

# Petition Demands Answers From Ike

(By United Press)

Latest developments in the presidential race: **TAFT** — Supporters of Sen. Robert A. Taft circulated a petition among voters in more than 20 states "demanding" that Gen. Dwight D. Eisenhower take a public stand on 21 "vital questions" — ranging from the Taft-Hartley Law to the firing of Gen. Douglas MacArthur.

**EISENHOWER** — Eisenhower's managers maintained a stony silence on the Taft petition. Eisenhower was expected, meanwhile, to close Taft's early lead by picking up most — if not all — of the 90 delegates at stake in the New York primary Tuesday.

**STASSEN** — Harold E. Stassen urged the use of Chinese Nationalist troops in the Korean War and said Gen. MacArthur should be called to Washington for consultations on Far Eastern policy.

**DEMOCRATS** — Sen. Estes Kefauver (D-Tenn.) opened a hand-shaking, stump-speaking campaign in Florida for the state's 24 delegates. His supporters admitted he faces an "uphill fight" against Sen. Richard B. Russell, Ga.

**RUSSELL** — Sen. Russell announced he would join the fight with Kefauver later this week with an intensive 10-day campaign in Florida.

**BARKLEY** — Sen. Guy M. Gillette (D-Iowa) endorsed Vice President Alben W. Barkley as the "best vote getter and strongest contender" the Democrats could nominate. He added he believes Barkley will soon announce that he is a candidate for the presidential nomination.

**HARRIMAN** — Mutual Security Administrator W. Averell Harriman was expected to pick up his first big bloc of votes by winning all 90 delegates in Tuesday's New York primary.

# Ike Supporters Claim Victories

MINNEAPOLIS, April 21 (U.P.) — Supporters of Gen. Dwight D. Eisenhower claimed victories Monday in resolutions adopted in Republican conventions in Minnesota's two largest counties.

Eisenhower supporters at the Ramsey County (St. Paul) meeting Sunday pushed through a resolution asking that "all delegates from Minnesota to the National Convention should vote for Dwight D. Eisenhower on all ballots after fulfilling their statutory obligation to Harold E. Stassen."

In Hennepin County, which includes Minneapolis, the GOP "urged" the 3rd and 5th District conventions to send delegates favorable to Eisenhower to Chicago in July.

**TEACHER NAMED** — PRINEVILLE, April 21 — C. M. Sly, Crook county school superintendent, reports that Miss Fern Gunderson of St. Cloud, Minn., has been named to teach commercial classes at the Crook County High School. She will succeed Miss Seegar who has tendered her resignation, announcing that she will be married this summer and make her home in Southern California.

# Central Oregon Cattlemen Hold Annual Spring Meeting

PRINEVILLE, April 21—Cattlemen of Central Oregon should give greater attention to the development of crested wheat acreage in order to gain a fuller value from their native bunchgrass range pastures, W. A. Sawyer, superintendent of the Harney-Squaw Butte Range Experiment Station in Harney county declared here Saturday. He was one of the featured speakers at the annual spring meeting of the Central Oregon Stock Growers Association. Some 50 stockmen and their wives from Crook, Deschutes and Jefferson counties were present.

Other addresses were by Harold Dobin, district field agent for the federal wildlife service; Dr. Zimmerman, assistant state veterinarian, and Harry I. Stearns, association president.

Sawyer declared that those ranchers who this year have a substantial acreage of crested wheat grass are able to turn their herds onto it for early pasture and thus save an overgrazing of the native grasses, which are later in their springtime growth. Sawyer outlined experiments that have been made at the Harney-Squaw Butte station. He recommended that the soil be packed, however, by rolling, in order to gain the best germination where reseeding is undertaken with crested wheat grass. Sawyer said that better germination is obtain-

# Seven Commie Jets Shot Down

SEOUL, Korea, April 21 (U.P.)—American F-86 Sabrejets Monday shot down seven Communist jet fighters out of formations which jumped Allied fighter bombers methodically chopping away at key rail lines in Northwestern Korea.

Six more MIGs and one "type-15" Red jet were damaged in the day's three air battles.

In one dogfight, Capt. Joseph J. Love of San Bernardino, Calif., shot down his fourth and fifth MIGs of the Korean War to become America's 11th jet ace.

The Sabres damaged one MIG in the day's first dogfight, when 18 Russian-built MIGs tried to sneak under a flight of four American interceptors.

The second aerial battle, an hour later, pitted 28 Sabres against 50 MIGs and type-15's. Five of the MIGs and one type-15 damaged. This was the battle in which Love took part.

In a third forenoon fight, 19 Sabres shot down two MIGs and damaged another in a flight of 25 enemy jets east of Sinwju.

eliminating tuberculosis, Bang's disease and other ailments which are a threat to the beef and dairy cattle industry. The Maury Mountain Stockmen's Association, which recently adopted a resolution calling for vaccination of calves of members whose herds range the Maury mountain section of the Ochoco national forest, won approval.

The women's auxiliary of the stockmen's group held a luncheon at the Ochoco Inn Saturday noon and discussed among other matters their plans for entertaining delegates to the cattlemen's convention in mid-May. Officers elected by the auxiliary were: Mrs. Norman Jacob, Prineville, president; Mrs. Priddy Holmes, Lower Bridge; Mrs. Shumway, Powell Butte, and Mrs. Earl Bankoffier, Paulina, vice-presidents; and Mrs. Neva McCaffery, Powell Butte, secretary-treasurer.

The officers of the association are elected biennially and will hold over another year from last. They are: J. Alan Finlay, Post, president; Jerry Breese, Prineville, and Walter Schrock, Bend, vice-presidents; and E. L. Woods of Prineville, secretary-treasurer.

Air flow studies at speeds ranging from five to ten times the velocity of sound have been made in the hypersonic wind tunnel at the U.S. Naval Ordnance Laboratory.

Dr. Zimmerman discussed general plans of controlling and

**LEADERS MEET** — MADRAS, April 21—With Oliver Wilson, assistant county agent, in charge, some 40 leaders of Jefferson county 4-H clubs met at the Madras grade school Friday evening to outline an expanded program for 1952. Burton Hutton and Mrs. Winnifred Gillen, state 4-H leaders, were here from Oregon State College. The club leaders were guests at a dinner, served in the new cafeteria of the school by the Pacific Power & Light Co. Guest speaker at the 4-H session was Cecil Root, public relations official of the Pacific Power & Light Co.

# FORD WINS AGAIN!

## TAKES FIRST PLACE IN CLASS "A" IN THE 1952

# New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... as in the past two years... Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

**HERE'S THE CERTIFIED AAA PROOF**

**NEW FORD**  
101-horsepower  
**MILEAGE MAKER SIX**  
with Overdrive

**53.855 TON MILES\* PER GALLON**  
**25.463 MILES PER GALLON**

\*The AAA Contest Board determines the winner by a "ton-miles per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!
