Seattle Rainiers Defeat Portland By 6 to 1 Count

By SCOTT BAILLIE

SAN FRANCISCO, Aug. 21 (AP) — Oakland's crushed fans discovered today that life still can be beautiful just as long as slugging Jim Marshall continues his heroic battle for the coast league home run title.

Marshall, who wears such a tremendous price tag that the smart boys have dubbed him "Mr. "Mr. Franchise," belted two more homers against Hollywood last night and drew to within five circuit clouts of the Star's Dale Long. The Twink first sacker paces the league with 27 round trippers, one more than Bill Howerton of the Acorns. Marshall now has 22.

Hurt Leg

The Compton clouter was going great guns in the home run derby in mid-July, then injured a leg playing against Portland and missed about 13 games. This left him considerably off the pace when he finally got back into the lineup. Now he is just as hot as the Oaks are cold.

Hollywood crushed Oakland 7-3 last night despite the brace of homers that Marshall contributed. The blows ran his streak to three in two days. He slammed one against Mel Queen on Wednesday afternoon with the bases loaded. The triumph left the Stars a comfortable 10 games ahead of Seattle, which dedeated Portland 6-1. Jehosie Heard failed to weave his usual magic spell over the Suds and left with his trappings after two innings on the wrong end of a 5-1 score.

Other Games

San Diego swept to its fourth straight triumph over Sacramento with the aid of a seven-run splurge in the seventh frame that juiced the final score up to 9-5. It marked the second time this week that the bordertowners have rolled the Senators for seven runs in one frame. It happened before on Tuesday.

Lloyd Dickey proved that the PCL still is a minor league by uncorking five wild pitches in the same inning for San Diego and still earning his seventh win of the year. Chesty Chet Johnson was deflated for his 13th reversal.

San Francisco scored two runs in the 10th to down their Los Angeles tormentors, 5-3. Elmer Singleton, who was the third pitcher to climb the hill for Tommy Heath, came on in the ninth to get his 14th win. Nini Tornay singled in two runs off Randy Gumpert in that frame after Bud Hardin fumbled Leo Righetti's grounder to fill up the bases.

PLAY OPENS

PORTLAND, Aug. 21 (AP)—Some 82 golfers open play today for the Oregon Golf Association's medal play championship over the Oswego Lake Country club course. Dick Yost, who is in the Army and will not compete, won the title last year. The 72-hole tourney ends Sunday afternoon.

ZIMMERMAN FIRES 66

MONTREAL, Aug. 21 (AP)—Al Zimmerman of Portland, Ore., fired a four-under-par 66 yesterday to rank among the leaders in the LaBatt open. Zimmerman was tied with two others and was two strokes behind the leader, Jerry Barber.

Veeck Thinks Major League Talk is 'Tempest in Teapot'

By HAL WOOD

SAN FRANCISCO, Aug. 21 (U.P.) — The talk about bringing Major League baseball to the West Coast is a "tempest in a teapot," Bill Veeck, owner of the St. Louis Browns said today after completing a two city survey of Pacific Coast possibilities.

"There isn't a ball park ready for Major League baseball on the West Coast," Veeck said, "and until there is, I can't see how there can be much talk of moving an American League franchise here."

To Report to League

"However," he said, "you must remember that I am visiting many cities and no conclusion has been reached yet. I must report to an American League committee my findings. Until that time, there can be no possible decision made."

In Chicago, Vice President Charles Comiskey of the Chicago White Sox announced that Veeck had been authorized by a committee composed of himself, Tom Yawkey of the Boston Red Sox and Walter Briggs of the Detroit Tigers, to hunt for a new location for the Browns.

Seals Stadium Deal

Baltimore, now in the International League, apparently has first call on the proposed move. However, Veeck admitted that he was not overlooking any possibilities.

Veeck headed today for Los Angeles and further talks with officials there.

Both Veeck and Paul Fagan, owner of the San Francisco Seals Stadium, denied having reached any agreement on sale of the ball park, or even to having conferred with each other. However, from city hall spokesmen it was learned that a "tentative agreement" had been reached upon the sale price of the concrete arena which seats 22,500 and could easily be enlarged to handle crowds of about 30,000.

Teams Eliminated From Tournament

PORTLAND, Aug. 21 (U.P.)— Willamette and Hillsboro were out of the running in the double-elimination ABC tournament today. Oregon City edged Willamette 5-4 and Heales' Babes nosed out Hillsboro 4-3 in locers' bracket games.

Tonight's games match Forest Grove and Norgan's Beavers and Verboort and Archer Blower.

Weekly Angling Report Listed

How's the fishing?

This question, asked frequently of Bend residents by strangers here on vaction trips, still can be answered in the affirmative, despite lateness of the season. Fishing is good—if one goes where the fish are biting, and that includes most of the high Cascade lakes, according to anglers who have visited them this week.

