By JOHN GRIFFIN
United Press Sports Writer

Marquette ran its winning streak, the longest among the nation's major colleges, to 12 games with an 82-78 victory Wednesday night over Louisville, currently ranked 19th nationally.

Riding Crest Of Wave

Dayton went into its game with Cincinnati made the Flyers their having just beaten powerful Duquesne to cap a comeback after being defeated in the Holiday Festival tournament last month. But Cincinnati made the flyers their third straight victim.

An upset that would have been a real stunner was threatened for a time Wednesday night before LaSalle, the nation's No. 3 team, failed to beat Muhlenberg, 88-79.

Muhlenberg surprised by driving to a 48-42 lead early in the second quarter and then withstood LaSalle's battling to stay in front as long as 57-52. But All-American Tom Gola and Alonzo Lewis sparked LaSalle in a string of 10 points to gain the lead and the explorers never were headed. Lewis nipped Gola, his much more famous teammate, for scoring honors with 24 points to 23, while Bob Gall of Muhlenberg matched Gola's total.

Conference Results

In leading conference games: Duke rallied to beat South Carolina, 82-64, in the Atlantic Coast Conference despite 25 points by Carolina's Bernie Fanning; and George Washington, defending champion of the Southern Conference, followed Corky Devlin's 39 points to a 79-65 victory over William and Mary.

In other games: Temple scored its eighth victory in 12 games, 67-51, over Albright as Hal Lear scored 22 points; Fordham ran its victory string to seven games by edging Columbia, 71-68, as Ed Conlin scored 27 points; Bill Johnson's 24 points led Colgate to a 90-72 victory over Army; Penn State scored its 42nd straight home court victory, 107-85, over Syracuse as Jesse Arnette scored 38 points; Washington and Lee won its first Southern Conference game in the last 14 starts, 88-63, over Virginia Tech; Villanova downed Kings College (Pa.), 97-71, despite 27 points by Bernie Panzak of Kings; Amherst trounced Harvard, 70-47; Navy crushed Franklin and Marshall, 90-50; Toledo edged Bowling Green, 75-69; and Denver routed Colorado College, 109-60.

Furman Scoring Best in Nation

NEW YORK (UP)—Furman, which set a new major college record of 154 points in a single game during the past week, took over the national basketball scoring leadership today in weekly major college figures released by the NCAA.

Amazing everyone by continuing to tally points in box-car numbers despite the graduation of record-buster Frank Selvy, the "Purple Palladin" of Furman now have averaged a fantastic 99.2 points per game.

Furman has won the national scoring title for the last two seasons, led by Selvy, and a third straight title would equal a record set by Rhode Island State, with its famed "fivehorse" teams of 1936-39. Furman moved up to take over the scoring lead with its 154-67 triumph over the Citadel and a 102-85 victory over Erskine.

The performance against Citadel wiped out the major college record of 149 points that Furman set last year against Newberry. The Palladins, by scoring 84 points in the first half, smashed another major college mark and narrowly missed a third when their total of 61 field goals fell two short of the 63 they scored against Newberry.

The statistics, complete through games of Jan. 11, show Furman with a substantial lead over second-place Connecticut, which has averaged 93.8 points per game. However, despite its high-scoring high jinx, Furman has only a 5-5 won-loss record while Connecticut has won 12 and lost only one.

Marshall College was third with 92.0 points per game, followed by DePaul with 90.7 and Virginia with 89.3 to round out the top 10.

San Francisco retained its national defense leadership during the past week, and even lowered its average to 48.3 points per game, the best record of any team at this stage of the campaign since 1952.

Oregon State was second in defense with a 52.0 points allowed per game average. Oklahoma A and M, the national leader in 15 of the last 19 years, stood third with 51.0, followed by Santa Clara at 50.5 and Southern California at 50.7.

'Elimination' Fight Won By Castellani

CLEVELAND (UP)—Rocky Castellani's manager screamed "breach of contract" today when officials of the International Boxing Club refused to name Rocky the immediate middleweight challenger despite his "elimination" victory over Holly Mims Wednesday night.

Manager Alvin Naiman, wealthy Cleveland junk dealer, shouted, "I've got a contract! It says the winner of last night's fight gets a title shot at Carl Bobo Olson within 90 days. It's breach of contract if they try to name another challenger."

