Murry Dickson Gets Revenge From Cardinals

By Carl Lundquist
(United Press Sports Writer)

New York, April 21 (AP)—Murry Dickson, a bitter little man whose own heart was broken when he was traded from St. Louis to Pittsburgh, kept right on piling up revenge today against his old Cardinal pals and teammates.

It wasn't enough that he defeated them five times last year, winning four games in vital situations when the Cardinals were battling the Dodgers down the stretch. He wreaked vengeance again yesterday, pitching a typically steady six-hitter as Pittsburgh won an 8 to 4 decision and took the odd game of the series off three.

Dickson made no secret of his feelings when the Cardinal brass hats sold him to Pittsburgh for \$135,000 without consulting Manager Eddie Dyer. Dyer also was openly unhappy about the situation because Dickson long has been one of his favorite pitchers and "a guy I could always count on if we had to win a tough one."

Cardinals Grumble
And it was understandable, too, that there was plenty of grumbling in the Cardinal club house after some of those tough defeats at the hands of an old friend.

"That guy ought to be on our side instead of against us and then we'd all be picking up the world series dough," said one key Cardinal player.

The same sentiments probably were echoed yesterday, particularly because the Pirates gave the erstwhile best St. Louis pitcher, Lefty Howie Pollet, a thorough going over. Ted Beard, Pittsburgh leadoff man, hit Pollet's first pitch for a first inning homer, and Howie was batted out of the box when he was tagged for three more hits and three runs in the second inning.

His successors fared little better. Five Cardinal pitchers being used after the game was beyond recall. Jackie Phillips highlighted a four-run fourth inning with a Pirate homer, Beard, Wally Westlake, Stan Rojek and Phillips came up with two hits apiece in the 10-hit Pirate barrage.

Tigers Win
At Cleveland, the Tigers made it two in a row over the Indians, winning a 5 to 4 decision behind the steady six-hit pitching of Ted Gray. Gray, given an early lead when the Tigers blasted Early Wynn for three runs on three hits in the first inning, escaped serious trouble until young Al Rosen hit a two-run homer in the ninth.

Rosen, getting his second homer in as many games, came up after Gray had hit Lou Boudreau on the elbow with a pitched ball, forcing him out of the game with a bruise that will keep him inactive for a day or so.

Pat Mullin and Johnny Lipon came up with two run doubles to pace Cleveland's well-bunched six-hit attack. After Wynn was knocked out in the fourth, Marino Fioretti, acquired on waivers from Chicago, pitched three hitless innings for Cleveland.

All other major league games were rained out.

Stranahan Faces Red-Hot Rival
Pinehurst, N.C., April 21 (AP)—Although he faced a red-hot rival in today's semi-final round, millionaire Frank Stranahan was regarded as a prohibitive choice to defend his title in the north and south amateur golf tournament.

The Toledo, O., star was matched against Wynsol K. Spencer of Newport News, Va., current New Jersey and New York metropolitan champion, in the 36-hole semi-finals.

The other semi-final paired W. C. Campbell of Huntington, W. Va., and J. Walcott Brown of Manassas, N.J.

Stranahan, who has been favored from the start and has met each challenge with increasing ability, was at his best in the quarter-finals as he trounced tough Jack Culp Jr. of Chicago, 5 and 4. After losing the first hole as Culp birdied, the blond champion won the second, third, fourth, eighth, and ninth holes to reach the turn with a commanding four-up lead.

It would be hard to fault Spencer's game in the quarter-final either. For he did not lose a single hole as he downed J. A. McBride of Ridgewood, N.J., 4 and 3.

Campbell shot even par golf for the 15 holes it took him to defeat Ray L. Pittman of Fayetteville, N.C., 4 and 3. He reached the turn two up, won the 10th and 13th and halved the next two.

Brown, former New Jersey champion, had the most difficult time of the quarter-final victors before downing W. W. Markham of East Hampton, Conn., 2 and 1.

Beavers Smack Two Homers, Take Oakland Acorns Into Camp in Coast League Play

By Jim Cooper
(United Press Sports Writer)

San Francisco, April 21—Portland's determined Beavers smacked two home runs and executed a slick triple play last night to subdue Oakland's Acorns 9 to 1 and move up a notch in the Pacific coast league standings.

The Beavers edged into third place past San Francisco, despite the fact that the Seals also won their game, knocking over Sacramento's Solons 8 to 5 on the Solon home grounds. It was a matter of percentages, with Portland holding a .002 margin over the Seals.

Both teams are five games behind the first-place Hollywood Stars who used pitcher Pinky Woods all the way in overrunning Seattle 15 to 4.

The San Diego Padres at the border city shut out Los Angeles 6 to 0 to strengthen their second-place seat in the standings.

Triple Play Seen
At Oakland, 3,789 otherwise disappointed fans witnessed the triple-play thrill in the last of the ninth. Portland turned what might have been an Acorn rally into defeat. Red Lynn walked, third baseman Bill Herman and George Metkovich. With Don Fracchia running for Herman, Earl Rapp hit a sizzling line drive to Portland's Ed Basinski on second. He tossed to shortstop Joe Polich, doubling off Fracchia, and Polich relayed to first baseman Mickey Roceo for the triple.

San Francisco at Sacramento was behind all the way until the top of the ninth. The rally started as Dick Briskie reached first base safely on an error. Ray Orberg walked and Jack Tobin doubled to score Briskie. Tony Freitas, who had relieved Junior Thompson on the mound, walked Neil Sheridan, and then prize slugger Les Fleming stepped up and clouted a round trip blast with the bases loaded. Sacramento could not come back after that.

