California Victory Over Stanford Will Send Bears To Bowl With Perfect Mark

By HAL WOOD
(United Press Sports Writer)
San Francisco, Nov. 21 (UP)—One of the most brilliant jobs of juggling of player personnel today paid off for Coach Lynn (Pappy) Waldorf as he prepared to lead his University of California Bears to their second consecutive Rose bowl visit.

Preparing to take it easy for a few days following the Bears thumping championship victory over Stanford Saturday by a score of 33-14 Waldorf could look back upon:

1—The Bears' second consecutive undefeated regular season of football.

2—A second consecutive Pacific Coast conference championship.

3—A record of 29 victories in 31 starts in the three years he has been coaching at California. "But this year's record is the most satisfying," says Waldorf. "We didn't expect to go through the season unbeaten—and nobody else thought we would, either. But our boys just wouldn't stay licked."

Often Came From Behind
No statement was ever more true. Seven times in 10 games this year the Bears have come from behind to win—and that's something that doesn't happen every season.

course, was the answer. He lost since the end of last season by one reason or another other than graduation, the services of such men as all-American Jackie Jensen; back Billy Main, end John Cunningham and center Doug Duncan.

In fact, the star of Saturday's triumph over Stanford, was just another case. Jack Swamer, all-coast in 1948, was injured the day before the season opened. He never suited up for a game until two weeks ago when he went in on one play against Washington

Oregon Staters Defeat Oregon In 1949 Finale

Corvallis, Nov. 21 (UP)—The Oregon State college Beavers, who opened their Pacific Coast conference season with a new coach and a whimper, had closed it today, with a bang!

The Beavers finished first among northwest teams in the conference with four wins and no defeats, and fifth in the "big" register with five wins and three setbacks.

At Eugene Saturday, the Beavers romped out on the field seven-point underdogs, but rallied in the second half of their annual, civil-war clash with Oregon to win, 20-10.

Trailing, 3-0, after a first-half field goal by Oregon's Chet Daniels, the bruising Beavers scored the first time they got the ball in the second half and added more tallies before the dazed Ducks could recover.

Oregon's negro halfback, Woodley Lewis, provided the thrill of the game when he returned a punt 92 yards for the game's final touchdown.

Many Sophomores
It was the sixth victory in the last seven games for Coach Kip Taylor's sophomore-packed Oregon State team, which the week before turned in one of the season's major upsets in defeating Michigan State, 25-20.

At Tucson, Saturday, Michigan State's bid to regain lost prestige wound up in a 75-0 rout of the University of Arizona Wildcats.

All coast candidate Ken Carpenter, a true triple-threat, and sophomore halfback Bill Sheffield led a 58-yard Oregon State drive (Continued on Page 10)

Syndicate Taking Over At Cleveland

Cleveland, O., Nov. 21 (UP)—A "syndicate of seven" headed by the local insurance executive Ellis Ryan today takes over the control of the Cleveland Indians from President Bill Veeck for \$2,200,000.

All that remained was the formal signature ceremony in Cleveland stadium at 11 a.m.—a last touch before a battery of cameras by Veeck, the fabulous promoter who said he was selling out because he "needed the money and a vacation."

Ryan will become the seventh president of the team since 1900. He and his Cleveland associates in running the club will get the Indians' old league park, valued at \$100,000, and minor league teams at Wilkes-Barre, Pa., Bakersfield, Cal., Tucson, Ariz., and Burlington, Ia. They also get some 400 minor-league players, besides the 40 Indians.

Veeck and his associates stand to clear about \$700,000 in the deal, since they paid about \$1,500,000 for the club on June 21, 1946.

Cash assets turned over to the new group amount to about \$400,000, the same amount Veeck got when he purchased the team from former owner Alva Bradley.

Veeck's end of the profits will be slightly less than 30 per cent, but because of the operating profits which enabled him to pay off loans he negotiated in buying the Indians, he figured to come out of the deal with nearly \$500,000 as a reward for his intensive promotional efforts.

