## Answer Filed In Damage Suit

An answer was filed Saturday in the Deschutes county circuit court by the defendant in the case of Dewey Shorbert versus Tim O'Keefe, the record shows.

Shorbert seeks a judgment of \$6,500 against O'Keefe for injuries he received in an attack by the defendant, according to his complaint.

Shorbert accuses O'Keefe of making an unprovoked attack on him in May of this year. He states that O'Keefe struck him in the face and shattered his glasses and caused his left eye-ball to be cut. Because of his injuries, the plaintiff was unable to work for approximately two months, the complaint states.

Shorbert seeks \$1500 in general damages; \$3,500 in punitive damages; \$950 in special damages, and \$500 for future medical care.

In his answer O'Keefe denies that he made an unprovoked attack on the plaintiff, and states that he merely defended himself from an attack by Shorbert. O'Keefe asks that the case be dismissed.

## Lois E. Larson Rites Wednesday

Lois Eloise Larson, 22, wife of Ivan Larson, 652 E. Kearney, died early Sunday at the home of her parents, Mr. and Mrs. W. F. Gibson, 815 Greenwood, where she was being cared for during a serious illness. She was stricken about two months ago.

Funeral services will be held Wednesday at 2:30 p.m. from Niswonger-Winslow chapel, with Rev. Vincent S. Larson, of Trinity Lutheran church, officiating. Burial will be in Greenwood cemetery.

In addition to her parents and her husband, Mrs. Larson leaves two children, Bruce, nearly 3, and Susie, 6 months. She was a graduate of Bend high school.

## Stocks Steady In N. Y. Market

New York, Dec. 5 (AP) — Stocks steadied at about their best levels of the year today in active trading.

Changes throughout the list were small either way with a good part of the leading issues holding around their previous levels.

The market ran up to further three-year highs earlier in the session, but at noon the list reacted and prices slipped from their highs. Market experts attributed today's mild reaction to profiting because of the recent sharp advance in the market.

A gain of more than 2 points in Allied Chemical was responsible for the industrial stock average showing a very slight gain. Railroad stocks, which have sparked the recent advance, tended lower. The average, however, was bolstered by Nickel Plate, which moved up more than 3 points.

Investors were cheered somewhat by the latest steel operating rate.

Celanese Corp. dropped more than a point on the announcement that the justice department had filed an anti-trust suit against the company.

## THE DIRT MERCHANT'S OPPORTUNITIES

Only a very short distance from Redmond we would like to show someone 155 acres; modern home, perfect location; this ranch has advantages that some do not have. School bus at the gate. We think this is a real buy at \$13,000, with terms.

Mr. Farmer, if you would like to own a ranch with artesian water, we would be glad to show you 480 acres. Good home, good out-buildings, keen location, and again we're telling you it has artesian water.

Near Redmond, in the right spot, we have a keen 80 acre ranch, good bldgs., for \$13,000.

Yes, sir, we could go right on with you to a 160 acre ranch for \$8400.

For a combination set-up with 1800 acres and it's a good one, folks. Price \$45,000, equipped.

We have a very good 80 acre set-up for \$5000.

Overlooking the Deschutes River, with a beautiful view, we have an 80 acre farm, all seeded to hay and pasture. One of the best modern 2 bedroom homes in central Oregon, wired for electric range. This is a sweet set-up near the highway.

Terrebonne Valley needs no introduction. However, we would like to introduce a buyer to a 400 acre set-up in that prosperous district. Keen, 5 room, decorated home; large barn and poultry house. Price \$8,000, terms.

Now, Mr. Buyer, if you're stock-minded, we can show you stock ranches that will make you weep — and the owl won't be chasing you, either. These better stock ranches are located at some distance in the heavily timbered grass area. Yes, sir, creek at the front yard; that's something we want to tell you the sun is shining in Central Oregon and our jeep is raring to go. Just give us a ring; we will do the rest.

1600 acre set-up, located on highway, 10 r.m. home, beautiful yard. Stock sheds and barns. As sure as you have ears on your boots, this man would make someone a trade for a larger set-up, preferably in Canada. Whatever you have to offer, let us have it.

As we go along, we must tell you we are offering a 320 acre ranch under one of Central Oregon's better water rights, 176 acres under irrigation. This is a real combination set-up for the man who would like to run some stock and farm. Good home on this place; good outbuildings, included, a good herd of Hereford cattle, sheep, hogs; and everything goes. Mr. Man, there is 94 acres of alfalfa on this ranch.

We would like to give the public a description of all the possibilities we have to offer, but our sack is too short. We would suggest that you stop at our office and look at our offerings.
