New COC Professor is Well Known for Forensics Work

Dr. Lester L. McCrery, who has accepted a position on the Central Oregon college staff and will be on the faculty when the 1955-56 school year opens, is widely known in the Pacific states for his forensic work. He served as western governor of the American Forensics association in 1953-54.

On the COC staff, he will teach speech, psychology, English composition and Spanish.

Dr. and Mrs. McCrery and their two children, a boy of 12 and a girl, 9, plan to move to Bend around June 1 to locate housing, then return late in August for the start of the school year. He will fill the vacancy created by the resignation of Albert Pike.

For the past six years, Dr. McCrery was a member of the staff of the California Institute of Technology, at Pasadena, Calif. He is coming to Bend because he likes this part of the country and its climate. Also, he has indicated great interest in the local college development and wishes to share in its growth.

"Central Oregon college is very fortunate to obtain the services of such an outstanding man," R. E. Jewell, local superintendent of schools, and Don Pence, COC director, said in their formal announcement that Dr. McCrery had accepted the local position.

Dr. McCrery is a graduate from the University of Washington. He received his A. B. degree from that school in 1933, and his master's degree in 1940. Dr. McCrery received his Ph.D. degree from the University of Southern California in 1950. His first work was in the field of journalism, with the Wenatchee Daily Sun, where he served as news editor. He taught in high school later, and has had considerable experience in adult education. He is the author of a special adult education course, "A Special Course in Speaking." Dr. McCrery also taught at the University of Washington, Eastern Washington College of Education and Montana University before joining the staff of Cal. Tech.

Dr. McCrery is author of a book, "Pocket Primer for Public Speaking." He is a member of Pi Kappa Delta, honorary speech fraternity, and also the American Forensic association, the Southern California Forensics Coaches association, Speech Association of America, and, among other groups, the American Psychological association.

Dr. McCrery is a native of Washington, and spent several summers working with the U.S. Forest Service in that state.

Kessler Cannon, who has been teaching "Fundamentals of Speech" at COC, will continue with the local college as part time instructor and will teach "Fundamentals of Broadcasting," "Voice and Diction," and "Oral Interpretation."

TO JOIN COC — Dr. Lester L. McCrery, for the past six years at the California Institute of Technology at Pasadena, Calif., has accepted a position with Central Oregon College in Bend and will join the local staff at the start of the 1955-56 school year.

New Council Chambers Due At Sisters

Special to The Bulletin

SISTERS—The City Council held their regular monthly meeting Feb. 10, with discussion of the new council chambers dominating the business session.

Means of building the new chambers were discussed and tentative bids were presented. Final bids will be let in the near future.

The council has been asked by the fire department to consider a new fire prevention code. Final decision on the request was tabled until a later meeting.

Valentine's Day was celebrated in Sisters with parties at school for the children. Parties for the younger brothers and sisters of the students in the Earl Russell school highlighted the day for the primary group. Fifth, sixth and seventh graders had parties in their rooms and passed out many Valentines.

The eighth grade girls were guests at a Valentine's Day party at the Serge Coval home Monday evening. The girls played games, danced, and made candy during the evening. Girls who attended were Sharon and Karen Ryan, Marilyn and Diane Miller, Doris Brandon, Dixie Caverhill, and Sunny Smith.

Pioneer Hospital Lists New Babes

Special to The Bulletin

PRINEVILE—From the maternity ward of Pioneer Memorial hospital comes the following news:

Mr. and Mrs. Donald W. Page are the parents of a baby girl, born Feb. 5 and weight on arrival, 8 pounds 10 ounces. She has been named Donalee and grandparents are Mr. and Mrs. George H. Crosswhite and Mr. and Mrs. Frank Page, all of Prineville.

Budget Session Set at Redmond

Special to The Bulletin

REDMOND — The preliminary budget meeting for school district number two will be March 9, according to principal Hugh Hartman. The date was set at the regular board meeting Monday night. Budget board members from last year will hold over, with one person to be appointed to replace Victor Clark, now living in Portland. Others are Ray Rogers, Fred Hodecker, Mrs. Leonard Downs and Rupert Park.

Teacher assignments were discussed but no work has been done yet on contracts. As of now, Hartman says, it appears that the same number of home room teachers will be needed next year as now, although the number of teachers in each grade may vary somewhat to conform with enrollments for each grade. It appears now, too, that the teaching staff will remain substantially the same. The peak enrollment this school year was 866, Hartman says, which has now leveled off to 825, always the low point of the year. Approximately 92 will graduate and some 122 incoming first graders are indicated by census figures, but plans are still in the estimate stage.

Hartman read board members the report of the routine inspection by the state fire marshal and advised that suggested minor improvements and procedures had met compliance.

Business Slow, Justice Reports

Special to The Bulletin

MADRAS — Justice court business slowed this week as Justice Al Suratt heard only two cases.

In the matter of a warrant against Bob Myer, Madras, threatening to commit the crime of killing one Vic Eslick, Madras, the justice found that the defendent would not commit the crime he allegedly threatened to commit, and the case was dismissed.

Johnny George, Simnasho, drunk on a public street, fined $10, and in lieu of payment, is serving three days. Arrest was made by Sheriff James Summerfield, Feb. 11.

Prineville Hospital

Special to The Bulletin

Feb. 12, admitted: Darrel L. Adams and Claude Dunham of Prineville. Dismissed: Mrs. Billy Hendrix and Ogel Reynolds Prineville: Robert Ormsby of Madras.

