

Sabrejets Bring Week's Total to 19 Enemy Craft

8TH ARMY HEADQUARTERS, Korea, Feb. 21 (AP)—American Sabrejets shot down two MIGs Thursday to run up this week's bag of Communist fighter planes to 19 destroyed, probably destroyed and damaged.

Enjoying a numerical advantage for a change, 26 F-86 Sabres battled 20 MIGs from a formation of 80 of the Russian-built fighters observed northeast of Sinanju in "MIG Alley."

The 20-minute dogfight ranged from 43,000 down to 20,000 feet through a dense overcast that covered most of North Korea.

First Lt. Billy B. Dobbs of Fontana, Calif., and Capt. Brooks J. Liles of Elizabeth, N. C., each shot down a red jet. Dobbs already had one damaged MIG to his credit but it was Liles' first claim.

The 54th Force shot down three MIGs Tuesday and destroyed two and damaged five Wednesday.

On the ground, Communist forces ambushed a United Nations patrol west-northwest of Kansong on the eastern front. Reinforcements trying to come to the aid of the patrol were pinned down by enemy mortar fire.

However, additional reinforcements arrived an hour and 15 minutes after the ambush was sprung and all UN forces were able to disengage and return to their own lines.

Elsewhere along the 145-mile battlefield, there was only probing and patrol action with a platoon the maximum size unit.

The North Korean radio at P'yongyang said Communist artillery inflicted more than 410 United Nations troop casualties Wednesday in the Yonchon and Kumhwa sectors of the central and western front.

The Red radio, monitored in Tokyo, said five Allied tanks were destroyed, two Allied planes downed and one damaged in the same sectors Wednesday. It said two Allied fighters and one B-26 light bomber were shot down Thursday.

KOREAN RITES FOR KING GEORGE—Memorial services for the late King George VI are held at headquarters of the First Commonwealth Division at "Fort George" in Korea. Note the various flags at half staff and the military "escort" with reversed rifles. The services are being conducted by senior Chaplain W. W. P. Riles.

Rotarians Hear Talk by Educator

Bend Rotarians at their weekly luncheon yesterday heard J. S. Cramer, dean-director of the general extension division of the Oregon State System of Higher Education, discuss highlights of his nine months' tour of Australia this past year. He served as an exchange professor at the University of Melbourne.

The luncheon meeting was in the Blue Room of the Pilot Butte Inn, with Harold M. Nicholson, club president, in general charge.

Cramer said that Australians are definitely friends of America, and are not only thankful for the help given in the critical days of World War II when the helpless island continent was menaced by the southward sweep of the Japanese, but look on America as their protector should war again blaze in the far Pacific.

Cramer devoted most of his talk to a discussion of economic conditions in Australia, where labor rules with a strong hand and where sheep provide the reservoir of wealth. He said there are 120,000,000 sheep on the tiny continent where less than 8,000,000 people live.

Controlled Immigration

The speaker touched on the efforts of Australia to build up its population through controlled immigration, a system that bars all colored people.

Despite its wealth, Australia is a country of shortages, Cramer noted. He said there are great shortages of potatoes, eggs, onions, milk and other food. However, he said there is plenty of mutton, and on menus can be found lamb, ram, sheep, mutton and colonial stew—a dish made from mutton.

The dean paid tribute to the friendly nature of the Australian people and lauded their kindly attitude toward the United States.

Rotarians were told by fellow clubmen that arrangements for the district Rotary convention here on April 27, 28 and 29 are taking final shape.

WRECKAGE FOUND

ANACORTES, Wash., Feb. 21 (AP)—Wreckage of a Navy patrol bomber which crashed in Puget Sound last Aug. 6 with the loss of nine lives was found in the Smith Island area Wednesday by a fishing boat crew.

Bodies of two of the nine crewmen were recovered shortly after the crash.

ATTENDANCE SET

McMINNVILLE, Ore., Feb. 21 (AP)—Oregon and Len Jordan of Idaho will be guests Saturday night at installation ceremonies of Phi Epsilon, Linfield College fraternity, at the Zeta Delta chapter of Alpha Tau Omega.

Truman Answer Is Satisfactory

WASHINGTON, Feb. 21 (AP)—House Republicans said Thursday they are satisfied with President Truman's assurance that he has made no secret agreements with Britain to send additional American troops anywhere in the world.

But administration officials and Democratic leaders said it was too bad the President was compelled by circumstances to reveal a fact which may be of great interest to Russia.

Mr. Truman made the no-commitments statement late Wednesday shortly after the House passed a GOP resolution demanding a full report on any secret deals made at his meetings with Prime Minister Winston Churchill last month.

Officials said he spoke out-even though the resolution was not binding on him—because he feared continued silence might deepen the suspicion that he had something to hide.

That suspicion has been harbored by some congressional Republicans ever since the Churchill visit.

FCC Chairman Resigns Post

WASHINGTON, Feb. 21 (AP)—Wayne Coy resigned Thursday as chairman of the Federal Communications Commission.

Coy called at the White House and personally delivered his resignation to President Truman. The resignation will be effective immediately.

Coy, 48-year-old native of Delphi, Ind., has been chairman of the FCC for four years.

He told reporters that he is quitting "so I can negotiate for a job in private life." He had not yet lined up a job but had "a good idea" of what he would do.

The FCC chairmanship pays \$15,000 a year but Coy said that with one child in college and another in prep school, he had to leave the government "for economic reasons."

