Bend Bears Lose To Pelicans 80-42 In Track Meet

The Lava Bear track team suffered an 80 to 42 defeat at the hands of the Pelican thunders at Klamath Falls yesterday, with Jerry Schubert, a 202-pound junior pacing the winners with three first places.

The Pelicans grabbed 10 of the 14 first places, leaving the Bears only four. Bill Sheffield took first for Bend in the pole vault at 10 feet, two inches, and in the low hurdles with a time of 23.8 seconds. The fast time in the low hurdles was posted in spite of the fact that Sheffield stumbled and went down on one knee at one point in the race.

Bushnell, Mansfield Win
Other first place winners for the Lava Bears were Don Bushnell in the half mile and George Mansfield in the discus.

Klamath swept the 100 and 220-yard dashes with first, second and third place wins. Schubert was the winner of both these events and also took the shot put event with a heave of 43 feet 9 1/2 inches.

Sport Parade

By Oscar Fraley
(United Press Sports Writer)

New York, April 27 (AP)—Babe Ruth wound up his most crucial spring training today by announcing himself fit to go to bat again—this time in the movies.

The bambino, after a long fight to regain his health heads for Hollywood tomorrow to supervise for six weeks the production of his life story on the screen.

Ruth still isn't the burly, energetic figure whose batting prowess thrilled millions and made him a national hero. But he has come a tremendous distance back from the shadows which almost claimed him in January of 1946.

The bambino proved that yesterday as he joined the literati by introducing his book, "The Babe Ruth Story," at a private soiree. The babe looked good to those who remembered his haggard appearance after his near-fatal operation.

Then, and for months after-

ward, he needed assistance to walk. And those were really dark days for the Bam, and for the kids of America, when he barely could whisper or sit upright.

Now he is more like his old self. Those once-burly shoulders still don't extend his coat to the limit. But there's a certain spring back in his step and, while the voice still is husky, there's a sparkle in his eyes.

"Feel fine," he rasped in that whistling voice, sitting in a corner and lighting a big brown cigar.

They pushed a table up in front of him to keep away the horde of well wishers and he was flanked on one side by Mrs. Ruth and on the other by two of her friends. The babe waved to a tiny knot of sportswriters standing in another corner and then braced himself perceptibly as the crowd moved in to shake hands.

The publisher of the book threw the party and most of those on hand were his friends.

Babe finally leaned back, behind the protection of his companions, and called for a beer. And there was a happy smile on his face when the sportswriters took over.

"Phew," he said.

The babe told them that he was putting on weight and really felt much better.

Reserve Pitchers Bolster Oakland

San Francisco, April 27 (AP)—Casey Stengel has been around too long to win any billing as a miracle man—but the readers of statistics in the Oakland area were beginning to wonder today.

The Aacorns currently are in second place in the Pacific coast league standings, with a record of 15 victories and 11 defeats—one and a half games behind the San Francisco Seals.

But the mystery is this: How did they get there with most of the regular pitchers displaying losing records; and only one member on the whole squad batting above .300?

Three Pitchers Unbeaten
Key to the Aacorn success appears to lie in a trio of pitchers who are undefeated to date. One is Earl Jones, unheralded star down from Cleveland, who has won three straight tilts. Veterans Ralph Buxton and Charley Gasaway each have won two without a loss.

This week the Oaks return to Emeryville to test out their surprising "strength" against the Seattle Rainiers.

Meanwhile, San Francisco invades San Diego; Los Angeles visits the Sacramento Senators; and Hollywood plays host to the Portland Beavers.

Cleveland Indians Set Home Pace For Big Leagues

By Carl Lundquist
(United Press Sports Editor)

New York, April 27 (AP)—The Cleveland Indians, profiting by the power of example, were even outdoing their "teachers," the New York Giants, in home run production today.

With 12 homers in five games, the Indians not only are setting the home run pace for both major leagues, but they are ahead of the pace of the Giants for the early stages of their record-wrecking 1947 season.

All spring the Indians trained in the company of the Giants in Arizona and in a prolonged series of tank town exhibition games. So when it came time to start the season, a few of the Indian batsmen just naturally got the home run habit.

Get 22 Hits
Yesterday they put on the most terrific offensive display of the season, getting 22 hits, four of them homers, as they topped the White Sox, 12 to 11 at Chicago in 14 innings. Eddie Robinson's second homer of the day in the 14th gave the Indians the victory. Ken Keltner, the home run leader for both leagues with five, also connected for one and Larry Doby got the other. Keltner got only 11 homers all last season.

Last year in their first five games the Giants hit 10 homers comfortably ahead of the record pace.

