Benson Matched To 'Crazy Legs'

Forty players, including 24 draft choices and 16 free agents, are listed on the San Francisco 49er roster for the opening of the rookie training camp at St. Mary's College, St. Mary's, Calif., on July 28.

The actual number of newcomers who'll report to Head Coach Frank Albert will be 35 because the first five draft choices of 1956 will be at the College All-Star camp.

Although 33 veterans will report Aug. 4, Albert, serving his first year as head coach, has promised all the rookies a good shot at a paying berth.

"We obviously need help at several positions," he said, "and we'll have to depend on rookies for come-through performances."

National Football League observers have tabbed the 49ers' problems as fast offensive ends, offensive tackles, and offensive center replacement for Bill Johnson, now a member of the coaching staff; a solid passer behind Y. A. Tittle at quarterback; a big, speedy back to give Joe (Jet) Perry help at fullback and the old need for defensive halfbacks.

Five rookie offensive ends, all former college trackmen, will get special attention. They are Chuck Smith, Abilene Christian; L. C. Joyner, East Contra Costa Junior College; Dean Benson, Willamette; Pete Toomey, Washington State, and Clyde Conner, College of Pacific.

Benson is built on the dimensions of Los Angeles' great Elroy Hirsch — 6-3, 195 pounds — and looks enough like "Crazy Legs" to be his twin brother. He narrowly missed winning a place on the Olympic track squad after running the 110-meter hurdles in 13.8.

PLAYER SIGNS
EDMONTON, Alta. (UP) — Robert Henrich, an 18-year-old infielder from Compton, Calif., has been acquired by the Edmonton Eskimos of the Western Canada baseball league. Henrich is expected to be in uniform today for the game against North Battleford.

MEOWS FROM THE GRILL
NEW YORK (UP) — William Harris Jr., wondered what the strange noises emitting from his motor could be until he lifted the hood of his car. He found his pet cat between the grill and radiator. Harris had just driven 26 miles from his Tappan, N. Y., home.

JOINS NAVY—Jack L. Finstad, son of Mr. and Mrs. Jacob Finstad of Gilchrist, recently enlisted in the U.S. Navy through the Bend recruiting office and is now in training at San Diego, Calif. A brother, David, is also in the navy and is now in Japan. (Bend Bulletin Photo)

Jefferson Softball Rase is Tight

Special to The Bulletin
MADRAS — Shangrila Cafe still maintains a small margin in Jefferson County Softball league play but with little over a week of play remaining, two teams are within striking distance of the loop leaders.

The cafe squad, with 10 wins and two losses, has an .833 average. Close behind is Jefferson Potato, which this week dropped Suratt's to third place. Jefferson Potato has eight wins and three defeats for .727.

Suratt's has won six and dropped three and has .667. Ahern's Grocery, in last place a week ago, is fourth with a 2-7 mark, and a .166 percentage. Culver Seed trails with a 1-9 record and .100 per cent.

Friday, Jefferson Potato, currently the hottest team in the league, takes on Culver Seed. Monday, Ahern's and Suratt's clash. Tuesday evening will see Shangrila against Jefferson Potato.

The next night, Suratt's and Culver Seed are billed. Jefferson Potato and Ahern's go Thursday. The season is to close Friday when Culver Seed meets Shangrila.

Three Marines Die in Crash

PORT ORCHARD (UP) — Three young Marines from the Bremerton Marine Barracks were killed instantly here early today when their car failed to make a turn and crashed into a utility pole.

Killed were Thomas W. Garrity, 21, Ocean City, Wash., Cyrus Yellowmule, 22, Wyola, Mont., and Manuel Nevarez, 23, El Paso, Tex. Garrity was the driver.

Flood Insurance Plan Called Up

WASHINGTON (UP) — The House today called up for action a bill that would set up an "experimental" \$3 billion federally-subsidized flood insurance plan.

House approval seemed likely. The Senate approved the bill by a 61-7 vote on May 10.

The five-year program would provide for the federal government to pay 40 per cent of the insurance premiums on commercial properties and as much as necessary on private homes to make the program feasible.