Hollywood Powerful
Hollywood led Seattle from the start and came up with a seven-run eighth inning. That was after Frank Kelleher knocked a home run with the bases full in the fifth to clinch the Stars' third win this week over the hapless Rainiers.

Red Embree pitched the shut-out for the Padres, grabbing his first win of the season. He allowed two hits in the first inning and two in the seventh with nothing between. All four hits were singles, and in each case he was saved by double plays.

WRONG TECHNIQUE
Knoxville, Tenn., April 21 (AP)—Mrs. Rita Hein Schiffers said in a divorce suit on file here today that she found out her husband was going out with other women by checking baseball schedules.

She said Joseph K. Schiffers Jr. told her on April 7 he was going to see the Pittsburgh Pirates play and it turned out there was no game that day.

Dillinger, Ellis Kinder, Gerry Priddy and Jack Kramer.

"We sold those players," DeWitt explains, "simply because we needed money to keep operating."

The Browns still can use money. But in its place that temporary first place perch does nicely.

Youngsters on Club
It is a toss-up around the league as to which club is dismissed more lightly—the Browns or the Senators. But Taylor is sincerely convinced that his fledglings will cause havoc among the circuit's strongest contenders.

"The youngsters on our club are fighting for their jobs," reasons Taylor, "so they're bound to cause the other clubs plenty of trouble."

The youngsters Taylor speaks of include such big league novices as infielders Don Lenhardt, Tom Upton, Billy Demars, Owen Friend, Sid Schacht and Ken Wood, none of whom even set the minors on fire.

Just to set the record straight, the Browns' management never was elated about having to peddle such stars as Vern Stephens, Bob

Bob Cummings Retains Coast Wrestling Title

The Pacific coast crown heavy-weight wrestling title still rests atop the head of Bob Cummings today after the title holder defeated challenger "Gentleman Dale" Haddock in a furious championship bout at the Bend armory last night.

Cummings used his famous knee-action leg binder hold to good advantage in taking the last two falls of the match, after Haddock had won the first fall in 12 minutes with a hangman's hold.

It was "Gentleman Dale's" first defeat since invading the northwest several months ago.

In winning the match, the champion proved to be just as adept as Haddock in the art of catch-as-catch-can wrestling. Again and again the Gentleman reached into his bag of tricks in an attempt to uncrown the champion only to have his underhanded tactics turned against him with advantage by Cummings.

The Seaside strong boy knows all the "angles," local fans agreed after the match.

Semi-Final Interests
The semi-final match on the card between Al Szasz and John Faych proved to be one of the most interesting exhibitions of scientific wrestling held here in recent months. The bout ended in a stalemate, after Szasz had taken the first fall in 25 minutes with a reverse grapevine and Pavich had come bounding back to win the second fall in eight minutes with a series of drop kicks and a body press.

So popular was the bout that Promoter Tex Hager has agreed to match the pair in a return battle on next week's card here.

The first match of the evening was won by Karl Grey, of Milwaukee, Wis., who defeated Gust Johnson in 18 minutes with a punishing half crab hold.

Referee for the evening was Eldred Breese.

Marble Tournament Scheduled

Eagles of Bend, organization which last year produced a state champion marble shooter, will sponsor a central Oregon tourney again this year, with three-county title play to be held in Bend on May 13.

Billy Giltner, Bend, who last year won the state championship in the 13-15 age class, will be back in competition again this year. In winning the state championship in 1949, Billy earned a trip to Pittsburgh, Pa., to participate in the national marble tourney.

Sherman M. Dearth, youth guidance chairman for the Eagles, will be in general charge of the mid-Oregon area contest that will culminate in the district play-off here on May 13. The state tournament will be held in Portland on May 20.

In Bend, Claude Cook, physical education supervisor, will be in charge of school play-offs prior to the county tourney.

Entry blanks may be obtained from the F.O.E. hall on Wall street in Bend, or from any of the schools. Dearth has announced.

Golden Pole Ski Race Set Sunday

Portland, April 21 (AP)—The annual Golden Pole giant slalom ski race will be held on the slopes of Mt. Hood above Timberline lodge Sunday.

Race chairman Russ McJury said 35 class "A" racers, the largest number in the event's nine-year history, were registered for the contest so far. McJury said he expected the number to climb to 50 when late entries arrived.

Class "B" men and women entrants will make the field stand at about 90, he said. Some of the better-known skiers entering the slalom race include Jack Nagel, Karl Stingi, and Morris Scott of Seattle, and Tor Heyerdahl of Sun Valley.

Top finishers from last year's race entering include Rees Steynson, Dick Lewis and Dick Ervin, all of the Portland Multnomah athletic club, and Allen Fischer of Portland.

Bend High Track Squad to Leave For Eugene Meet

Coach Bud Robertson today announced the names of Bend high school track men he will take to the annual Hayward relays, Oregon prep track classic, at Eugene this week end.

The local team is scheduled to leave Bend this afternoon at 4 p.m.

Among Bruin entrants will be Reggie Halligan, who captured the pole vault event at the Hayward relays last year with a leap of 31 feet 4 inches.

For the first time since 1941, out-of-state schools will have entrants at the relays. Vancouver, Wash., high school, the 1941 champion, leads the list of "foreign" entrants, with perhaps a dozen other Washington state teams ready to get into the Oregon track picture, according to Director Ray Hendrickson of Eugene.

All the 1949 title contenders will be back, including Klamath Falls and Medford, who ran one-two in the class "A" events. Bend is also a class "A" entrant.

Class "B" and "C" teams are competing today, with class "A" schools sharing the track on Saturday with the Oregon-Washington state northern division Pacific coast conference dual meet.

Following is a list of Bend entrants:
