

# Medford Wins Hayward Relays; Bend Is Sixth

Eugene, April 17 (UP)—Medford high's Black Tornado, coached by Bill Bowerman, today held its seventh class "A" Hayward relays title.

The southern Oregonians smothered all opposition in the 11th running of the state prep event in Eugene Friday. The Tornado ran up 62 points, nearly double that of second place Klamath Falls which came out of the slaughter with 34 points.

Rest of the 21-school field was left far behind. Corvallis won third place with 28 points and Benson Tech of Portland was fourth with 23. Franklin of Portland scored 22; Bend 21, and Washington of Portland, 19½.

**Firsts Listed**

Medford won firsts in the 880-yard relay, the shuttle relay and the mile relay. Bowerman's classy crew tied the shuttle relay record of .38.8 jointly held by Hillsboro and Jefferson of Portland. The Tornado failed to crack any other marks.

Benson broke the two-mile relay mark, touring the route in 8:18.9. The old record of 8:34.8 was set by Jefferson last year. Medford also bettered the old time but finished second to Benson.

**Record Broken**

The shot put relay mark was broken by Grant of Portland with a total heave of 135 feet, 4½ inches. Old mark was 131 feet, 10 inches, also by Grant. Corvallis set a new broadjump record of 61 feet, 1 inch, breaking the old 57 feet, 7¾ inches mark set by Klamath Falls in 1946.

Today the class "B" and class "C" high schools clash on Hayward field.

**BEARS TAKE POINTS**

The Lava Bear team, coached by Bud Robertson, won points in six events at the relays, with a first place tie by Larry Standifer, Lowell Mauldin and Don Bushnell in the high jump relay topping the Bears performance.

Another good performance by the Bend boys was in the two-mile relay, where Vern Clark, Bob Brown, Tom Henderson and Don Bushnell finished third. This event was won by Benson Tech of Portland in the record time of 8:18.9, 16 full seconds under the old mark.

**Places Fourth**

In the discus, George Mansfield placed fourth with a throw of 119 feet, 6½ inches. The event was won by Bob Johnson of Springfield at 132 feet, 1 inch, a mark Mansfield has exceeded many times in practice this year. The pole vault entrant from Bend, Bill Sheffield, came out third at 10 feet, 9 inches. The winner was LeRoy Cox of Franklin at 11 feet, 6¾ inches. Sheffield has beaten this mark a number of times, but was unable to find his form at the Hayward meet.

Another point was won by Bob Brown, Don Bushnell, Tom Henderson and Don Denning in the mile relay, winning sixth place. J. W. Rhoades also picked up a point in the javelin event with a throw of 139 feet, 10 inches. That

## Los Angeles Goes Into Tie For Top

San Francisco, April 17 (UP)—Rain and a fourth straight victory over the Sacramento Solons today put the Los Angeles Angels into a technical tie with San Francisco for the Pacific Coast league lead.

The Angels were trailing by four percentage points in the standings, but were ahead by a half a game in one of the freak occurrences which sometimes crop up in baseball.

Los Angeles crept past Sacramento, 6 to 5, last night, despite two homers by the Sae's Joe Marty, who drove in the five Solon runs. The Angel win came in the last of the seventh when Ed Sauer singled home Dom Dallesandro.

**Oakland Moves Up**

Oakland, league favorites in many a winterbook, crept into the first division with the clean sweep of a doubleheader at Seattle, winning the first game, 6 to 0, on the four-hit pitching of southpaw Earl Junes, and the second game, 3 to 2.

Rain halted the scheduled battle between San Diego and San Francisco in the first inning, with the Seals ahead 2 to 0. A doubleheader between Hollywood and Portland in the Oregon city was also postponed due to the weather.

## Bowling Title At Stake In Bend Games

The Central Oregon "bowler of the year" will be crowned tonight after the last two matches of the tournament sponsored by Don Thompson. The matches are scheduled for 7 p.m. at the Cascade bowl.

Laurie Redifer, of Redmond, is leading but he will have to maintain it in two four-game matches tonight. John Stout is in second place and will meet Redifer in the first match. Redifer meets Dave Altier in the second match and Stout tangles with Fred Baughn.

Sammy Blucher, Altier and Baughn have less than two points difference. Blucher pushed his way past the other two in the last two matches. Also in the running are Bill Cerveny, Ray Wise and Lee Logan, but all will have to be "torrid" tonight if they want to be in the first four places.

## Junior Baseball Practices Booked

American Legion junior baseball practices will get under way about May 10, according to Dean Tate, who will coach the Bend team this season.

Interest in the team is running high among high school boys and Tate is anticipating a large turnout. Any boy who did not reach his 17th birthday before January 1 is eligible to play on the team.

The summer schedule of practices and games will be arranged to accommodate boys who work in the summer but still want to play.

Scheduling of games is now under way and letters have been written to Redmond, Prineville, Madras, Warm Springs and Burns, all of which are planning junior teams.

**Halbrook Gets Uniforms**

Co-operation from a number of Bend sources made plans for this season's junior team possible. Jack Halbrook purchased 16 uniforms to be used by the team and other equipment was bought by the Stevens-Chute Legion post. Valuable equipment was also received from the Elks baseball team. Financial aid to assist in coaching the team has been asked from the city government.
