Rainiers Beaten By Hollywood In First Test

By Paul Cane (United Press Sports Writer) San Francisco, July 21 (UP)—Rogers Hornsby, the grey-haired man with the light-bulb physique, grumbled out tonight's pitching choice: "Brown."

The mound selector, Harold Hector (Skinny) Brown, fingered his bony arm and offered that he was ready. His Seattle teammates and thousands of Rainier fans hope he is.

On the gaunt righthander's pitching skill may ride Seattle's bid for the Pacific Coast League pennant and manager Hornsby's future employment in the majors. Brown will oppose marmoth Johnny Lindell, Hollywood knuckleballer.

Hollywood Wins More than 14,000 fans turned out at Seattle last night to watch Rogers Rainier get clipped by Hollywood, 5 to 3. The loss cut Seattle's lead over second-place Stars to three games.

George (Plunky) Woods, the burly righthander, pitched and batted Hollywood to victory, with the slugging help of Dino Restelli.

The San Francisco Italian clobbered a two-run homer to provide the winning margin. The teams were blanked for six panels, but the Stars got to Sun pitcher Paul Calvert for three falls in the seventh, catcher Mike Sandlock's bounce scoring one run and Woods' solo to left chasing two more scores home.

Portland Walloped In less important PCL meetings, San Francisco waxed Portland, 11 to 3; Loyd Christopher's pinch-hit home in the ninth gave Oakland a 3 to 1 win over Sacramento and Zack Hollis singled Los Angeles to a 10-inning, 7-to-6, win over San Diego.

Lanky Lloyd Dickey, the Seals' home-grown pitching prospect, was staked to an eight-run lead in the first inning and literally coasted by Portland. Eddie Lake had a homer in the riotous maiden frame. Joe Grace, gradually recovering from a nasty spike wound, slashed out four of San Francisco's 16 hits.

Forty Kenny Gables had Oakland blanked for eight frames and might have gotten by the Aconas but for Christopher. He had a 1 to 0 lead in the ninth when he walked Augie Galan, fed Roy Weatherly his fourth hit of the night, and made a pitching mistake to Big Loyd.

Johnny (double no-hit) Vander Meer, Oak's fast-baller, worked eight panels and fanned eight Solons. His relief, Lloyd Hittle, pitched the ninth and got the win.

Stu Locklin's three-run homer put San Diego in good shape but the Padres succumbed to Bob Talbot's double, Max West's walk and singles by two fellows, Pederson and Layton.

The trouncing was good for two falls in the eighth to tie the game. Then came the tenth and Hollis' game-winner.

New York, July 21 (UP)—In the face of a bitter outburst from pitcher Erv Palica who was accused of being "gutless," the Brooklyn Dodgers announced today that Palica's dispute with Manager Charley Dressen was a "great misunderstanding."

"It's all over now," said Dodger vice-president Buzz Bavasi. "Everything was settled amicably." And, in a ceremony symbolizing "burying the hatchet," Manager Dressen and pitcher Palica solemnly and silently shook hands in the manager's dressing room following last night's game at Ebbets' field against the St. Louis Cardinals.

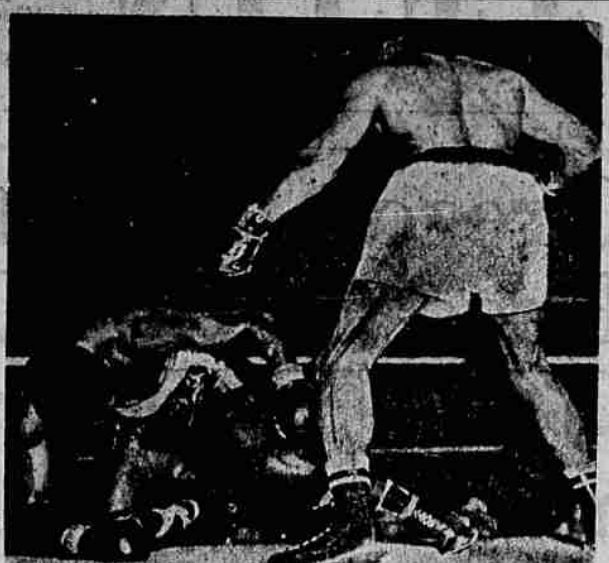

Makes Reply But just before that game got underway Palica made his first explosive reply to the charge of "gutless" that Dressen tossed at him after he was charged with the 13-12 defeat the Dodgers suffered in Wednesday's game against the Pittsburgh Pirates.

"How much can a fellow take?" asked the 23-year-old righthander. "Dressen keeps picking on me. And if he gets on me just once more, I'll tell him where he can go and what he can do with his ball club."

After the game, and even after the "understanding" had been announced, Dressen made these points clear: 1. "Palica still has not thrown hard like they tell me he can." 2. Palica will pitch only in exhibition games — at Cooperstown next Monday, for one — "until he throws hard."

Palica will not make the western trip with the team but will go through daily workouts at Ebbets' field.

Natural-gas pipeline now exceeds the combined length of railroad tracks in the United States by 69,000 miles.