The measure set the total federal risk at \$3 billion. However, it permitted the President to raise this to 15 billion. A \$250,000 limit was placed for any industrial policy holder and a limit of \$10,000 for a dwelling unit.

The Senate also adopted a provision, sponsored by Sen. William F. Knowland (R-Calif.), calling for the federal and state governments to split the 40 per cent government share of the insurance premiums after June 30, 1959.

Ships Damaged In Collision

SEATTLE (UP) — Two Military Sea Transportation Service ships collided in a dense Puget sound fog this morning with considerable damage to both ships but no injuries to ship personnel, the Navy reported.

Capt. N. E. Smith, chief staff officer for the MSTs North Pacific sub area, said the USNS Gen. H. B. Freeman, a transport with about a mile and a half southeast of Morrowstone Point light.

The Freeman was inbound from Alaska where the ship had taken on Army passengers from Operation Gyroscope. With a fast in her side, the Freeman's destination was changed from Tacoma to the Seattle Port of Embarkation. The San Louis Obispo was outbound from Puget Sound for Bahrien in the Persian Gulf, but was forced to return to Seattle shipyards for repair.

Capt. Smith said the collision will be investigated.

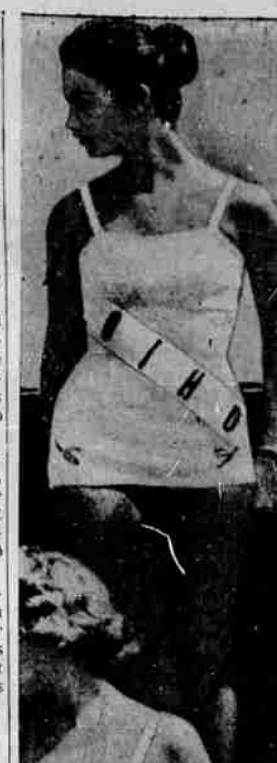

Ontario Man Dies in Accident

ONTARIO, Ore. (UP) — Francisco Montiel Yebra, 24, of Ontario, was fatally injured 11 miles north of here last night in a one-car accident on Highway 30. He died this morning in an Ontario hospital.

Riding with Yebra was Gregorio Hernandez, 48, also of Ontario. He threw himself on the floor boards and was not injured.

Police said Yebra's car went off the right side of the road and skidded for 138 feet in a ditch, then bounced back on the highway and rolled 210 feet before it stopped. Yebra was thrown from the car.

Heat Wave Proves Fatal To Turkeys

ALBANY, Ore. (UP) — Loss of 15,000 turkeys out of a flock of 40,000 owned by Verle Nofziger at Albany was reported today and there were indications of other poultry losses in the Willamette valley as a result of the mid-July heatwave.

Nofziger said his turkeys, only a few weeks away from market, seemed to become demented by the heat. They left shady places and ran about frantically in the hot sun until they collapsed. He said there was nothing that could be done to prevent the deaths.

County agents through the valley tended to agree, however, that losses in most flocks were confined to a few dozen birds. They reported that chicken raisers were also suffering some losses as a result of the near record heat.

Rendering plants reported they were processing a large number of birds killed by the heat.

Cases Disposed In Bend Court

Raymond Conrad, 41, of St. Paul charge against Omer L. Lailley for living with no license plates on his car was dismissed. Costs were assessed against Malcolm B. Graham, of 1910 E. Seventh street, for driving a car with an expired license.

Other sentences for intoxication were given to Ira E. McGraw, 56, a transient, \$20 or work; McGraw was released after finishing his work period; G. J. Holliman, 43, general delivery, \$20 or 10 days. Robert E. Allen, 28, general delivery, forfeited \$20 on the charge of intoxication.

Gordon F. Schossow, of 24 Railroad avenue, was sentenced to pay court costs of \$2.50 for jaywalking. Stephen J. Anderson, of 515 Lava road, was assessed \$5 for driving with no license plates on his car. James C. Haller, of 821 E. Second street forfeited bail of \$5 and costs for driving without lights. A delivered.