Taylor burn lakes and others in this area have been producing excellent catches, with some real "lunkers" being taken from Mink lake, it is reported. Persons with boats, who can cross Waldo lake and reach some of the smaller lakes on the Willamette valley side of the Cascades, also have been making killings, it is reported.

More accessible lakes, such as Blue, Paulina, East, Sparks, Todd, the Lavas and Suttle are just fair at present, although some excellent fly fishing has been reported from Blue lake, and "bottom" fishers with salmon eggs for bait have been doing quite well in Paulina.

Camp Ground Open

The Oregon Game commission reports that Three Creeks lake also affords good trout fishing, and that the camp ground there now is open. Wickiup reservoir, running low on water except in the main channel, continues only fair, but Crane prairie, after a quiet period, is starting to improve. Davis lake has been good of late.

Waldo, which was "hot" early in the season, now has cooled off. R. L. Borocicka, asked for an explanation of why Waldo, the largest of the high Cascade lakes in Central Oregon, usually provides good trout fishing only in the spring and fall, expressed the opinion that water temperature may have something to do with it. Eastern brook trout are inclined to go into deep water when water temperatures increase, Borovicka explained.

The upper Deschutes river continues to provide good catches

South and North Twin lakes also are yielding good catches, and the Ochoco reservoir has improved. The Deschutes river between Bend and Redmond, although very low, produces some large brown trout for those who fish the deep holes with bait, it is reported.

Quail Hunting Prospects Good

PRINEVILLE, Aug. 21 — The 1953 quail crop in Crook county, now being eyed with pleasure by members of the local chapter of the Izaak Walton league who report prospects for hunting the best in years, is making itself known to home owners of suburban districts. Large coveys of young birds, accompanied by the adult pair, have been reported as daily visitors on lawns around homes of Ochoco heights. Hundreds of the handsome quail are heard calling in the early morning from surrounding covert.

Quail are reported plentiful in all parts of Crook and Jefferson counties, and a heavy population of doves is also reported. Following a closed season for several years, hunters will be privileged to shoot quail and dove this season on the North Unit acres of Jefferson county this fall.

Two Dogs Entered In Albany Trial

"Deschutes Pat," a Black Labrador retriever owned by Lloyd Magill, and "Duke of Bolliver," a Golden Labrador owned by Duncan McKay, will be entered Sunday in the Willamette Valley Retriever club's second A.K.C. sanctioned trial, it was reported today.

Both dogs are being trained by Wayne Faddis of this city. In the Willamette valley competition the dogs will retrieve from land and water. The trials are being held at Conser lake, near Albany, and are open to the public without admission charge.

Pennant-Bound Brooklyn Takes 13th Win in Row

By CARL LUNDQUIST

NEW YORK, Aug. 21 (AP)—Charley Dressen, who knows he will be back in Brooklyn next year with a substantial raise, even if it hasn't been announced by the Dodger front office, decided today to get some pay boosts for a few of his key players.

Dressen is not at all disturbed because he hasn't been re-hired, even though Charley Grimm, Eddies Stanky, Steve O'Neill, and Leo Durocher are all set for 1954, and they haven't made nearly the showing with their clubs that Charley has made with the Brooks.

"We're shooting for a lot of things," Dressen said as he poured champaigne following Brooklyn's 13th straight victory, 10-0 over the Giants yesterday.

Shooting For Cash

"The big thing, of course, is the pennant and nothing else really matters until we win that. But I've told the boys that there could be something in the salary department for them if they could do a few other things, too."

"Carl Furillo at .330 could win the batting championship while both Roy Campanella and Gil Hodges at 113 and 104 have a chance for the runs batted in title," he said. "Carl Erskine could have the best earned-run average and the best percentage, even if he doesn't win 20 games. And Campy still has an outside chance for the home run championship."

"I hope they all make it and I hope they all get a lot more money if they do."

Brooklyn drove another nail into the coffin the Giants have decided to occupy when Erskine held them to four hits and shut them out for the second time in a week.

The victory gave Brooklyn a nine game lead over idle Milwaukee, the widest the Dodgers have enjoyed this season.

Yanks Move Up

The Yankees also moved nine games in front of the second place White Sox by topping the Senators 7-0, as Ed Lopat won his 11th straight game.

The Indians topped Detroit, 13-7, pounding out 18 hits including a two run homer by Jim Hagan who drove in four runs with three hits. Bob Lemon won his 17th game with relief help from Bob Hooper.

In the National League's other games, Robin Roberts again failed in his quest for his 21st victory when the Pirates topped the Phils, 5-2, by scoring all of their runs in the final three innings; and St. Louis defeated the Cubs, 5-3, as Wilmer Mizell hurled a seven-hitter and drove in two runs with a double.

There were no other major league games scheduled.

Coleman is Due Back With Yanks

SAN FRANCISCO, Aug. 21 (AP)—Capt. Jerry Coleman, Marine fighter pilot and New York Yankee second baseman, will arrive here from Korea within three or four days and be discharged immediately, according to the Marine Corps.