Castellani, who lost a title verdict to champion Olson in August, won a unanimous decision over Mims of Washington, D. C., at the Cleveland Arena in a 12-round bout that was advertised as an "elimination" to determine a challenger.

But Truman Gibson, secretary of the IBC, said today, "We'll see. There are a lot of it's. We want to see how Joey Giardello looks on Jan. 24. If he looks good, he should get the title fight because he's the Number One contender."

Giardello of Philadelphia, who had a knee operation earlier in the winter, is slated to fight Al Andrews at Norfolk, Va., on Jan. 24. It will be his first bout since the operation.

Castellani, ranked second among contenders, weighed 159½ pounds for Wednesday night's nationally televised bout that attracted 5,349 fans and \$22,786. Mims, rated No. 3, scaled 155½, as he suffered his first defeat in 14 bouts.

Rocky won by a fair margin Wednesday night but he did his challenger's cause little good by using his regular hit-and-hold tactics after he had promised to come in with a new "tiger technique."

It was a dull bout in which Rocky registered the only knockdown, dropping Mims with a left hook to the chin in the eighth round.

Teams Awaiting 'Crucial' Series

Oregon State and Washington meet in a pair of "crucial" basketball games this weekend at Corvallis that could go a long way toward deciding the Northern Division title.

Washington is the team figured to give OSC the toughest fight this season, and the Huskies are seething after dropping one of two games to underdog Idaho at Seattle last weekend. A sweep of the series for either club would definitely put it in the favorites role.

Oregon, which has assumed a "dark horse" role after taking three out of four from Washington State, travels to Moscow, Ida., for a pair with the unpredictable Vandals.

Church League Results Given

In the first round of Church league basketball Tuesday night the Catholics beat the Missionary Alliance by a score of 26-16.

High Cole was high point man for the contest with 14 markers while Curran took scoring honors for the losers with 12 points.

In the second game of the evening Episcopal led by Ralph Tolten with 15 counters defeated the Methodists 40-7.

The league plays every Tuesday and Thursday evening at the Kenwood gym. The games begin at 8 o'clock.

Redmond Loses To West Siders

West Side Tavern beat the "86" Corral Club of Redmond, by a score of 84-38 in Central Oregon league play last Monday on the high school floor.

Tom Ray lead the Bend scoring with 22 points followed by Sick Fox with 16 markers. Grindley was high for the visitors with 19 counters.

Bend scoring was as follows: Lee, 10; Kiel, 14; Pfaff, 6; Fox, 16; Latz, 14; Harris, 2; Ray, 22. Total, 81.

The following scored for Redmond: Hammaek, 6; Newbill, 2; Grindley, 19; Beimer, 2; Fultz, 21; Justice, 1; Henry, 2; Knorr, 2; Harris, 2. Total, 38.

SPORTSMAN'S DIGEST By Hal Sharp GUN-CLEANING TIPS

BEFORE CLEANING ANY GUN, INSPECT ITS ACTION TO MAKE CERTAIN IT ISN'T LOADED!

A BOLT-ACTION RIFLE IS THE EASIEST TYPE TO CLEAN EFFICIENTLY. SIMPLY REMOVE THE BOLT TO RUN PATCHES SWABBED IN GUN-CLEANING SOLVENT THROUGH BARREL TOWARD THE MUZZLE.

IF YOU FIND IT NECESSARY TO USE A WIRE BRUSH IN THE BARREL, PUSH IT CLEAR THROUGH BEFORE PULLING IT BACK SO IT WON'T SCRATCH THE BORE.

5. Outlaw the "hide - out" or "sleeper" play in which a player lurks near the sidelines, then speeds downfield to catch a pass.

6. Allow a change in cleats to round ends instead of flat ends if desired.

The committee officials hoped that the greater freedom in substitutions would give football two of the alleged benefits of the old unlimited substitution (or "two platoon") system — that is, efficiency of play and less injuries.

The rules-makers figure play will be more efficient because coaches will be able to adjust their lineup to meet situations at least once each period. And they figure the return rule will prevent injuries by easing the way for a player who is tired or nursing an injury to leave the game.

But the use of offensive and defensive " platoons" still will be impossible.

