrels.