Getting fine pitching to go along with their power again yesterday, the Giants scored a 5 to 1 triumph over the Phils at New York.

Stanky Gets Revenge
Eddie Stanky had his keenly awaited day of revenge against the Dodgers in Boston, sparking the Braves to a 5 to 0 triumph against the team which callously traded him away. As Bill Vosselle pitched a three-hitter, Stanky got a triple, single and a walk, scored two runs, handled seven chances perfectly, and broke up a certain double play by crashing into his old infield buddy, Peeewe Reese.

The surprising Browns took over third place in the American when Fred Sanford got the better of Dizzy Trout in a pitching duel at St. Louis, edging the Tigers 2 to 1 by scattering nine hits.

Thumping Ted Williams and Mel Parnell shared the honors as the Red Sox whitewashed Washington, 6 to 0, in a night game. Williams got three singles and a double in four times up for a perfect night at the plate while Lefty Mel held the Senators to five hits in winning his third appearance of the season.

There were no other games scheduled.

San Francisco, April 27 (AP)—Jerry Donovan, president of the class "D" Far West league, said today there would be "close competition" when circuit play gets under way Friday night.

Each club has from three to five youngsters who definitely are on their way to top-ranking status.

Play opens Friday night with Medford at Redding, Klamath Falls at Oroville, Willows at Pittsburg and Marysville at Santa Rosa. Every city in the league is equipped for night play except Pittsburg and lights will be installed there some time this summer.

Carroll Acres

Carroll Acres, April 23 (Special)—Pine Forest grange met on Tuesday evening in regular session, at which time the first and second degrees were given to Mr. and Mrs. Brian Thompson. The membership voted to give a boys' club scholarship to 4-H summer school at Corvallis. After the business meeting refreshments were served in the dining room by Mr. and Mrs. V. R. Her, and Mrs. Albert Walker.

The Home Economics club of the grange met last week at the home of Mrs. Lella Sutton. Mrs. Cary Chambers presided in the absence of Mrs. H. Dyer. Seventeen members answered roll call by giving the name of their favorite wild flower. Final plans were made for the annual church Sunday of the grange, to be held on April 25, with Rev. Allan Philip of the First Presbyterian church to give the address.

Mrs. Chambers is to have charge of the kitchen for the pot luck dinner, and Mrs. L. H. Gless and Mrs. Everett Lentz were named to take charge of the decorations. It was reported that the work on the kitchen of the hall is almost completed, with new cupboards and linoleum being installed. During the social hour delicious refreshments were served by the hostess, Mrs. Sutton, assisted by Mrs. Leo Bishop and Mrs. V. R. Her.

Mrs. Stella Nelson underwent surgery at the Good Samaritan hospital in Portland on April 21, to have a tumor removed from her eye. After a brief stay in the

hospital she expected to go to the home of a sister for a few days. Miss Beverly Switzer and Miss Phyllis Bower of Burns were guests at the Paul Marsh home while they were in Bend for the music festival.

Mr. and Mrs. Stanley Bowden moved on April 20 to their new home in Bend, adjoining their laundry which they recently purchased. The Ed Wilsons have taken possession of the Bowden house.

Mrs. Mobley is staying at the home of Mrs. Goddard in Bend while Mobley is in Portland for a week.

Miss Delma Marsh was one of a group of young people from the First Christian church who attended the state convention of the youth group of that church, held recently in Albany.

Pine Forest juvenile grange will meet on Saturday afternoon, according to an announcement by the matron, Mrs. Everett Lentz. Members are requested to bring their posters for judging. They are also asked to keep working on their nature souvenirs, as these are to be judged at the first subordinate meeting in May. The youngsters are making small craft articles from pine needles, pine cones, willow bark and such materials, and anyone having

ideas for such things are asked to contact the juvenile matron.

Mr. and Mrs. Lincoln Nedrow were honored on April 13 at a dinner given by their son and daughter-in-law, Mr. and Mrs. Ray Nedrow, in celebration of their 64th wedding anniversary. Other guests were Miss Dora Dolens, and Kenneth Nedrow. The table was beautifully decorated with spring flowers, and centered with a wedding cake. Later in the evening Mr. and Mrs. R. C. Colver and Mr. and Mrs. R. D. Shaw came in for cards.

Robert Hall of the Photo Art studio recently arranged an interesting display in a window of his shop, using the theme "Looking Back Through the Years," and showing pictures of Mr. and Mrs. L. H. Nedrow during their childhood and youth, their wedding day, and golden wedding anniversary, and up to the present time.

Mr. and Mrs. Ray Nedrow spent last week-end in Portland visiting Mr. and Mrs. Dawson Nedrow. Dawson is a supervisor for Western Electric.
