

Belmont Stakes Stated as Test

Baltimore, Md., May 21 (AP)—It looked today as if the Belmont stakes on June 16 will be the "horse race of the year" for 1951. That would be the natural result of the peculiar situation in the three-year-old class which saw Count Turf speed to an upset triumph in the Kentucky derby and then stay in the barn while Bold triumphed by seven lengths in the Preakness on Saturday.

A big stakes race between the pair is necessary to decide the 1951 championship, and the Belmont fills the bill.

What's more, in addition to the two chief claimants to the crown, the Belmont also is likely to include: Battlefield, two-year-old champion of 1950 which has not raced this season; Count Middle, winter book derby favorite which went "sour" and was held out; Royal Mustang, second in the derby; and Counterpoint, second in the Preakness.

Could Be "Dream Race"

If all six go to the post for the Belmont, it will be truly a "dream race."

And the Belmont, traditional third jewel in the turf's triple crown, will be a rugged mile-and-a-half test where mere speed alone will not be enough to win but must be matched by the stamina of a true champion.

Gold's easy victory in the Preakness left jockey Eddie Arcaro proclaiming loudly, "he's the best three-year-old in the country." And most of the crowd of 24,863 seemed to agree.

Arcaro and company point out that Bold was clocked in 1:56 2/5 for the mile-and-three-sixteenths, only two-fifths of a second off the track and Preakness record held by Capot. And Bold was not "all out" at the finish and seemed ready to run all day.

JERSEYS BOUNCE TO HIS MOO-O-O-D MOOSIC—Claude Holmes' contented cows give out with a mellow bellow when he plays the cello in his barn at Brighton, O. Holmes farms 188 acres, but manages to find time to play cello in the Wellington (O.) community orchestra. Holmes practices in the barn because the cows like music. "It keeps them contented," he says. "They like Warner best."

Reggie Halligan Places Second In Track Meet

Reggie Halligan took second in the pole vault and Jack Sherfold finished third in the 220-yard dash to give the Bend Lava Bears 14 points in the class "A" Oregon high school track and field meet at Corvallis last Friday and Saturday.

The points earned the Bruins 11th spot in the meet, which was won by the Medford Black Toronado with a total of 59 2/5 points. Salem was second with 42 points and Eugene and Klamath Falls tied for third with 34.

Bob Hall, Prineville sprint ace, captured the 440-yard dash Saturday with a mark of 50.2 seconds. He also placed second in the 100-yard dash, which was won by Bill Toole of Klamath Falls.

Only Members to Place

The pole vault event was won by Francis Dover of Eugene with a jump of 12 feet. Halligan followed with an 11 foot 9 inch leap.

Halligan and Sherfold were the only members of a 12-man Lava Bear team to place at the state meet. Other Bruins making the trip were Al Bumeister, Rod Schossow, Phelon Cullison, Mel Loy, Dick Darst, Miles Boardman, Dean Benson, Jack Donnelly, Ron Bolling and Jim Wade.

Coach Bud Robertson and assistant Bill Overman also made the trip. The squad returned to Bend following the completion of the meet Saturday afternoon.

Boating Accident Takes 7 Lives

Doyle, Tenn., May 21. (AP)—Tragically shocked townspeople brought home the tiny body of a railroad worker's son today and laid it beside the other seven victims of a boating accident, six of whom were older members of his family.

A 25-man search crew found the body of nine-month-old David Franklin Harris late last night in the swift waters of Calif-Killer river.

During the day, searchers had recovered, one by one, the bodies of his parents, his three sisters and one brother, and a 70-year-old fisherman, Tom Rodgers.

All were found close together and near the point where their home-built boat tipped over in the cascading mountain stream and plunged them into the water.

The body of five-year-old Carolyn Faye Harris was the first recovered. Later, police and volunteers dragging the East Tennessee river came across the father, William Harris, 32; his wife Nancy, 29; and Jo Ann, 10; Charles Eugene, 8; and Brenda Kaye, 3.

The crude boat with an outboard motor attached wrecked itself on shoals near Johnson's Mill bridge. About 100 yards downstream, cans of baby food and bottles were bobbing about in the swirling rapids.

The family left their home here Saturday afternoon and were believed to have rented the boat from Rodgers, who lived alone near the bridge where their automobile was found parked.

Washington Now Leading League

The idle University of Washington Huskies stepped into first place in the Northern division baseball race Saturday as the erstwhile leaders, Oregon State college, lost to Oregon 10 to 2 and Washington State college downed hapless Idaho, 6 to 3.