IT'S ALL OVER—Here's the beginning of the end of Ezzard Charles' reign as heavyweight king. Ezzard sinks to the canvas from a mighty left hook to the chin thrown by Jersey Joe Walcott, who stands over him. Charles managed to rise at nine, but fell flat again and was counted out in the seventh round at Forbes Field in Pittsburgh, Pa.

American League Race Grows Heated, as Four Teams Tied For Honor of First Place

By JOHN GRIFFIN (United Press Sports Writer) New York, July 21 (UP)—Four teams were in a virtual tie for first place today as the American league girded itself for the most spectacular pennant race in its 50-year history.

Only .005 percentage points separated the first-place Boston Red Sox and the fourth place Cleveland Indians. The Red Sox led with .598, followed by the White Sox with .596, the Yankees with .595 and the Indians with .593.

The log jam reached its height when the Yankees and Indians eked out 1 to 0 victories over the Browns and A's respectively last night and the Red Sox and White Sox lost. The Tigers beat the Red Sox, 6 to 1, and the Senators upset the White Sox, 2 to 1.

Pitchers who helped themselves with their bats were responsible for the Yankee and Indian victories. Tom Morgan pitched a three-hitter and started the Yankees' winning rally with a single off 12-game winner Ned Garver with two out in the eighth inning.

Mike Garcia was Cleveland's hero in a brilliant pitching duel with Sam Zoladak. He allowed only four hits as he scored victory No. 12 and the Indians' 19th in 24 games and also started the Tribe on the way to its win with a single in the 10th inning. Garcia was forced by Dale Mitchell but Mitchell scored the big run on Bobby Avila's double.

Meanwhile, the Red Sox and White Sox were playing their parts to perfection to create the four-way scramble. The Tigers rose up to batter Chuck Stobbs and his successor for seven singles and five runs in the fourth inning. Then Marlin Stuart, who was making his first start of the season, throttled Boston's slugger with six hits to preserve the victory. It was Boston's sixth loss in 11 games on the current western swing.

Senators Shut Out Lou Kretlow shut out the Senators for the White Sox for eight innings but Eddie Yost singled in the ninth and Gil Coan, who had a perfect night with four hits, doubled to drive in the tying run. The Senators shoved over the winning run in the 10th on singles by Mickey Vernon and Sam Miele and an infield out. Mickey Harris, who relieved Sid Hudson, in the ninth won his fourth game.

The Brooklyn Dodgers beat the St. Louis Cardinals, 5 to 2. The New York Giants defeated the Philadelphia Phillies slugging the Chicago Cubs, 5 to 3, in 11 innings and the Boston Braves downed the Pittsburgh Pirates, 11 to 6, in National league games.

Preacher Roe Wins Preacher Rowe won his 13th game as the Dodgers knocked out Max Lanier, an old Cardinal nemesis. It was the fifth successive time Roe has beaten the Redbirds. The Dodgers supported him with a seven-hit attack, including three hits by Peeewe Reese and Roy Campanella's 14th homer of the year. Both Cardinal runs resulted from homers by Enos Slaughter and Wally Westlake.

Sam Mazielle, who had failed in four previous tries for his 13th win, finally got when the Giants knocked out Ewell Blackwell in the first inning and went on to pound out 12 hits. Willie Mays, who struck his 13th homer of the year, knocked in four runs for the Giants and Eddie Stanky walked four times and doubled in his only official at-bat.

Jim Konstanty received credit for his fourth win when Richie Ashburn singled with the bases filled in the 11th inning. Bob Rush went all the way to lose for the Cubs. The Braves collected 15 hits and chased Vernon Law from the box before he could retire a man in the first inning as Warren Spahn won his 10th game. Sam Jethroe homered for Boston and Ralph Kiner hit No. 24 for the Pirates.

Games tonight will be played on the Municipal diamond. SIGNS WITH CUBS Portland, July 21 (UP)—Ron Hunt, former Portland high school pitching star, has signed a Chicago Cub contract. Cub scout Jack Fournier said today.

Hunt will report next spring to Visalia in the class A California league. The portly righthander hurled two years for Washington high and won eight games while losing five.

Bend Moose Set For Burns Tilt; In 3-Way Tie

Bend's Moose will have their chance tomorrow to break a three-way deadlock for first place in the Central Oregon baseball league when they take the road to face Burns.

Lakeview, the third team in the tie, drew a bye in tomorrow's schedule and will not play. Each of the three outfits has won six and lost two.

Elsewhere in league play, Redmond travels to Madras and John Day treks to Prineville for afternoon games.

A number of local fans are reportedly planning to attend the contest in Burns tomorrow, to witness what may well be the crucial tilt of the season for the locals.

The standings: Team W L Pct. Bend 6 2 .750. Lakeview 6 2 .750. Redmond 4 4 .500. Prineville 3 5 .429. John Day 1 7 .125. Madras 0 7 .000.

Football Rules Under Scrutiny

Colorado Springs, Colo., July 21 (UP)—The National Association of Collegiate Commissioners had basketball and football officiating under a large magnifying glass here today for a closer look at the mechanics.

