Television Ban May Be Imposed By Coast League

By Hal Wood
(United Press Sports Writer)

Oakland, Calif., Oct. 21 (UP)—The television industry faced the problem today of working out a way to keep Pacific Coast League baseball parks filled, following yesterday's implicit threat by league directors to ban video unless "adequate compensation for possible attendance losses" is received.

When the directors ended their two-day meeting, they hadn't taken a definite stand on the problem, other than to vote a further study into the attendance decline.

President Clarence (Pants) Rowland summed up the problem and gave the telecasters cause for worry when he said:

"The PCL clubs have not been able to determine how they can license telecasting of the games without adequate compensation for possible attendance losses. Consequently they may eliminate or reduce telecasts unless an equitable solution is found."

Declines Reported

Clubs playing in the major television centers—Los Angeles and San Francisco—reported decided declines during the season past.

Damon Miller, secretary of the San Francisco Seals, was asked by the directors to draw up several tentative schedules for study at a future meeting.

No move was made to limit team salaries, although the directors are known to favor such action because the 1950 gate receipts dropped.

In an earlier session, the directors voted to seek abatement of the bonus player draft; cut the squad limit to 23 men; restore the governor's cup playoff while shortening the season to approximately 174 games, and eliminate the all-star game.

Charles, Barone Set Title Fight

Indianapolis, Oct. 21 (UP)—Arehle Hindman, president of the National Boxing association, said today that the Nov. 28 Cincinnati bout between Ezzard Charles and Nick Barone will be officially recognized as a championship battle.

This will be the first fight as the world champion for Charles. He was recognized as champion in all N.B.A. states after whipping Jersey Joe Walcott. However, after beating Joe Louis on Sept. 27 he was accepted as heavy-weight champion in all 48 states.

Hindman said that he conferred with Fred J. Saddy, chairman of the N.B.A. championship and ratings committee, before making the announcement.

The Black Hole of Calcutta was only 20 feet square.

Lava Bears Battle in Mud To Tie With Springfield; Assured of Second Place

Springfield, Oct. 21 (Special)—An underdog Springfield eleven, led by its ace fullback Derald Jenkins, battled the Bend Lava Bears to a 13 to 13 tie here last night on a mud-soaked field.

Although it might be considered a moral victory for the Millers, the tie score did assure Bend of second place in the final Big Six standings, as the Eugene Axemen handed Albany its second defeat of the season last night by a score of 25 to 13.

Last night's game was the final Big Six encounter of the season for Bend and gave the team a season record of three wins, one defeat and one tie.

Opportunity Missed

Twice last night the Lava Bears drove from behind to notch touchdowns after Springfield tallies, but missed an opportunity to bag a victory when a second extra point attempt backfired.

Although no rain fell during the evening, the contest was played in a sea of mud which kept Bend's potent scoring machine bogged down most of the game. Despite the field conditions, however, Bend's touchdown twins, Bill Whaley and Jim Wade, did break away for several long runs.

Whaley scored Bend's first touchdown on a 48-yard gallop late in the second quarter and Wade broke away for a 75-yard touchdown sprint early in the second half, only to have the score nullified by a clipping penalty against one of his mates.

Jenkins Powerful

A fired-up Miller team opened scoring for the evening on the first play of the second quarter when Jenkins bucked over from inside the one yard stripe. A pass from George Blidnerback to end J. C. Johnson, good for 30 yards and a first down on the Bend 10 yard line, had set up the tally three plays earlier.

Bend outplayed Springfield throughout most of the first period, sparked to life after the Springfield tally to knot the score on Whaley's touchdown and then forged ahead by one point on Wade's extra-point kick.

Hard luck, which plagued the Bruins throughout most of the game, contributed to Springfield's second score, when a Bend handoff slipped away and was recovered by the Millers on the Lava Bear 12-yard line midway in the third quarter. From that point, Springfield, with Jenkins carrying the ball on five plays, dove over for the score. Floyd Burpitt added the extra point by piling through the right side of the Bend line.

Again Bend came back to even the count, this time on 74 yard march, climaxed by a one-foot smash by Wade. With the score 13 to 13, Bend elected to run the ball for the extra point. The try, however, was unsuccessful.

Following is a resume of last night's game:

First Quarter

Bend took the opening kickoff and returned to its own 38. Whaley kicked after the Lava Bears had failed to gain on three plays. Three plays netted the Millers eight yards to their own 47 and on

Eugene Axemen Stage Comeback To Beat Albany

(By United Press)

The Eugene Axemen retained their undefeated status Saturday but only after coming from behind to topple a twice-beaten but rugged Albany Bulldog squad, 25 to 13.

The win gave the Axemen command of the district four and Big Six high school football races. Cub Sexton scored twice in the first quarter to put the Bulldogs in the lead. Two touchdown passes zeroed by Wally Russell of Eugene narrowed the margin to 13 to 12 in the second.

Manning Barber raced 71 yards with the kickoff in the third period to move the Axemen into the lead they never lost. They made the final tally in the third when Jerry Alken crossed the chalk line.

La Grande Wins

La Grande got within reaching distance of the Blue Mountain tie Friday night, walloping guest Pendleton 19 to 0. Credit went to Bill West, fullback who scored twice, and Jim Bramer, who raced 95 yards after intercepting a Buckaroo pass.

Williamina's Bulldogs were pushed out of their first place tie in the Ya-Wa-Ma league Friday afternoon when the Sheridan Spartans dumped them, 12 to 7. The winning run came when Lee Yoder intercepted a Williamina pass and returned it 44 yards in the second period.

Ashland's Grizzlies made a valiant try in the fourth period of their wild-scoring fracas with Marshfield, but the Pirates outscored them, 44 to 25. Statistics showed that the Pirates' ground attack paid off. They moved 429 yards to the Grizzlies 116, although Ashland made 216 on its aerial attack to Marshfield's 49.

The Gresham Gophers made a track meet out of their contest with Newberg, winning 33 to 0, with three runs of more than 80 yards.

Grizzlies Win

McMinnville's Grizzlies racked up their third win in a row over Corvallis, 13 to 6, with Halfback Floyd Altimus scoring both Grizzly touchdowns. Corvallis' Bill Anderson broke through for a 49-yard run in the fourth quarter.

The Rainier Columbians continued to dominate the lower Columbia league, pounding Scappoose 19 to 7, for their fourth straight league victory and sixth of the season. John Womack and Jim Clayton had two touchdowns each for the victors. Pete Patterson recovered a fumble and flew 88 yards for the sole Scappoose tally.

Dick Pavlat scored three times to contribute to the Astoria Fishermen's 49 to 6 engulfing of Seaside. He broke around right end for 42 yards on the first play of the game and later romped 71 for another marker.

Publicity Stolen

The major colleges steal most of the gridiron publicity each fall, with hearty tub thumping for such as Notre Dame's Bobby Williams, SMU's Kyle Rote, Duke's Johnny Bright, and Vanderbilt's Bill Wade. But look over the pro posters and you'll see a lot of small college stars getting their just desserts, finally.

One such is Ted Marchibroda of undefeated St. Bonaventure. He leads the small college players in total offense with 829 yards in four games. But just in case you shrug that off, he is third in the entire nation, big and small schools, led only by Bright and Wade. And in total yards gained he is second only to "Model T" Ford of Hardin Simmons.

Maybe the All-Americans will miss him, but the pros won't.

THAT'S POLITICS

Chicago (UP)—Sidney B. Schiller, Republican candidate for the municipal court bench, is certain it was a Democrat—and a low-life, underhanded, crooked one at that—who stole his car containing all his campaign literature, including 500 posters, 2,000 auto stickers and 20,000 throwaway cards.

