

## Angels Shut Out Portland 5 to 0; Suds Beat Oaks

SAN FRANCISCO, Aug. 21 (AP)—Good pitching this baseball season has been about as bountiful as a young lady named Marilyn Monroe. There's lots of it. But the Hollywood Stars, who lead the Pacific Coast league, seem to have the best curves.

Newcomer Paul LaPalme, a chaffet of the Pittsburgh Pirates pitched Hollywood out of a first place tie Wednesday night. He gave up two hits and teammate Frankie Kelleher clubbed a two run homer to get the Stars a 2-1 victory over San Diego.

It was the second game in a row in which a Hollywood mound artist stopped the Padres on a two-hitter. Mel Queen having turned the trick Tuesday eve.

The win was Hollywood's 19th of 23 meetings with Lefty O'Doul's Padres.

**Into Second Place**  
Oakland, who had the PCL's top spot with Hollywood, slipped into second place, a game back, by losing to Seattle 5-1. Steve Nagy whirled a five-hitter for the Suds.

Lefty Joe Hatten blanked Portland on three hits as Los Angeles got a 5-0 decision; and Leon Walter Clough goose-e-g-g-ed Sacramento on five blows as the Seals won 2-0.

Many critics maintain the baseball manufacturers have turned out a deader ball this season. This, it is claimed, makes for low-hit pitching, with a premium on the "long ball."

But dead ball or live, LaPalme was superb. He gave the Pads their run in the second on Lou Sommer's double, an infield out and Dick Cole's bobble at shortstop. LaPalme walked two and fanned seven.

**Stars Scoreless**  
Meanwhile, Pad ace Willie Luna was successfully keeping the Stars scoreless. But in the eighth little Carlos Bernier garnered his third hit of the night and jogged home ahead of Kelleher's four-master, his 10th of the season.

Nagy, an effective slowballer, drove in one of his own runs. Only Oakland's Piper Davis, a lean, versatile athlete, bothered him. Davis had three of the five Oak hits, and spoiled a shutout in the eighth when he singled home a run.

Hatten scarcely allowed Portland to smell the baseball. He was staked to a three-run lead in the third, with Leon Brinkopf's homer starting the rally, and he made quick work of the Bevos over the distance.

Clough, who was fired by the Solons this season, and shortstop Len Ratto, another ex-Sacramento lad, did their former employers dirt. Ratto had three hits, one a double. And Clough gained his second decision over the Solons.

As for other foes, respected Walt has picked up only one other victory.

## Corvallis Takes Softball Crown

MILL CITY, Aug. 21 (AP)—Corvallis reigned Thursday as Oregon's new softball champion, thanks to a pair of nifty pitching performances by Hal Wehmeier who blanked Eugene's perennial titleholders 8-0 and 5-0.

Eugene had won the title for the last five years.

Wehmeier gave up a total of only three hits in the twin bill Wednesday night as his Corvallis Elks team battled its way to the title despite a first-round defeat by Salem.

Shortstop Ed Nelson led Corvallis in the first game with two singles to drive in four runs. A four-run fifth-inning rally, sparked by Dick Sprick's three-bagger, broke the second contest wide open.

The tournament all-star team included Wehmeier, Bob Willis of Eugene and Don Carey of Mill City; pitchers: Lou Stagg, Corvallis, catcher: Bob Wetzel, Eugene, first base: Bill Hutchinson, Eugene, second base: Pete Valdez, Mill City, third base: Al Zuber, Mill City, shortstop: Tom Collie, Eugene, left field: John Payne, Salem, centerfield: Glen Glanton, Salem, right field: Sprick and Nelson of Corvallis were named as utility players. Valdez was named the tourney's outstanding player, Sprick the best hitter and Wehmeier the top pitcher.

Corvallis now will enter the regional softball playoffs at Richland, Wash.

## Tigers Lose 31 Games by 1 Run

PHILADELPHIA, Aug. 21 (AP)—The last-place Tigers would be in first place today if they had won all the games they lost by one run this season.

Wednesday night's 4 to 3 loss to the A's marked the 31st game Detroit lost by one run this season and the 10th such game they dropped that way to the A's.

## To Demonstrate Golf Prowess

Helen Dettweiler, one of the nation's leading women golf pros, will be a club-swinging blonde attraction at the Bend golf club Saturday when she gives a free golf clinic and exhibition of her golfing finesse in a 9-hole exhibition. The clinic and exhibition are open to the public, and members of the Prineville and Redmond Golf clubs are particularly invited to witness the gal golfer in action. Following her clinic Miss Dettweiler will team up with Owen Panner in a 9-hole round against Harvey Bunn, Bend club pro, and Mrs. Bud Stipe, 1952 winner of the O.W.G.A. trophy at the local club. The clinic gets under way at 1 p.m.

## Sage Hen Season In Oregon Due to Open on August 23

Over four months of unbroken hunting are in store for Oregon hunters beginning August 23 with sage hen season and followed by grouse, mourning dove, band-tailed pigeon, deer, silver grey squirrel, quail, partridge, elk, and waterfowl seasons.