OSC's Beaver have a chance Monday to move into a first-place tie with the Huskies in a return game with Oregon at Corvallis.

WSC, defending Northern division champs, moved into second place to continue their drive toward the division lead. The Cougars won their eighth straight Saturday while handing Idaho its 12th consecutive setback.

The Cougars blunted a seventh-inning scoring threat by the Vandals then tied the score 3-all and then added three more runs in the last two frames as Idaho's starting hurler, Cless Hinckley, tired.

innings, found life beautiful in the second game when Abrams set the 15-hit pace with three singles and every Dodger starter got at least one hit. Ted Kluszewski and Red Sialcup homered for the Reds.

Dutch Leonard, at 41 the oldest pitcher in the majors, had a lovely day in Chicago—he was credited with both victories in relief roles. Late rallies beat the Braves both times. The Cubs made two runs off the opener on singles by Bob Ramazzotti and Mickey Owen. They put across the tying and winning runs in the ninth in the second game off reliever Vern Bickford on singles by Bob Berkowski and Ransom Jackson. Bob Elliott, Roy Hartsfield, and Sid Gordon hit Boston homers for the day.

Cards Edge Giants

Led by Red Schoendienst, who drove in four runs with a triple and two singles, and by Stan Musial, who singled home the winning run in a five-run eighth, the Cardinals edged the Giants in a wild game. New York used 18 players and St. Louis 16.

Lefty Ed Lopat became the first pitcher in the majors to win seven games, beating the Browns on an eight-hitter. He also hit his third homer. He has pitched seven complete games, won them all, and now has an earned run average of 1.29. Joe DiMaggio hit a two-run Yankee homer. The second game was rained out.

Eddie Robinson had a big day before his old mates in Washington, hitting a homer, double, and single, and driving in three runs as the White Sox stayed two games behind the Yankees with their fourth straight win and their 10th in the last 12. Ken Holcombe won his third victory—a six-hitter.

Animals on Parade

Chicago (AP)—Chicago's Lincoln park zoo attracted 4,250,000 visitors last year, a new record. Additionally, the director, F. Marlin Perkins, estimated that 5,000,000 people see the animals each Sunday on the "Zooparade," a television program.

WILLAMETTE VICTORIOUS
Salem, May 21. (AP)—The Willamette Bearcats were the Northwest conference track and field champion for the first time in the school's history today.

Although they won only two firsts in Saturday's meet, Coach Chet Stackhouse's cindermen collected enough second and third places to register 70 1/2 points to 55 1/2 for Whitman, their nearest competitor.

Defending champion Lewis and Clark was third with 41, followed by Linfield 26, Pacific 21 1/2 and College of Idaho 9 1/2.

BAD MEN WANTED
Geo. N. Taylor
Good folks need not apply. God sent Christ to save only the lost. "All have sinned and come short of the glory of God." And—"Christ Jesus came into the world to save sinners, of whom I am chief!"
Apostle Paul—1st Timothy 1:15. When see your page cleared. Believe in Christ as having died for you and you stand cleared—justified.
"Therefore be justified by faith in Jesus Christ, who have peace with God."
Romans 5:1. Justified—Just as if you had never sinned. And you would be eternally lost and never have peace, with even one sin left on your page.

Stand Right—Be justified.
Be right in God's sight forever. Two—Grow Up. By Bible and prayer and seeking to do God's will, grow up. Three—Victory. Old sins drop off. Comes peace, cheer, hope.

United Air Line Service to Bend May Be Retained

Washington, May 21. (AP)—A civil aeronautics board examiner has recommended that United Airlines be required to increase its service between Portland, Ore., and San Francisco.

Examiner J. Earl Cox also recommended that United be permitted to continue its present service to Salem, Bellingham, Bend and Klamath Falls, Ore.

Cox said United should be required to operate two daily round-trip flights through Klamath Falls between Portland and San Francisco. One of these flights should provide service between Klamath Falls and Medford, Cox said.

Service Not Sufficient

United now operates only one San Francisco-Portland round trip daily. Cox said "the record shows that adequate air service is not now being rendered."

He said the CAB has the power to compel United to provide such service, even though United contends that it is not economically feasible.

United is now restricted from serving Medford and Klamath Falls on the same flights. With this restriction removed, Cox said, Klamath Falls would have "substantially the air service which it requests."

Cox said United should be permitted to continue service to Salem because the airline has "a considerable investment in facilities in Salem which could not be salvaged if the service were suspended."