BOWLING ALLEY PLANNED

Prineville, Nov. 21 — Dale Cowles and Chet Nelson of Waldport were here over the week end investigating sites with the view of establishing a bowling alley. Nelson operates a bowling alley at Waldport.

Cleveland Browns Again Champions

New York, Nov. 21 (UP)—The Cleveland Browns, still in the same old rut with their "stereotyped" attack, today boasted their fourth straight All-American football conference championship.

Coach Red Strader of the New York Yankees said last week that the Browns were coasting along as usual, depending on Otto Graham's passing, and that his team would beat them at Yankee stadium yesterday. As usual, the Browns depended on Graham and also—as usual—Cleveland won, 31 to 0. It was the 10th time the Yankees have pointed for the Browns and failed.

In other conference contests yesterday, the Los Angeles Rams beat the Baltimore Colts, 21 to 0. In the National league, the Philadelphia Eagles routed the New York Bulldogs, 42 to 0; the Chicago Cardinals and the Los Angeles Rams played a 28 to 28 tie; the Chicago Bears beat the Washington Redskins, 31 to 21; the Pittsburgh Steelers defeated the Green Bay Packers, 30 to 7; and the improved Detroit Lions downed the New York Giants, 45 to 21.

Bowling

In an intercity match here over the week end, the Redmond Co-op Creamery keggers won the final two games and total pins from Halbrook Motors. The motormen made it a match in the first game by winning by a three pin margin. Scott from Redmond was high man with games of 204-166-182 for a 552 series. Ray Smedley, with a 506 series, was high for the Bend team.

Ohio State Set For January 1 Pasadena Jaunt

New York, Nov. 21 (UP)—The sweet scent of roses surrounded California and Ohio State today, while nine other football teams sniffed the air for traces of sugar, cotton or oranges.

It was the annual bowl bid bedlam in full swing. California and Ohio State unofficially clinched their Rose bowl invitations Saturday when Cal beat Stanford, 33-14, for the Pacific coast conference championship and Ohio State tied Michigan 7-7, for the Big Ten conference co-championship.

That left Oklahoma, Rice, Baylor, Virginia, Maryland, Villanova, Wyoming, Tulane and Miami (of Florida) in the running for the other three big post-season classics.

Oklahoma, only undefeated and untied team in the lot, seemed assured of a Sugar bowl post after walloping Santa Clara, 28-21, but still must play three defeated Oklahoma A. & M. this week. Otherwise, the bowl assignments were anyone's guess—including the bowl people. Baylor and Rice battle it out come Saturday for the southwest conference title and the home team spot in the

Only 17 Football Elevens Still Hold Unbeaten Rank

New York, Nov. 21 (UP)—A lean 17 teams remained today in the ranks of the unbeaten and untied college football teams, and not even the Cleveland Browns or Philadelphia Eagles are going to knock 10 of them out of there.

They are through for the season and their record stands proudly although some of them may be lured into post-season bowl games where they could be beaten.

Only four of the 17 teams were so-called "big leaguers"—Notre Dame, Oklahoma, California and Army—and three of these could get smirched right in the middle

Cotton bowl. Rice is unbeaten in league play after a 20-14 win over TCU. Baylor has lost one, and last licked SMU, 35-26.

Tulane was rated a possible Cotton bowl visiting team. Loser to Notre Dame and lucky to get a tie with Navy, the Green Wave bounced back into the show by handing Virginia its first loss of the season, 28-14. Virginia still is a bowl possibility, but must meet North Carolina come Saturday.

of their escutcheons next Saturday, though it isn't likely. The teams which are finished with all-victorious records are California and Emory & Henry of Virginia with 10 wins each; Wayne, Neb., Teachers and St. Vincent of Pennsylvania with nine apiece; and Lewis college of Illinois, Hanover of Indiana, St. Ambrose of Iowa, Trinity of Connecticut, Hillsdale of Michigan and Ball State of Indiana with eight.