Sage hen season opens August 23, simultaneously with area 2 and 3 antelope hunts, and ends September 4. The sage hen hunt area includes Harney and Milheur counties and Lake county east of highway 395 and the Warner valley road. Bag limit is four sage hens per day and not over eight during the season. These birds are the largest American grouse and require hard hitting to bring down. Use of shot smaller than number 5 or 6 is not advised.

## Mulloy, Talbert Gain Day's Rest

CHESTNUT HILL, Mass. Aug. 21 (AP)—Two "old" American racquet-players — Gardner Mulloy and Bill Talbert gain a day's rest this week, an important day that might help them break Australia's tennis dominance and bring home the 71st national doubles crown.

By the luck of the draw these veterans, last American winners of the title in 1948, must play their quarter-final match Thursday. Friday the 38-year-old Mulloy can rest his elderly legs and the 32-year-old Talbert his wearying shoulders before a stretch drive that may find them pitted against the greater Australian defending champions, Frank Sedgman and Ken McGregor.

"Makes a difference at my age," said Mulloy. "Gives you a chance to bounce back a little. I don't know how far back we can bounce but it's a break anyway."

Mulloy and Talbert play their quarter-final match Thursday against Hamilton Richardson of Baton Rouge, La., and Bob Perry, Los Angeles, a 19-year-old pair playing as partners for the first time.

## Captains Named For Shrine Test

PORTLAND, Aug. 21 (AP)—Doug Simmons, Astoria center, and Dick Knight, Grants Pass halfback, have been elected co-captains by the State all-star football team for Saturday night's Shrine game against Portland all-stars at Multnomah stadium.

Coach Mel Ingram pronounced his state team in top shape with the exception of John Harbour, Grants Pass tackle, who will not be able to play because of an injury.

Saturday night's game will be the "rubber" game between State and City as the teams have each won two apiece.

While most people assume that the sparrow is our most abundant bird, actually the robin holds that distinction.

## Mrs. Stipe Wins Golf Competition

Mrs. Bud Stipe won the Oregon Women's Golf Association trophy in competition with members of the Bend Women's Golf Club, according to scores compiled today by Mrs. A. H. Marshall, tournament chairman.

The trophy is awarded to the player who compiles the four best rounds of 18 holes during six weeks of play. Mrs. Stipe, who has shown great improvement this year, came through with a total of 320 for her 72 holes of play, which was nine strokes less than the record of the runner-up, Mrs. Harold Milby, who had 329 for her 72 holes. Mrs. George Thompson was third.

In the blind bogey tournament held by the golfing gals yesterday Mrs. Harold Waterman took first prize in class A for 18 holes with a net 50. Mrs. George Cove was winner for 9-hole play in class A with a net 38. In class B play for 18 holes Mrs. Vern Larson topped the field with a 65 net.

Next Wednesday the women will stage an "even holes" tournament, in which they play the full 18 holes but only the scores on the even holes are counted in the tabulations to select the winners.

## Graham Defeats Carmen Basilio

CHICAGO, Aug. 21 (AP)—Billy Graham believed Thursday he has the script memorized to become the next welterweight champion of the world after taking a 10-round unanimous decision from Carmen Basilio in a "warm-up" fight.

"It was a good warm-up fight for Gavilan," Graham said after the fight Wednesday night in the Chicago Stadium.

Basilio used a similar weaving style except he keeps his head lower. After three previous fights with Gavilan and the match with Basilio, I think I know Gavilan well enough to beat him," the number one welterweight contender said.

He meets Kid Gavilan, the welterweight champion, in Cuba for the title Oct. 4.

Graham, 29-year-old New York Irishman, said he was afraid to hit Basilio on the head more because he didn't want to hurt his hand.

Graham entered the ring at 148 and Basilio weighed 146½.

It was Graham's 97th victory in 113 fights and Basilio's 10th loss in 45 matches.

## Beginner's Luck Scored by Couple

Mr. and Mrs. Vern Singleton, 132 Yale, have something to say about "beginners' luck."

Both drew antelope tags for the special season in the local district, and both bagged their game, in trips to the Hemstead Valley in the Millican country. Singleton got his game on Sunday; his wife, on Monday. Neither had ever been antelope hunting before.

On Sunday, Singleton was accompanied by Calvin Charmon, 2557 E. 2nd. He, too, made a kill, but it was a repeat experience for him.

## Dick Yost Only Oregonian Left In Tournament

SEATTLE, Aug. 21 (AP)—Dick Yost, who has been winning tournaments in Oregon with regularity lately, was the only Oregonian left Thursday in the national amateur golf championships here as the field narrowed to 16 contestants.

Yost, the Portland sharpshooter, got by two opponents Wednesday while Dick Hanen of Coos Bay and Roy Wiggins of Oswego were eliminated.

