OVER IN EUGENE
WE WERE accused of lacking
"dignity" in our advertising.
The most dignified man we
ever saw was in his casket.
What we try to do in our ads
is to express ourselves so folk
will understand what we are
trying to say. This brings us to
the point of this ad. It is our
purpose to specialize in the
sale of farm and ranch lands.
We think we know more about
that than any branch of real
estate - and we like it. To that
end, we have secured the services
of Ray Gerking who has
lived in this locality for the
past 40 years (gosh, that is a
long time to live in one place)
and farmed a good part of that
time, to help us, Mr. Gerking's
half is about as white as ours,
and between the two of us we
should be able to tell you if
we can sell your ranch, farm,
residence, or business. Yes,
we're a team, we intend handling
all kinds of real estate, but we like
farms best. It's probably the
coyote in us. Anyway, if you
have some real estate for sale
we would like to have a look
at it - we don't charge for that,
you know.
