

Eisenhower Supporters Optimistic of Ike's Chances at GOP Convention in Washington

By RAYMOND LAHR
WASHINGTON, May 21 (AP)—A Montana victory lengthened the lead of Sen. Robert A. Taft in the contest for Republican national convention delegates.

But supporters of Gen. Dwight D. Eisenhower were counting on the Washington state Republican Convention later this week to bring up their delegate score.

Montana's state GOP Convention Tuesday night elected an "uninstructed" eight-man delegation to the party's July 7 presidential nominating convention in Chicago. Seven of the delegates were avowed Taft supporters, while one said he favors Eisenhower.

One-Third of Oil Workers Return

DENVER, May 21 (AP)—Approximately one-third of the nation's 90,000 striking oil workers were back at work Wednesday and a ranking union official said he hoped the rest will return to their jobs by the end of the week.

"About one-third of the striking groups have gone back to work," said O. A. Knight, president of the CIO Oil Workers International, the largest of the coalition of 22 AFL, CIO and independent unions involved in the 22-day-old walkout.

He added that "most of these include the small locals." As the strike slowly drew to a close, a gasoline price war broke out at Topeka, Kans., Tuesday. Stations on the outskirts of the city sold regular gasoline for as low as 19.5 cents a gallon and

Medford Pickets Picket Pickets

MEDFORD, Ore., May 21 (AP)—Pickets were picketing the pickets at Kim's restaurant here Tuesday.

Waitresses who said they objected to union attempts at organization marched side by side with union pickets and carried signs in favor of Henry Fon, their employer.

One waitress said the women were picketing the pickets on their own and that their employer had nothing to do with it. The union picket line has been in effect since May 2 and is against employees of the restaurant.

WSB Turns Down Union Request

WASHINGTON, May 21 (AP)—The Wage Stabilization Board has ruled that it lacks authority to order company wide bargaining in a labor-management dispute.

The board voted 8 to 4 Tuesday, with labor members dissenting, to send a demand by the CIO United Autoworkers for a contract covering 10 Borg-Warner Co. plants back to the parties for negotiation.

Some 10,000 union members at the plants located in five states held a three-week strike last October to back their main demand for a "master contract" with Borg-Warner. The company refused the demand, and insisted on plant-by-plant negotiations. The plants are located in Illinois, Michigan, Indiana, Ohio, and Tennessee.

Youth Mistaken For Prowler

NEW YORK, May 21 (AP)—Young Mike Broderick couldn't sit down Wednesday because a clever neighbor was afraid of robbers.

Broderick, 16, saw a light in the window of William Buhl's Bayside home Tuesday night and decided to visit him. In crossing Buhl's lawn Broderick stepped on electrical

contacts that set off an alarm. Buhl began firing his .22 caliber rifle before the youth could identify himself and a bullet nicked Broderick as he retreated. Police said Buhl was not booked and the two neighbors are still friends.

The United States turns out more than 50% of the world's manufactured products, yet it has only six per cent of the world's population and only seven per cent of the world's land mass.
