Soroptimists Plan Events; Hear Speaker

At their meeting last night at the Pine Tavern, members of the Bend Soroptimist club set dates for two public affairs to be held in April. A canasta party will be held Friday night, April 14, in the library auditorium, and a square dance and talent show, to provide a variety of entertainment, is scheduled for Saturday night, April 29, in the high school gymnasium.

Guest speaker at the meeting was Orval Etter, far west secretary for the Fellowship of Reconciliation, an international inter-faith peace organization. Mrs. George Simerville, who entertained Etter and a group of history and sociology students at a fire side later at her home, was also a guest of the club. Mrs. Simerville is vice-president of the Oregon commission for UNESCO.

Etter, in offering suggestions for formation of an international union, stressed the current awareness that more and more, the nations are members of a world-wide community. Human blood is remarkably similar in all mankind, in spite of race and color, he pointed out.

The speaker reiterated his conviction that goals set up for the formation of an international government should not interfere with the possibility of achieving such a federation. There should be no psychological, ideological or geographical restrictions for membership, he emphasized, declaring that membership should not be limited to the so-called "peace loving" nations.

Etter warned of the pitfalls of a theory for establishing a "pax Americana" following a war to "clean up" aggressor nations and bring them into line. Any move towards world government, based on the exertion of American military might, or economic power, would lead only to chaos, he said.

An international police force, which would be actually an international army, could be described as nothing but an "international massacre force," he said.

He said that rather than setting up an international constitution and by-laws as a starting point, the workable method is to first establish international good-will and brotherhood, with rules to be worked out by representatives of the people, not representatives of political units.

Etter was introduced by Mrs. Max Millsap, program chairman for the club. Miss Zola MacDougall, club president, had charge of the meeting.

Nile Club Sees Colored Slides At Meeting

Colored slides of the restoration of Virginia, showing early American customs in Virginia colony, were shown by Major and Mrs. Ralph French, who were guests of the Bend Daughters of the Nile, at a luncheon meeting Wednesday afternoon at the Pine Tavern. Among the landmarks shown in the pictures were the St. Johns Tucker house, the Yorktown marker, erected in 1890, and the Moore house, erected in 1781. Colorful colonial costumes added to the appeal of the pictures.

The occasion was the Nile club's guest day, and visitors in addition to the Frenches included the following: Mrs. Lee Bates, Mrs. Arthur C. Stipe Jr., Mrs. Alfred Herrling, Mrs. Duncan McKay, Mrs. Francis Hutchins, Mrs. Ernest Gasbar, Mrs. Harry Anthon and Mrs. G. A. Horstlotte.

Two new members, Mrs. Harold S. Harbour and Mrs. Virgil Henkle, were introduced.

Members were requested to turn in tickets and money for the style show and tea to Mrs. J. A. Dudley or Mrs. N. E. Gilbert, without delay.

NOW IT'S YOUR TURN TO BLOSSOM OUT

You've seen it happen with the family down the street, the friends across town, the folks you went to school with. They started out, as most folks do, with a car of modest size—and still more modest price. Maybe they moved themselves up a bit, step by step, to the top-bracket models in that particular price range. Then they discovered something. It doesn't cost much more—sometimes no more—to really blossom out in a Buick. It's not such a long stretch to take command of a great-hearted valve-in-head straight-eight—to move into the room and restfulness and steady going of a Buick—to cloak yourself in styling that's today's height of highway fashions. You can know the good, satisfying feel of a Buick wheel in your hand—you can have the gentleness of soft coil springs on all four wheels—you can revel in the handiness of cars that are big in room and big in repute, yet traffic-sized and easy to park and put away. Maybe—who knows till you inquire?—you can manage the magic silkiness of Dynaflo Drive\* in all its 1950 perfection—of a certainty you'll find the model that's twin to your heart's desire among the many choices Buick gives you for 1950. So why not make this your year to blossom out in a Buick, as so many have before you? Why not
