

# SPORTS

**SLIDE IN VAIN**—Bud Sheely of the White Sox slides in vain as he is forced at second by Johnny Lipon. White airman grounded to Red Sox first baseman Dick Gernert in the second inning of game in Boston's Fenway Park. Gernert threw to Lipon for force-out, but Lipon's throw back to Gernert was too late for a double play. The Red Sox won, 2-1.

## Jim Duff Hurls Loggers to 7-1 Win Over Burns

Behind the steady, six-hit pitching of young Jim Duff, the Bend Loggers defeated the front-running Burns team at Municipal park yesterday, 7 to 1. The visitors got their only run in the opening canto on two hits, an infield error and a batter hit by the pitcher.

## Iron Lungs Sent To Critical Area In Sioux City

SIoux CITY, Iowa, July 21 (AP)—Urgently needed iron lungs were rushed here Monday as thousands of anxious parents awaited the start of a mass experiment with an untried anti-polio serum.

More than 16,000 children between the ages of one and 11 will start receiving inoculations today in the second test of its kind this year.

Half the children will be inoculated with gamma globulin serum. The rest will receive an injection of a harmless gelatin substance.

None of the children, or the parents, will know whether they have been inoculated with the serum or the harmless gelatin solution. The type of inoculation will be kept secret until doctors publish their conclusions on the test.

Medical experts know that gamma globulin will not prevent polio. However, they are trying to determine if the serum will take the paralysis out of the crippling disease.

Two iron lungs were rushed here by Army plane from Duluth, Minn., Sunday night as the city recorded its 13th death during the current epidemic of polio.

Connie Demers, 9, died of bulbar polio in a Sioux City hospital despite the frantic efforts of doctors to save her. She was stricken with the disease last Thursday.

Overloaded hospital staffs treated a total of 132 active cases of polio. Specially trained nurses and physical therapists were flown here from cities across the nation to help weary medical men and their aides.

## OUT OUR WAY

**IT SURE PILES UP**—The boss may be away politickin', but the mailman never slows down on his appointed rounds. That's the sad fact realized by Sen. Richard M. Nixon, Republican candidate for the vice presidency. Above, he and his personal secretary, Rose Woods, look over some of the unanswered mail that piled up while the senator was at the GOP Convention in Chicago.

## Gov. Adlai E. Stevenson's 'No' Beginning To Sound More Like 'Maybe' to Democrats

By LYLE C. WILSON  
 CHICAGO, July 21 (AP)—Democratic leaders of Western states talked Monday of pushing Sen. Warren G. Magnuson D-Wash. or Secretary of Interior Oscar L. Chapman for the vice-presidential nomination, but took no formal action.

Westerners met Sunday night under the leadership of Calvin W. Rawlings, national committee man from Utah, "to make the voice of the west a little more audible."

The meeting did not discuss candidates, but there was talk of promoting Magnuson or Chapman — particularly Magnuson — for second spot on the ticket as a young westerner to counter Sen. Richard M. Nixon (R-Calif.), the 39-year-old GOP nominee for vice-president.

## Eleven Persons Killed in State In Three Days

(By United Press)  
 Accidents claimed more lives in Oregon during the past weekend and Friday than in the three-day Fourth of July holiday weekend.

Eleven persons died either in mishaps or of injuries suffered earlier in the week. Eight persons were killed over the Fourth.

Latest fatality was Arthur E. Grebe, 50, of Portland, who was dead on arrival at a Seaside hospital after an accident Sunday near Cannon Beach Junction.

Grebe's car went off the Sunset highway and he was pinned underneath. His wife was hospitalized with a possible rib fracture.

An Albany youth is in critical condition in a Eugene hospital suffering from injuries suffered in a highway accident which claimed the lives of two teen-age girls Saturday night.

Two Girls Die  
 Donna Cox, 16, and JoAnn Steen, 16, both of Albany, died in the crash on Highway 99W 15 miles northeast of Eugene and Robert Crocker, 18, was critically injured. Another occupant of the car, Wesley B. Price, Jr., 18, Albany, was seriously injured and was also hospitalized in Eugene.

William LeRoy Brownlee, 55-year-old logger of Castle Rock, Wash., died Sunday at Oregon City from injuries suffered earlier in the week when a flying cable struck him on the head. The accident happened at a logging operation near Elwood, Ore.

Falls To Death  
 Thirteen-year-old Harry Richard Cooper was killed Saturday afternoon when he fell 110 feet off an abandoned water tower in the old Vanport City area of Portland. He had climbed to the top of the tower to look for a pigeon nest when he lost his footing and fell. He was the son of Mrs. Inez Cooper of Portland.

## New GOP County Chairman Named

PRINEVILLE, July 21—Barney South, frozen food locker man here, has been elected chairman of the Crook County Republican Central committee to succeed Mrs. Paul B. Kelly. The latter, just back from attending the Chicago Republican national convention, resigned, announcing that she and her husband, a leading central Oregon pine lumberman, would be absent in Santa Rosa, Calif., for the summer looking after lumber interests.

Mrs. Jack Wilkinson was elected vice-chairman of the Crook county committee to replace South, formerly holder of that office.

## Competition Set By Garden Club

METOLIUS, July 21 — The Metolius Garden club has announced that it will hold its annual flower show at the grade school gymnasium July 31. "Blossoms on Parade" has been chosen as the theme of the show, which will feature the presentation of flower arrangements by other clubs of the Central Oregon district of the Oregon Federation of Garden clubs.

Heads of committees arranging for the approaching show are: LaVeta Brown, general committee; Helen Lundy, staging and properties; Doris Henske, schedules and publicity; Rose Golay, entries and classification; Pearl Henske, judges and hospitality; Lorelei Green wood, tea table; Helen Hewitt, luncheon; and Florence Moss, program.