Hanen lost to Jack Westland of Everett, Wash., 5 and 4, and Wiggins was eliminated by Dr. George Trainor, Rochester, N. Y., 3 and 2.

Yost won his first match from Billy Joe Patton, Morganton, N. C., 3 and 2, and his second from 17-year-old Jack Lumpkin, Athens, Ga., 2 and 1.

Yost was scheduled to meet Ed Meister, Jr., of Willoughby, O., Thursday.

## Lend-Lease Plan Dropped by Loop

NEW YORK, Aug. 21 (AP)—The American Hockey League's lend-lease program with the National Hockey League was terminated Thursday in one of the most drastic moves ever taken by the AHL.

Apparently striving for more independence, the board of governors of the AHL decided at a meeting Wednesday night that under no conditions may any player loaned to their teams by the NHL be recalled at any time during the regular season or playoffs.

In previous years, the NHL clubs could recall players after a 14-day period up to Feb. 15, or after that date only if one of their players was injured. This tended to weaken AHL teams and reduce their chances for a playoff berth.

The governing representatives of the nine AHL teams also voted to reduce the player rosters to 13 men, including goaltenders, and announced the 1952-53 season will open Saturday, Oct. 11.

## Panthers Plan Opening Session

REDMOND, Aug. 21 — All high school boys interested in football are requested to report at the Redmond Union High School gymnasium Friday, August 22, at 9 a.m. At that time Dr. J. H. Stewart, tri-county health department medical director, will make physical examinations, and coach Arch Dunsmoor will issue equipment. Two practices will be held daily Monday through Thursday, at 9 a.m. and 3 p.m., for all but freshmen. The latter will start practice Thursday morning at 9. After school opens on Friday, August 29, daily workouts will be held following classes. Dunsmoor says present team prospects are good.

The first football activity of the season will be in Prineville Sept. 5 at the Central Oregon jamboree. Schedule thereafter is: Home games, Sept. 12, Sacred Heart of Salem; Oct. 17, Sweet Home; Oct. 31, Bend; and Nov. 7, Prineville. Games away include: Sept. 19 with Illinois Valley at Cove Junction; Sept. 26, Burns; Oct. 3, Lebanon; Oct. 10, Lakeview; and Oct. 24 at Madras.

## Salem Nicks Caps By 3 to 1 Count

(By United Press)  
It wasn't golf but there were a lot of "four's" in the Western International League Wednesday night.

For a starter, Bud Francis, 20-year-old rookie righthander, held the Vancouver Caps to four hits at Salem to help the Senators to a 3-1 decision. Catcher Art Thrasher's two-run triple in the seventh sewed it up for Salem.

Bob Greenwood, Tri-City hurler, came up with another four-hitter against the Victoria Tyees at Kennewick. It was good enough for a 6-0 victory as his mates unloaded a four-run outburst in the eighth to ice the decision.

Wenatchee had it easy at Lewiston as they pounded out 17 hits to take a 13-0 triumph. The Chiefs scored three runs in the first, three in the fourth and tucked the game away in the sixth with a five-run barrage.

Spokane took a twin bill from Yakima posting a 8-3 win in the opener and a 2-1 decision in the nightcap. Just to keep in step, Spokane scored its winning run in the second game in the fourth inning as Jim Brown scored on an in-

## Jim Duff Hurls 9 to 7 Victory For Baker Team

Bend's schoolboy pitcher, lefty Jim Duff, is doing right well by himself as a recruit hurler for Baker in the Tri-State Baseball league, according to word received here from across the Blue mountains.

The towering Jimmy pitched Baker to a 9 to 7 win over La Grande Sunday, after having done four innings of relief work against Pendleton the night before. The bespectacled Jimmy was well out in front in the La Grande game until the last two innings when four runs were scored, but his manager kept him in for the entire distance, thus showing his confidence in the former Bend High School chucker.

In the relief stint the night before Duff gave up but one hit and one walk during the four innings he was on the mound, although Pendleton was out in front 12 to 1 when Duff took over the pitching chore. The game ended with Baker on the wrong end of a 12 to 5 score, and his team-mates having annexed three more runs while he was on the mound.

## Upstream Spawn Area is Studied

Steamboat and South Umpqua falls on the Umpqua river system are being surveyed by game commission engineers for fishways that would open upstream spawning areas to salmon and steelhead.

Regional Game Supervisor Jim Vaughn of Roseburg describes Steamboat creek, tributary to the North Umpqua river, as a major spawning stream for steelhead. Steamboat falls, located six miles above the mouth of the creek, bars fish passage to scores of tributary streams in all but high water stages.

Fish passage facilities at South Umpqua falls on the South Umpqua river would assist spring Chinook salmon which concentrate below the falls.

Both falls were recently inspected by representatives of the game commission and U. S. fish and wildlife service and Game Commission Engineer George Kernan is now conducting the survey work.

If approved by the game commission, the fish passage facilities would be built with federal aid funds derived from the fishing tackle excise tax.