Commissioners from the 10 major athletic conferences gave serious consideration to officiating problems in the second day of the conference which will end tomorrow night.

Sessions are being held behind closed doors with committee advice being relayed to news services by Victor Schmidt.

Yesterday, the commissioners reviewed 1951 football rules and ordered two of them set aside for closer study. They will take a closer look at plastic face mask regulations and will try to clarify whether the receiver needs to wave his hand to make a "fair catch."

A special four-man committee also was handed the task of working out uniform examinations for football officials throughout the country.

Those on the committee are Art Curtis, assistant to the secretary of the Southwest conference; George Gardner, assistant to the Southeastern conference commissioner; Arthur Hutchens, representing the Southern Conference Football Officials association; and Frank McCormick, supervisor of football officials of the Pacific Coast conference.

Glenn Teal Leads In Golf Tourney

Milwaukee, July 21 (UP)—Slim Glenn Teal of Knoxville, Tenn., blazing eight under par, led 93 survivors today into the last half of the \$20,000 blue ribbon open golf tournament.

The 32-year-old veteran pro, who hasn't won a major trophy in seven years, banged out two 67's for 134 on the first half of the 72-hole medal race for the year's third biggest purse.

A field of 93 who fired 154 or better on the first 36 holes play 18-hole rounds today and tomorrow for the \$2,750 top prize and 39 other cash awards.

Teal, booming out five birdies over rolling North Hills country club, shot par 35 on the first nine and came back in four-under-par 32.

"Those greens are rough," he said. "I've-putted five greens but should have had seven or eight."

U. S. Challenges Leading Japanese In Davis Cup Play

Louisville, Ky., July 21 (UP)—11 youngster Tony Trabert and old-timer Billy Talbert can score a double victory over Japan today, the United States will be safely over its first hurdle in the attempt to regain tennis' famed Davis cup.

Twenty-year-old Trabert of Cincinnati and 32-year-old Talbert of New York were matched against Japan's Fumitera Nakano and Goro Gujkkura in doubles, the third match in the best-of-five series which is the first round of "American zone eliminations."

The U. S. took a big 2-0 lead yesterday when Dick Savitt of Orange, N. J., and Herbie Flam of Beverly Hills, Calif., swept to straight-set singles victories.

Victory Expected If Talbert and Trabert, the U. S.'s No. 1 ranking doubles team, should fall today, America will need at least a split of the two singles matches that conclude the series tomorrow. But it was not expected that the rookie-veteran combination would fall.

Talbert and Trabert are undefeated in doubles competition this year. This will be Talbert's first appearance in cup competition, but for Talbert it will be an old story. Talbert was the only veteran named to the squad as the U. S. "made way for youth" in an effort to win back the coveted cup that Australia captured last year. Before the Yanks get another shot at the Aussies, they must win their way through a worldwide elimination "tournament" for the right to challenge.

The U.S.-Japan winner is scheduled to meet Mexico in the second round.

Sports Parade

New York, July 21 (UP)—Slugging Stan Musial had facts and figures today to prove that the American league's so-called supremacy over the National league is merely a myth.

"I don't know where anyone gets the idea the American league is better than ours," declared the slender St. Louis Cardinal star.

"To my mind, there isn't much difference between the two leagues at all," he added. "Both leagues draw players from the same minor leagues, don't they? I don't see how the American league possibly could be superior to the National."

Series Recalled To prove his point, Musial recalled the four world series in which he played with the Cardinals.

"Of those four world series," he pointed out, "we beat the American league three times. We beat the Yankees in 1942, lost to them in 1943, then we defeated the Browns in 1944 and the Red Sox in 1946. That gives us a three-to-one edge and makes it difficult for me to understand how anyone could say their league is so far better than our league."

Musial emphasized he did not want to be involved in any controversy between the two circuits but he took time out to explain the 12 to 6 edge the American league holds over the National in the 18 all-star games played thus far.

"From what they tell me," he said, "two of the all-star games won by the American league could have gone either way. Say, for the sake of argument, that the National would have won those two games. That would have made 10 victories for the National."

CELEBRATION HELD Camden, N. J., July 21 (UP)—The echoes were just subsiding today from the wildest celebration in Camden's history—a 200,000-fan tribute to brand-new heavyweight champion Jersey Joe Walcott.

Mayor George Brunner estimated that many persons turned out yesterday to line a two-and-a-half mile parade route as Jersey Joe returned to his home town.

About 7,000 of that number were jammed around city hall, where the dusky, 37-year-old ring warrior told them, "I promised the Lord that if I won I would dedicate my life to the youth of America. I will keep that promise."

HUGE FISH LANDED Mt. Vernon, Wash., July 21 (UP)—The largest king salmon ever caught in the Skagit river by a sports fisherman using a hook and line was landed near here yesterday.

Harold Crane, Mt. Vernon, caught the whopper which weighed 64 pounds. He said he used an "Otto's pear valley spoon" and a nickel and red spinner. He said he landed the fish in "the incredibly short time" of 30 minutes.
