Cow Production Report Issued

Special to The Bulletin

PETERBOROUGH, N. H. — A registered Guernsey cow, Sunnycrest Elsie, owned by Lawrence Allen, Bend, Oregon, produced 8,975 pounds of milk and 468 pounds of fat. This production represents approximately 4140 quarts of milk. This is according to the official HerdImprovement Registry record released by the American Guernsey Cattle Club. "Elsie" was a junior two year-old and was milked two times daily for 365 days, while on test.
