

When you bring in the turkey and all the trimmings...

# You'll be glad your Thanksgiving Foods came from SAFEWAY....!

## You Can Be SURE... If It's a SAFEWAY OVEN-READY U. S. Grade A Young 1955 TURKEY

UNCONDITIONALLY GUARANTEED  
Quick freezing is the modern miracle that makes it possible for Safeway to bring you turkey at its very best. Here's why: The birds go into the freezer WITHIN AN HOUR after being completely cleaned — inside and out. There's no chance for the meat to lose its "just dressed" flavor. All the preparation — killing, cleaning and freezing — is done in one continuous operation in spick and span plants by skilled workers... and... under U.S. Department of Agriculture supervision. Every precaution is taken to assure that you get a turkey that will eat tender, sweet and juicy.