Airman
Pvt. Donald G. Layton, 19, son of Mr. and Mrs. George H. Layton, 1684 W. 2nd, is completing the Air Force basic airman indoctrination course at Lackland Air Force Base, the world's largest air force base, near San Antonio.

Completes Basic
Pvt. William Calvin Weber, 19, son of Mr. and Mrs. C. W. Weber of Crescent, is completing his Air Force basic airman indoctrination course at Lackland Air Force Base, San Antonio, Texas.

Price Hikes Due On Poles, Pilings

PORTLAND, Feb. 21 (AP)—Local-and-cent ceilings will permit price hikes on Douglas fir and ponderosa pine poles and pilings effective Feb. 25, Carl Donahue, district OPS director, announced Thursday.

The ceilings allow increases from five to 20 per cent because of pole and piling shortages in vital military and civilian construction, he said.

The order covers untreated anchor logs, reinforcing studs and short round material produced in Oregon, Washington and California.

The combining of tiny parcels of land into larger, more efficient units is one of the great needs of West Germany.

Morse Challenges Denial by Taft

WASHINGTON, Feb. 21 (AP)—Sen. Wayne Morse (R-Ore.) Wednesday challenged a denial by Sen. Robert A. Taft (R-O.) that he had promised to help Morse get a place on the Senate Foreign Relations committee.

Morse said Taft's denial was made in Seattle last week and was printed in Oregon newspapers.

Taft did give the promise in 1947, Morse said. He told reporters he was writing to Taft to say it was "unfortunate" an "issue of veracity" had come up between them and suggesting that Taft "make the necessary steps to correct the misunderstanding."

Taft made the promise when the Senate Republican conference decided to back Sen. Henry Cabot Lodge, Jr., (R-Mass.) for a vacancy on the Foreign Relations committee although he lacked the necessary seniority, Morse said.

Since Taft's unsuccessful effort in his behalf, Morse said, two other Republican senators, Owen Brewster of Maine and Charles W. Tobey of New Hampshire, since have been appointed to the committee.

Fire Controlled After Long Fight

KANSAS CITY, Mo., Feb. 21 (AP)—A six-story building in Kansas City's rickety old north end caught fire early Thursday and 18 fire companies battled four hours in 19-degree weather to bring the blaze under control.

No one was reported injured.

As the blaze was brought under control, police arrested Woodrow Theodore Moss, 39, and John J. Curtis, 41, who they said admitted lighting a fire in the basement of the old building "to keep warm."

"Each is accusing the other of setting the fire," one officer said.

The building, its interior fallen in and only the brick frame standing, was the Nelson building, once a railway office center.

State Cafeteria Gets 'B' Card

PORTLAND, Feb. 21 (AP)—The seventh floor cafeteria in Portland's new \$2,570,000 state office building Thursday displayed a grade "B" card issued from City Hall—but it's not the food.

City health department officials admitted the lunch and coffee shop is clean and the food of good quality, but said the place fails to meet the fire code. The building inspectors said the ceiling tile is combustible and "only one too-narrow exit is provided."

"I CANNOT TELL A LIE"

CROWN FLOUR

MAKES THE PERFECT CRUST FOR EVERY CHERRY PIE

CROWN'S COOK-OF-THE-MONTH
MRS. JOHN W. SNIDER
Medford, Oregon

LATTICE-TOP CHERRY PIE

PIE CRUST:
Mix together: 2 1/2 cups sifted Crown Flour, 1/2 cup cold shortening, 1/4 teaspoon salt.
Cut in: 3/4 cup cold shortening.

Add a few drops at a time, mixing lightly with fork, 4 or 5 tablespoons ice water.

Toss with fork until particles are slightly moistened. Press into a ball. Divide in half. Roll on lightly floured board to 1/8-inch thickness. Place in 9-inch tin. Add cherry mixture. Put top crust on pie. Place in very hot oven (450°F) for 15 minutes, then reduce heat to moderate (350°F) and bake about 30 minutes.

CHERRY MIXTURE:
2 1/2 cups drained canned fruit, 1/2 cup fruit juice, 3 tablespoons Crown Flour.
Sugar if desired, 1/4 teaspoon salt.

For other Cook-of-the-month recipes, write Celia Lee, Crown's home economist, c/o Crown Mills, Portland, Ore.

It's cherry pie time!...and Mrs. John Snider, Crown's cook-of-the-month from Medford, says, "Baking for my family is a pleasure, thanks to Crown Flour."

The best cooks in town use Crown—Crown unbleached Flour... the only unbleached all-purpose flour milled in the West.

Al's RECIPE OF THE WEEK
By Mary Lee Taylor

Pancakes
Broadcast: February 23, 1952
1 1/2 cups plain pancake mix, 1/2 cup milk, 1/2 cup water

Put pancake mix into mixing bowl. Stir in a mixture of milk and water slowly. Do not beat until smooth as overbeating toughens pancakes. Bake on hot, slightly greased griddle until bubbles appear and edges are cooked. Turn and brown on other side. Makes eighteen 4-in. cakes. Serve with syrup and sausage.

You Will Need:
Pet Milk, Pancake Mix, Syrup, Sausage.

Lumber Jack, 24 oz. SYRUP bottle 33c
Bits O' Sea, Light Meat GRATED TUNA... 2 cans 49c
Scotties, 200 Count FACIAL TISSUES... pkg. 15c
Scotch Granulated SOAP POWDER 1 lb. pkg. 19c
Tenderleaf, 46 Bags TEA BALLS..... pkg. 49c
