Take your problems to Church this week

millions leave them there!

A New Day Ahead!

These young Americans are in the "pink." They feel that the world is their "oyster" and it probably is, for they, like millions of young people all over America, are healthy, intelligent and unafraid.

They face the future with the calm fortitude of the pioneering forebears. They are living in a FREE LAND and they intend to keep it that way.

No breath of subversive propaganda, no matter how cunningly presented, will ever sway them, nor will they allow its evil influence to mar their lives, for they have confidence in themselves and their country, and faith in the Will of a Divine Providence.

Each Sunday you may see them in church, for it helps them to strengthen their faith — their faith in their God and their Country. Too, it helps them to visualize that people of all ages, races and creeds are gathering in all the thousands of churches all over the country; each and every one a paramount symbol of a true Democracy.

This series of advertisements is published each week in The Bend Bulletin in the interest of all churches of the Central Oregon area, and is made possible by the following interested individuals and business establishments.