Crowell Leading Bruin Scorer

the win-loss record of the Bears hoop squad this year have compiled a record of 47 points to the Bruins, 401, despite the fact that the win-loss record of the Bears stands at five wins and four losses.

Jim Crowell, Lava Bear guard, is leading in the scoring column with a 10.7 average per game. Denny Olsen is tops in the shooting department however with a 35.1 percentage.

Ron Anderson and Roland Coleman appear to have a monopoly on the Bruin backboards accounting for a total of 153 rebounds.

As a team the Bend eagles have a shooting record of .281 but their point per game average of 44.3 is 3.1 points below the mark of their opponents 47.4.

Hilanders Next For Wrestlers

The Bend high wrestlers will meet the Burns Highlanders this weekend at the high school gym with the JY teams meeting at 7 o'clock and the varsity matches beginning at 8.

Burns will bring a squad of 18 men 10 of whom have had previous wrestling experience.

Bend Coach, Harold Carlisle, hopes for a crowd as large as the one that witnessed the Burns go down to defeat last weekend at the hands of the Prineville Cowboys by a score of 29-25.

Bend has been blessed with the addition of a heavyweight to the squad. He is 230 pound Bub Coen, and will fill one of the biggest gaps in the Bruin line-up.

It will be necessary for several of the Bend men to have their insurance paid before they may compete this weekend, Carlisle said.

WANDERER — Kenneth Hall, which, 7, a two-gun cowboy who set out to find a mythical "El Agache" in Texas is back home in Detroit, Mich. Kenny left home with his toothbrush, hairbrush and a box full of his favorite toys. He also had his bankbook with \$10.55 on deposit, and \$65,000 in stage money. However, the pistol-toting cowpoke was ambushed by police after a bus ride to downtown Detroit.

6 Rule Changes In Grid Game Due Next Year

NEW YORK (UP)—College football has six brand-new rules today — designed to give the game some of the "blessings" of the two-platoon system without any of its "curses."

A rule permitting more substitutions and five other more minor changes were announced Wednesday by an NCAA committee headed by Herbert O. (Fritz) Crisler — the group that has the "final say" on the rules of the game.

Under the new substitution rule, a player may leave the game once and return to the game once in each period. Last season, a player removed from the game could not return in the same period except for the last four minutes of the second and fourth periods.

The five other new rules were as follows:

2. A change in the signal for a "fair catch" from wig-wagging of a raised arm to a salute with one arm raised skyward. Changed because wig-wagging made it tough to catch the punt.

3. Allow the ball-handler on extra points or field goals to attempt to run, kick, or pass it, although his knee may be touching the ground when he "spots" the ball.

4. Make other linemen eligible to catch forward passes only if no other player on the team lines up closer to the sidelines.

5. Outlaw the "hide - out" or "sleeper" play in which a player lurks near the sidelines, then speeds downfield to catch a pass.

6. Allow a change in cleats to round ends instead of flat ends if desired.

The committee officials hoped that the greater freedom in substitutions would give football two of the alleged benefits of the old unlimited substitution (or "two platoon") system — that is, efficiency of play and less injuries.

The rules-makers figure play will be more efficient because coaches will be able to adjust their lineup to meet situations at least once each period. And they figure the return rule will prevent injuries by easing the way for a player who is tired or nursing an injury to leave the game.

But the use of offensive and defensive " platoons" still will be impossible.

Outlaws Drop First of Year

SPECIAL TO THE BULLETIN
THE DALLIES—The Sisters Outlaws lost their first basketball game of the season to St. Mary's of The Dalles last night by a score of 50-43 at The Dalles.

The Dalles squad lead all the way from the first quarter but Sisters managed to tie the score at 10-10 at the end of the first period.

The contest was almost even at 24-21 at the half but the third quarter saw St. Mary's pull away to lead by ten points at the end of the period.

In the final quarter The Dalles began a stall to run out the clock. Sisters went into a full court press in an attempt to gain control of the ball and succeeded in climbing to within four points of the St. Mary's team. The Dalles lusted out the game still in the lead by a score of 50-43.

John McCormie spelled the difference between the two teams as he poured in 24 of St. Mary's counters.

Ronnie Phillips was high point man for the Sisters hoopers with a total of 12 markers.

The Sisters team will play Dufur and Mosier this Friday and Saturday respectively.
