## Veterans, College Squad, Jayvees Win Hoop Tilts

By Dick Daoust  
Stevens-Chute post American Legion, the Bend Junior Varsity squad, and the Community college quintet all emerged victorious in independent league action last night on the high school maple court. The Community college wound up on the long end of a 33-26 score to defeat Heath's Ice Cream in the opener, while the Junior Varsity crew downed the Junior Chamber of Commerce five, 37-20, and American Legion won the finale from West Side tavern by a 63-33 score.

In the Community college-Heath's contest, the college boys got off to a flying start, leading at the end of the first stanza by 9 points. Heath's bore down, however, and trailed at halftime by a slim margin, 18-14. The college jacks rallied again, and posted a 10-point lead, 29-19, at the opening of the final quarter. Heath's made a last desperate attempt in the last few minutes, but it was staved off with the final score 33-26 in favor of Community college.

**Aiken Leads Scoring**  
John Aiken of Community college was the game's high man with 10 points, closely followed by teammate Bill Plath with 9, and Heath's Tom Niebergall with 8 points.

The Junior Varsity-Jayvee tilt was a toss-up, with neither team leading by more than 3 points, until the fourth and final period, when the Junior Varsity set up a barrage of the hoop to score 20 points, over twice as many as they scored in the first three quarters of play. At the same time, the Jayvees were held to 4 points, making the final total 37-20 for the Junior Varsity.

High individual scorers were Dick Gates, Jayvee center, with 11 tallies, and the Jayvee captain, Al Gray, who bucketed 8 points.

**Legion Wins Easily**  
The Legion, paced by the Fox brothers, who together accounted for 46 points, seemed to have the situation well in command throughout the game, with West Side trailing by 20 points at halftime. This lead was gradually increased throughout the second half to the final 30-point margin, 63-33.

The Fox boys, Delano with 25 points, and Howard with 21, copied scoring honors, followed by Darrell Thompson with 15 counters. John Butler was high scorer for West Side with 11 points to his credit.

Officials at last night's league games were Bill Overman and Cliff Rich, both of the high school faculty.

## Lakeview, Burns Hoop Teams Will Invade This Week End For Games With Lava Bears

Lakeview and Burns high school hoop quintets tomorrow and Saturday will invade Lava Bear territory for their second matches of the current season with the Bruin basketballers. In previous meetings this season the local hoopsters, coached by Roger Wiley, handily set down the visiting teams.

Against the Lakeview team the Bears scored 54 points to 33, and over the Burns squad the Bruins tallied 40 points to 29. So far this season the Bears have won seven games while losing only two. In Big Six league competition they have scored two victories, over Corvallis and Albany, and have lost only one to Salem, the league leader.

**Practice Foul Shots**  
In practice this week Wiley has put heavy emphasis on foul shooting. This past week end the Bears did well against the Albany squad from the free throw line, hitting .800 per cent.

In intra-squad competition yesterday captain Bob Hawes topped the rest of the Bruin hoopsters in foul shooting, but was followed close behind by Vernon Sampels. Tomorrow night's game, scheduled for 7:30, will match the Bears with Lakeview, and the following night Burns will oppose the local squad.

his indigestion and DiMaggio's \$100,000.  
**How About the Truth?**  
A little truthfulness and less guess-work would alleviate this situation.

Now baseball men are notoriously closer than a dead heat when it comes to whipping out a wallet. Ball players are particularly a social set which considers a nickel a fairly stupendous gratuity for a waiter, so not too many of them can be listed among the nation's upper payroll strata. But your magnate will do almost anything to keep down the bite.

The Yankees went to Fordham one day to offer Hank Borowy a bonus. Borowy agreed but Krichell had to dig up a fountain pen. When he returned, Borowy had raised the ante \$900. Krichell has carried a pen ever since, showing you to what lengths they'll go to save a few dollars.

And, despite the increased number of athletes who actually study, there are quite a few who aren't mental marvels. There was one player who was offered 31-hundred dollars to sign.  
"Nothing doing," he said. "I get \$3,000 or I don't play."

## Bend Bowling Results

**MERCHANTS LEAGUE**  
Russell's Shell service last night continued bowling at a winning pace and nicked the Bend Troy Laundry five by all four trips.

In other matches Trailways and The Waldorf won three points apiece from The Pastime and Post Office, respectively, and Greenwood Grocery and Midget Drive-in split two and two.

Russell's Shell service rolled high series of 3049.  
Scores follow:  
Russell's Shell: Wallan, 288; Bradbury, 515; Hufstader, 248; Russell, 508; Anderson, 481; Shick, 355. Total 3049.

**WOMEN'S MAJOR LEAGUE**  
The Smoke Shop and King Coal Keglers last night posted four-point victories over Gregg's Banner Bread and Bend Cafe, respectively, while Freeman's Tackle and Bend Dairy split two and two.

The Keglers hit a 850 game and 2380 series to take team honors, while Olga Norcott with a 192 game and 511 series took individual honors.