Coleman, 29, was recalled to active duty Jan. 11, 1952, and has been attached to the 1st Marine Air Wing in Korea.

There is a chance that Coleman, a San Francisan, will see action with the Yanks as a pinch hitter or utility man during the final weeks of the American League pennant race.

An average of 100 scheduled flights across the North Atlantic is made in each direction each week.

Cavarretta May Lose Cubs Job

CHICAGO, Aug. 21 (AP)—Phillip K. Wrigley, owner of the next to last place Chicago Cubs, said today he will wait until the end of the season before making any decision on whether to keep Phil Cavarretta as manager.

Wrigley said he wants to "sit down and have a little chat" with the field boss of the Cubs.

"I'd like to let things cool off a little," Wrigley said. "Everybody's quite excited right now and I don't think that the time for contract signing here yet."

There have been consistent rumors that Cavarretta, who guided the Cubs to a fifth place finish last year, will be replaced by Stan Hack, former Cub third baseman and currently manager of Los Angeles in the Pacific Coast League.

Wrigley refused to confirm or deny the rumors. He also has been consistently evasive about voicing any vote of confidence in Cavarretta.

Seixas, Trabert Meet in Tourney

CHESTNUT HILL, Mass. Aug. 21 (AP)—Vic Seixas and Tony Trabert, America's Davis Cup hopefuls, play their quarter-final match today in the national doubles tennis championship but client anticipation is growing over one of tomorrow afternoon's semi-final matches.

The upset team of Virginian Hal Burrows and Californian Straight Clark may repeat history in their match Saturday with second seeded domestics, Gardnar Mulloy of Miami, and Billy Trabert of New York City. Burrows and Clark defeated the four time winners of the doubles crown in Mexico last October.

The fourth seeded Americans qualified to meet Mulloy and Talbert by eliminating the young Australian "wonder boys" Lewis Hoad and Ken Rosewall, yesterday, 5-7, 14-12, 18-16, 9-7.

Senators Blast Tri-City 9 to 5

(By United Press)

Salem's Senators brought their big-guns into play and blasted a 9-5 win from Tri-City in a Western International league game last night.

Jerry Ballard helped along a five-run fourth inning with a two-run homer and Jim Deyo contributed a triple and a double good for five runs batted in.

Spokane saw its league lead shaved to half a game by losing a 5-1 decision to Lewiston. In other games Edmonton downed Victoria 8-4; Wenatchee edged Yakima 7-5, and Vancouver trounced Calgary 11-6.

VAN LEUVEN HURT

PENDLETON, Aug. 21 (AP)—An injury to Quarterback Darry Van Leuven of Bandon dimmed hopes of the West class B all-star football game today. Van Leuven, who had been counted upon heavily, suffered a knee injury which may prevent him from taking part in the benefit game here August 29.

YAKIMA WINS

YAKIMA, Wash., Aug. 21 (AP)—Yakima edged Lewiston 4-3 last night to win the regional American Legion junior baseball crown and the right to compete in the sectional tourney at Hastings, Neb.

Camp Adair Now Used for Classes In Conservation

OREGON STATE COLLEGE—Where a few short years ago young men were learning the art of destruction in modern warfare, Oregon State college students now are receiving lessions in the conservation of wildlife.

A 1200-acre tract of land on the former Camp Adair site nine miles north of Corvallis has been taken over by the Oregan state game commission as the E. E. Wilson Game Management area.

Through a cooperative agreement with the game commission, students in the Oregon State college department of fish and game are able to use the area as a vast outdoor laboratory where they may put their theories and techniques learned in classrooms into actual practice.

As their part of the agreement, the students assist the game commission in wildlife surveys and take game bird counts. The area holds a huge population of game birds which is growing each year.

Last January for example, students conducted a drive census of approximately 400 acres in the center of the tract. Some 695 pheasants were counted for an average of nearly 174 birds per 100 acres. This population density would compare very favorably with such famous areas as Malhuer county and South Dakota, according to Lee Kuhn of the fish and game department.

During the same count, 194 bobwhite quail and 78 valley quail also were tallied.

When the area was checked again in April, the pheasant count had dropped to 349 with 109 bobwhites and 47 valley quail noted. This indicated the area had held a heavy wintering population of both pheasants and quail, but as breeding season approached, the birds scattered to the fringes or left the region entirely.

Shrine Coaches Say Teams Ready

PORTLAND Aug. 21, (AP)— Coaches for City and State all-star football teams today pronounced their forces in good shape for tomorrow night's Shrine game here, but City Coach Harry Scarff was the most optimistic.

"I believe it is one of the best balanced city squads I have seen," Scarff said. Pete Susick, head man for the staters, was more cautious — saying "they've been looking a lot better the past few days."

Game time tomorrow night is 8:15. Pre-game ceremonies start at 7:45.