Prineville Wins From Lakeview

Prineville, Oct. 21—The Prineville Cowboys defeated the Lakeview high school football team 19-0, Friday night at Prineville.

Rosenbaum scored two touchdowns for the Cowboys in the first quarter, and Hall went over the line for another score in the second. In the second half, the Cowboys went into a slump, and the visitors played their best ball, but there was no scoring.

Lakeview had eight first downs, Prineville 13.

O. S. C. Rooks Defeat Frosh By 23-7 Count

Corvallis, Oct. 21 (UP)—Dave Mann, 185 pounds of lightning in a football suit, ripped the University of Oregon frosh apart here yesterday as the Oregon State college rooks rolled to an impressive 23 to 7 victory.

The colored speedster returned a punt 67 yards for a touchdown in the second period and broke through the Duckling line in the third period for a 42-yard score. He made 128 yards in all on the ground and tossed two passes for 19 more yards during the afternoon.

A third touchdown came for the Baby Beavers in the fourth period when quarterback Hogan Garrisi slipped over from the one-yard line on a sneak play. Oregon State also picked up two points on a safety in the second period when guard George Cockerton blocked Jack Morris' punt in the end zone.

The Ducklings were saved from a shutout on a 68-yard pass and run play from Barney Holland to Morris.

Oregon State made 17 first downs to Oregon's six.

Bearkittens, Allen Tigers Win

The favored Allen Tigers and the eighth grade Bearkittens came up with victories in last night's annual grade school grid jamboree, but not before the football machines of the Kenwood Yellowjackets and the St. Francis Saints had given the winners some bad scares. The games, played before a large crowd despite the inclement weather, were on Bruin field.

In the opening contest, the Bearkittens defeated the Saints 13 to 6. In the second contest, the underdog Kenwood team held a halftime lead over Allen of 7 to 6, but in the last half the Tigers hit their stride and emerged victors, 20 to 7.

As a result of the victory last night the Allen boys clinched the grade school football championship.

Bonfire Explodes, 8 Persons Hurt

Los Angeles, Oct. 21 (UP)—Eight persons were injured last night when a huge bonfire exploded at a University of California at Los Angeles homecoming rally.

The explosion occurred moments after the fire was ignited. It shattered windows for blocks around and scattered flaming debris down upon a crowd estimated at 20,000 persons.

The injured were taken to Santa Monica hospital. Attendees said six persons suffered minor abrasions and the other two were being held pending examinations of X-rays.

Police said the blast apparently resulted from a prank by persons who underestimated the strength of explosives.

SEARCH RESUMED

Eugene, Oct. 21 (UP)—Fair weather permitting, 29 air force and civilian planes will conduct a full-scale aerial search over west-central Oregon for two men whose plane vanished six days ago.

An airforce spokesman said rescue planes had only been able to take the air for short periods during the past two days because of rain and poor visibility.

Rudy Miche, a student at College of Pacific at Stockton, Calif., was piloting the craft when it disappeared en route to Portland. He was accompanied by William Thompson, Stockton real estate salesman.

HAWAII WINS

Caldwell, Ida., Oct. 21 (UP)—Scatback Jimmy Asato swivelipped the University of Hawaii Rainbows to a 43 to 14 victory over out-classed College of Idaho last night.

MAXIM PLANS BOUT

San Francisco, Oct. 21 (UP)—Light heavyweight boxing king Joey Maxim will soon fight an overweight non-title match at San Francisco's re-opened Winterland arena, Promoter William P. Kyne said today.

The bout was tentatively slated for Nov. 20. Maxim will fight the winner of the Rex Layne-Andy Walker fight. Layne and Walker meet in the 10-round feature at Winterland's opening Monday.

Layne, 22, from Salt Lake City, Utah, lost one of 28 fights. Walker jumped from the preliminary ranks about six months ago. The San Francisco Negro has shown steady promise as a main event.
