

Prineville Ready For Third Annual Hereford Sale

Prineville, Nov. 21 — Consignors were beginning yesterday to deliver cattle to the pens of the Crooked River Round-up association here for the third annual sale and show of the Crook County Hereford Breeders association. It was announced by Norman Jacob, sales manager of the event. Jacob said the 1949 auction will start Tuesday afternoon with offerings of 75 selected feeder calves of all breeds mainly for 4-H club and FFA members. Seventy young Hereford bulls and 27 heifers will be auctioned Wednesday morning, with H. B. Sager, Bozeman, Mont., doing the crying. L. K. (Billie) Freeman of Warren will be here as judge of the show.

Holt to Speak
Mrs. Jerry Breese, secretary of the Hereford group, said preparations have been completed for the annual banquet Tuesday evening at 7:30 at the Ochoco inn, when Walter A. Holt, general manager of the Pacific-International Livestock exposition, will be chief speaker. Senator Guy Cordon who, it was thought would be a guest, was unable to attend when he found he had a previous engagement at Coos Bay Monday night, and would not have time to come to Prineville and then return to Roseburg for a family Thanksgiving dinner.

Highlight of entertainment at the banquet will be songs by Rev. D. L. (Penny) Penhollow, pastor of the Powell Butte community church. A group of songs also will be given by the Girls' Triple Trio of the Crook County High School association, under direction of Stephen K. Whitnev, supervisor of music in the Prineville city schools.

The Central Oregon chamber of commerce will combine its November dinner session with the stockmen's banquet, and Otto N. Hoppes of Prineville, the regional group's president, will be master of ceremonies.

BUSHONG TO SPEAK

James W. Bushong, city superintendent of schools, will give an illustrated lecture on the Bend school system, at a meeting of the Kenwood PTA, Tuesday at 8 p.m. in the school lunch room. The meeting will be the group's final session until after the Christmas holidays.

Following the program, refreshments will be served by mothers of children in the sixth grade rooms. Officers urged all parents and friends in the Kenwood area to attend the meeting.

Prineville Visited by Eagles President

A highlight feature of the visit of William H. Mostyn of Rochester, N. Y., national president of the Fraternal Order of Eagles, was the presentation at the Prineville Eagles hall, following a banquet for the national president at the Ochoco inn, of a citation to Norman D. (Scotty) McLean, acclaimed first Eagle citizen in the central Oregon district for the year. The citation was presented by Warren Jones of Newberg, past Oregon state Eagles president and now chairman of the state organization committee. McLean is shown standing at the right hand of picture, wearing badge. Jones is reading the citation, which declares that McLean the past year went far beyond activities that might have been expected of him in a devoted service in maintenance of the ambulance of the Prineville volunteer fire department. At a sacrifice of time, it was declared, he had responded night and day when called as a result of accident or sudden illness. And his devotion to the self-imposed duties, it was declared, had saved lives of fellow Prineville and Crook county residents. The national president is shown seated behind the altar.

Jeremiah Cronin Taken by Death

Jeremiah Timothy Cronin, 64, a long-time Central Oregon resident who returned to Bend three months ago after living in Portland, died early Sunday morning after a lingering illness. He had been hospitalized for some time.

Recitation of the Rosary will be Tuesday at 7:30 p.m. at the Niswonger-Winslow chapel, and funeral services will be Wednesday at 9 a.m. from St. Francis Catholic church, with Rev. William Coughlan officiating. Burial will be in Pilot Butte cemetery.

Infant Victim Of Brutal Attack

Huron, Calif., Nov. 21 (AP) — The body of a 18-month-old Huron child was found in a cotton field near here late yesterday, and sheriff's deputies reported today the child had been criminally attacked and murdered.

The Fresno county sheriff's office said the victim was Josephine Yanez, a daughter of Mr. and Mrs. Joe Yanez. Officers said the parents reported the child had been kidnapped from their car in front of a Huron dance hall early Sunday morning.

Deputies searched all day and didn't find the nude body of the little girl until late yesterday. The child's head was jammed in a muddy furrow of the field.

Chief deputy coroner L. R. Webb said an examination indicated the child had been attacked and then smothered in the mud.

Sheriff's deputies said a 21-year-old Huron laborer was booked early today for questioning in the case, but declined to reveal whether he was arrested as a suspect.

CLAIMS EVERYTHING

Atlanta (AP) — The Legal Aid society here decided not to press the claims of the man who asked for help in getting custody of his wife's five children. The unnamed applicant said he had been married two weeks. He wanted a divorce and custody of the children.

"Are the children yours?" a society worker asked.

"I'm sure some of them are," he said, "but I want them all anyway."

STORM WARNINGS UP

Portland, Nov. 21 (AP) — The weather bureau said small craft warnings were ordered hoisted today from Grays Harbor, Wash., to Cape Blanco, Ore., and were continued from Grays Harbor to Tatoosh island and through the Strait of Juan de Fuca for southerly winds up to 35 miles an hour.

3 Negroes Shot During Dispute Aboard Street Car

Birmingham, Ala., Nov. 21 (AP) — Three Negroes were shot on a street car last night while passengers piled out the windows to escape flying bullets.

M. A. Weeks, conductor of the car, said he "emptied" his pistol at Samuel Lee Williams, 34-year-old Negro. He claimed Williams grabbed his arm during an argument over the Negro's determination to sit in the white section of the car.

Two other Negroes, Amos Cross, 24, and John Carlington III, were hit accidentally in the leg and hip by stray bullets, police said. No other passengers were injured.

Weeks was questioned by officers who arrived at the scene shortly after the shooting but he was not held and no charges were placed against him.

Seriously Wounded
Weeks said Williams boarded the car and took a seat in the front section reserved for white passengers.

He said he instructed Williams to go to the Negro section in the rear and that Williams complied but began cursing after moving. Weeks said he then went to the back of the car to quiet the Negro and raised his arm in a silencing gesture. He said Williams grabbed his arm. In the ensuing struggle the conductor said he drew his pistol and "emptied" it at Williams. The Negro was struck in the abdomen and was seriously wounded.

Negro witnesses to the shooting had a different version. They said Williams was muttering but did not use profanity. They said the Negro did not seize Weeks' arm until the conductor drew his gun.

Other passengers on the trolley were thrown into confusion by the sudden outburst of gunfire and leaped from windows to escape the rain of lead.

A Hollander is said to have invented a telephone apparatus with a new automatic telephone-number selector which works twice as fast as the present dial system.

ALL JONESES Pacific Grove, Cal. AP—Police Sgt. Herschel Jones investigated a truck-auto smashup here. The truck was driven by Bernard Jones and the car by Ray G. Jones. None was related.