(2nd game, Burns J. V. vs. Bend Cubs)  
Admission: 25c, 40c, 70c, Reserved Seats at City Drug.

## Salem Business Men Make Offer For Senators

Salem, Jan. 26 (UP)—Twelve Salem business and professional men have reopened negotiations to buy the Salem Senators baseball club from the Portland Beavers.

The group, headed by Howard Maple, met Wednesday and drew up an offer that has been submitted to Bill Mulligan, general manager of the Portland-Salem club.

The offer, mailed to Mulligan, was not disclosed in detail. If the offer is accepted, the group will form a corporation and take over immediate operation of the club.

The Senators are expecting to go into spring training either here or in Corvallis.  
As spokesman for the group, Maple said:  
"We have enough money to swing the deal, if Mulligan will accept it. The men in the group have gone over each point of the offer carefully and believe it to be a good one."

Other attempts to buy the Senators club by local interests have fallen through because the offers did not include enough money to interest the Beavers.

The current group is reported ready to pay a substantial amount of cash for the local holdings.

## Bluebacks Main Idaho Panfish

Sandpoint, Ida., Jan. 26 (UP)—The scrappy rainbow and the colorful cutthroat are the most popular among the small game fish in this area.

But a day-in, day-out basis, it's the little-glorified kokanee which provides the average fisherman with the most sport and biggest catches.

At big lake Pend Oreille here, the kokanee (also known as blue back salmon, silver salmon, sockeye salmon and red fish) is so plentiful that the state doesn't even put a limit on them.

However, neighboring Washington regards this very edible panfish as one of its finest "family fish resources."

The kokanee first appeared in lake Pend Oreille seemingly from out of nowhere in the early 30's. It multiplied rapidly and more and more fishermen went after the bluebacks.

**Many Huge Catches**  
During the post-war years of increased fishing, some sportsmen began to worry about the take of kokanee from Pend Oreille. Many fishermen came in with catches from 100 to 200. There is one report of eight fishermen taking home a total of 1300.

But still, biologists of the Idaho state fish and game department insist that there is no reason to put a limit on the panfish.

The game department said the annual "run" into the streams which feed lake Pend Oreille last November and December was the largest on record. Unlike other specie of Pacific salmon, the kokanee is able to live and mature in fresh water.

There is another reason why fishermen are grateful for the pint-sized kokanee. If it were not for their being in lake Pend Oreille, there wouldn't be any kamloop rainbow trout of giant proportions.

For the blueback is the blue plate special which is primarily responsible for the phenomenal growth of the kamloops.

Three top items on a government list of plentiful foods for January, 1950, are winter pears, dried beans and peas, and sugar cane syrup and molasses.

## Tag Team Bout Slated Tonight

A tag team mat tussle with Mike Nazarian and Karl Gray, two rough ring meanies, opposing Kack Kiser and Danno McDonald, two scientific style wrestlers, will be featured as the main event of tonight's mat card at the national guard armory in Bend. The bout is scheduled for one hour.

The semi-final windup of 45-minute duration will feature Dale Kiser and Glen Detton. There also will be two 15 minute preliminary bouts with McDonald matched against Gray and Nazarian matched with Kiser.

## Portland Track Sale Considered

Portland, Jan. 26 (UP)—A Stockton, Calif., attorney, C. G. Cunningham, said here today he hoped to buy the Portland Meadows race track "for a bargain" in order to set up harness racing programs.

A foreclosure suit was filed by the First National bank of Portland against the \$1,500,000 track Monday for \$441,000 of a \$481,000 mortgage in arrears.

Cunningham said he was representing a group of California business men who want Portland Meadows for their harness racing hobby. He said the business men were willing to pay the bank only what it had coming on the mortgage, or less. "Otherwise the track can just sit there," Cunningham said.

Cunningham said he thought harness racing would be successful at the track because "the profit motive is not a factor." Although running races would be held, he added, the emphasis would be on harness racing.

## DRUGLESS CLINIC SINUS

Sinus trouble usually results from poorly managed or improperly treated head colds. To suppress or cover up the distress of a cold does not correct the trouble, but allows the toxins and other factors to remain and manifest in another form, such as sinusitis. Natural methods of removing and correcting the systemic conditions at fault are essential. THERE IS NO SUBSTITUTE FOR NATURAL HEALTH.

## Stan Rojek Again In Close Escape

North Tonawanda, N.Y., Jan. 26 (UP)—Stan Rojek, baseball's "Hairbrush Harry," said today "he saw the handwriting on the wall" when he was trapped in a flaming milk truck.

The 29-year-old Pittsburgh shortstop had his latest brush with death yesterday when his younger brother, Ted, rescued him from the burning truck. The Rojeks were delivering milk for their family's dairy when the truck caught fire and Stan fell unconscious.

It was nothing new for Rojek. Last May he was almost killed when he was beamed by Rookie Ken Johnson of the St. Louis Cardinals in a night game. He was unconscious for almost 10 minutes and in the hospital for several days.

## Happy Is The Day When Backache Goes Away . . .

As we get older, stress and strain, over exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