Feb. 13, admitted: Silas P. Taylor of Prineville. Dismissed: Louis Envart, Miss Nelda Reede, and Roy McKay of Prineville.

Feb. 14, admitted: Syd D. Pierce of Redmond, and Mrs. Lucille Lukson of Prineville. Dismissed: Jasper Ireland, Claude Dunham, and Martin Ditmier, all of Prineville.

RUHS Band Sets Public Concert

Special to The Bulletin

REDMOND — The RUHS band will present a public concert for benefit of the band uniforms fund Thursday, March 3, in the gymnasium at 8 p.m. Band members of both the high school and John Tuck bands are selling tickets in three price ranges for adults, students and children. Director Clyde Moore states that approximately $1,000 is in the fund now and donations from organizations and individuals are coming in. It is hoped that 52 new uniforms can be ordered this spring to arrive in time to be worn during the American Legion convention the end of July. The school band will also perform during the county fair parade.

The program March 3 includes "Till Eulenspiegel's Merry Pranks" by Strauss, "My Hero" from the Chocolate Soldier, arranged by Harry Alfred, and Bennett's "Scenes From the Sierras." Other numbers will be "Klaxon March" by Fillmore, "Westerner March" by Richards and "Curtain at Eight" by Harold Walters. A novelty number, "Little Bop Riding Hood" will feature narration by Dick Hammack and musical background by individual instruments. The majorettes will perform to Sousa's "Liberty Bell" march, and there will be two dance band numbers and other selections.

Cemetery District Directors Named

Special to The Bulletin

PRINEVILLE — Cemetery District Directors selected by voters of Crook County at the special election held Tuesday afternoon are Carey Foster, Ralph Breese and Russell Stanton.

Serving as election judges at the courthouse were Eula Adams and Velda McKenzie. Clerks were Nell Schee, Bernyce Byrd, and Jessie Parrish.

Henry J. Faulkner and John Sharp acted as judges at Paulina, while Sandra Hagberry, Barbara Severence, and Evalyn Bryant served as clerks.

Five Meetings Of Interest to Farmers Slated

Special to The Bulletin

REDMOND — Five meetings of particular interest to farmers of the region are scheduled in the next two weeks.

Tonight at 8 p.m. in Redmond high school study hall poultry raisers will hear discussions on poultry marketing and industry profits. H. R. Roy, general manager for Oregon Egg Producers will explain how his cooperative works. Opportunities in poultry raising and average returns from poultry in Oregon in the last 25 years will be presented by Noel Bennion, O.S.C. poultry specialist.

Gus Hagglund, Deschutes Farmers Co-operative, Redmond, is to be present to report on the plan set up here by Brentwood Egg Co., Portland, for disposing of surplus Central Oregon eggs. Effective Monday, Hagglund says, the co-op began receiving surplus eggs from local poultry raisers. The co-op, acting merely as a depot, will receive and ship these eggs to Portland Mondays and Thursdays. Brentwood does the grading and mails checks direct to the local producers.

On Friday, Feb. 18, the meeting on pasture lands will start at 10:30 a.m. in Redmond grange hall. OSC specialists are scheduled to speak. County Agent Gene Lear reports that notices are going out to some 800 farmers in the county regarding this meeting.

The Deschutes County Livestock Growers association will hold a formal organization meeting on Wednesday, Feb. 23 in Redmond grange hall starting at 1 or 1:30 p.m. At that time by-laws will be presented for approval and the first officers will be elected, on nominations from the floor. Ed Coles, secretary of Oregon Cattlemen's association, is to speak, and possibly Dr. Fred F. McKenzie, head of animal husbandry at the college.

The annual dairy day is Feb. 28 in Redmond grange hall, and on March 2 the Livestock and Meat Marketing conference will be held here.

March of Dimes Returns Mount

Returns from the 1955 March of Dimes jamboree, broadcast over KBND from the Pilot Butte Inn a week ago Saturday, have now reached $1,279.18, with some pledges not yet reported, Doug Gaines, jamboree chairman, has announced.

Returns from the 1955 jamboree exceeded those from last year's jamboree by nearly $300.

One tiny leak in your home can waste precious water at the rate of 200 gallons a day — more than 72,000 gallons a year.

Not a shift, but a switch of the pitch

And man! What that does for Dynaflow*!

HOTTEST BUICK IN HISTORY
No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

This is for sure . . .

There's never been anything in your car-driving experience like the feel of Buick's new Variable Pitch Dynaflow* — because there's never been anything like it in a car before.

In a modern plane, yes. For this *is* the principle of variable pitch propellers used on airplanes. Their propeller blades change "pitch" for quick take-off — then change to another "pitch" for better gas mileage in cruising aloft.

Now you can do the same thing on the ground — in a 1955 Buick.

Twenty propeller blades have been ingeniously engineered into the Dynaflow unit. They pivot — one way for a big boost in gas mileage while cruising — another way for brilliant new performance.

You switch the pitch for instantaneous acceleration just by pressing the pedal way down. Then it happens . . .

A build-up of momentum as smooth as oil—and as quick as a split second. Dazzling new response on getaway—or a spectacular burst of instant safety-surge power when you need it out on a highway.

It's pure thrill — and a happy surprise in its far better gas mileage in cruising. *Yet Variable Pitch Dynaflow costs not a penny more than earlier versions of this wonder drive.*

How about *you* trying it?

That way you can also look into the sizzling new horsepowers, the fresh new styling, the envied ever-level ride, the eye-opening low prices — all of which are making the 1955 Buick the hottest seller in all history. Come in this week, won't you?

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick
