

Oregon Abandons Its Air Attacks To Beat Uclans

New York, Nov. 13 (UP)—The University of Oregon Webfoots today still were rolling along the main highway to Pasadena, Cal., and their first visit to the Rose bowl in almost three decades.

The Webfoots, who last appeared in the "big bowl" against Harvard in 1920, chalked up their sixth victory in the year in the Pacific Coast conference last night by rolling past weak U. C. L. A., 26 to 7.

A crowd of 42,700 fans in the Memorial coliseum at Los Angeles got the surprise of their lives as Oregon abandoned its vaunted passing game but still managed to overwhelm the hapless Uclans with a solid ground attack.

Sanders Ground Horse Fullback Bob Sanders proved to be the Oregon workhorse, bulging over for three of the winners' four touchdowns. Meanwhile, Norman Van Brocklyn, the Webfoots' aerial ace, rested his pitching arm, refusing to throw a single pass in the second half after completing six for 11 in the first half.

Oregon, however, was forced to share the spotlight last night with the mighty Vikings of Missouri valley who set a new all-time collegiate record for consecutive victories by humbling William Jewell college, 46 to 0, for their 40 straight. The previous mark was set by a Gil Dobie-coached University of Washington eleven at the turn of the century.

Wildcats Win
In the only other major game last night, husky Ralph Pasquariello roared for three touchdowns in leading Villanova's Wildcats to a 36 to 7 triumph over Georgetown university. Georgetown gained only 31 yards on the ground, while "cats, propelled by Pasquariello's dashes, rolled up 305 yards.

The undefeated, untied California Bears, bidding with Oregon for the Rose bowl plum, were expected to draw 45,000 fans to their home stadium at Berkeley today as they engage Washington State college. The Bears were reported near full strength as they hunted their 13th straight triumph.

In other top western tiffs, Southern California was pitted against the weak University of Washington Huskies, and the University of Utah invaded Oregon State's home quarters.

Little Trouble Expected
The three other major unbeaten powers—Army, Michigan and Notre Dame—also anticipated little more than a good afternoon of sport.

Northwestern, the Big Nine's heir apparent for the other Rose bowl bid, faced the Irish at South Bend.

A capacity mob of 78,000 was expected to jam Philadelphia's Franklin field to watch the crashing Cadets do battle with Penn. The Michigan Wolverines, meanwhile, planned to toy with Indiana at Ann Arbor.

Rod and Gun Club Building Quarters

Madras, Nov. 13—Progress is being made by members of the Jefferson County Rod and Gun club on a pretentious new club house on their 40 acres of land a mile south of town on the Metolius and Culver highway. The Warm Springs Lumber Co. has donated lumber for the structure, the cost of which will exceed \$6,000, it is stated.

Other organizations of the community, including the Madras Saddle club, are adding the recreation group in the building operations with volunteer labor on Sundays and holidays.

JESS FLORES WINS
Hollywood, Nov. 13 (UP)—Jess Flores, the nation's third ranking lightweight challenger, exhibited unsuspected punching power last night as he knocked out Del Cockayne of Des Moines in the fourth round at Legion stadium.

Sport Parade

New York, Nov. 13 (UP)—Fearless Fraley's facts and figures: Gene Sarazen, Craig Wood or Ed Dudley may be named professional golf commissioner when the P. G. A. holds its annual meeting at Dunedin, Fla., Dec. 1-3.

George Snelmer, the P. G. A. tournament manager, has failed to hold the boys in check and the pros are worried over their sliding tournament schedule since Wilmington, Del., cancelled its event slated for next week and Charlotte, N. C., and New Orleans both dropped their winter tour events because of dissatisfaction with the battling pros.

Dudley, president for seven years, had hoped to step down and have Joe Novak of Los Angeles succeed him. That would have cleared the way for Dudley's appointment as commissioner. But the Michigan section has requested its delegates to vote for Horton Smith of Detroit, so Dudley may be forced to run again... but a commissioner with real power is expected to straighten out all the difficulty.

Word from Mexico is that while Jorge Pasquel has resigned the presidency of the Mexican league he still is the sole owner. There is doubt that the league even will operate next year and, if it does, it is expected to run more in the red than ever.

Maybe you haven't noticed but Army's undefeated football team is coached by three former ends—Red Blaik, former Army all-American; Sid Gillman, one-time Ohio State wingman, and Bob Wayne, end on the '45-'46 Army teams... no end to them winning, either, unless Penn does it today.

If you are one of those golfers who wind up standing too close to your drive after you hit it, there's good news from the plastic industry. They are experimenting with a ball which will add 60 yards to your length. There's bad news, too. A British research fanatic figures that only 26.8 per cent of the energy generated in driving a ball 200 yards goes to the ball itself. The rest, he asserted, is absorbed by following through, frictional loss at the club face, sound and vibration... see, it ain't your fault.

The Hardy family is getting into Steve Owen's hair. Jim Hardy, Sr., was Oklahoma U. quarterback when the Giant coach played at Phillips. Now the Junior Hardy is quarterback of the Los Angeles Rams who might knock off Steve's club tomorrow... and Steve hasn't any too much hair, as it is.

Shamrocks Lose To Oakland Oaks

(By United Press)

The withering San Francisco Shamrocks, who have lost four Pacific Coast Hockey league games in a row, were completely humiliated last night as the Oakland Oaks buzz-bombed them 10-2.

The Shamrocks, who built a fat lead during the first weeks of the season, were not in the game with the fast-skating Oaks as the East Bay skated fired a total of 54 shots at the Shamrock goalie.

In the only other game the Portland Eagles and the Vancouver Canucks stalled each other off with a 3-3 tie. It was the first deadlocked game of the season in the northern division.

Detroit Releases Roger Cramer

Detroit, Nov. 13 (UP)—Veteran Roger (Doc) Cramer, former major league outfielder, today became the third member of the Detroit Tigers' coaching staff to look for another job.

Cramer was released by the Tigers after serving as player-coach last year and coach this year. Previously, Bill Sweeney and Arthur Mills asked for their releases to obtain baseball positions on the west coast. Sweeney went to Portland in the Pacific coast league as manager.
