

Olsen Breaks Leg as Madras Defeats Bend

Special to The Bulletin
MADRAS — The Bend Lava Bears dropped their second week-end contest to Madras, Saturday evening, 30-38, and in the course of the encounter last services of Denny Olsen, ace forward, for the remainder of the year.

Olsen, a classy six footer, received a broken leg in the first quarter and information available Monday morning indicated that he will not be able to compete in sports, for the remainder of his senior year.

The accident occurred early in the game as Olsen, driving for the basket, tripped and fell. He is currently in St. Charles Memorial hospital.

Olsen also received a broken bone in the football season. The grid quarterback broke his left arm early in the season, and was out all the rest of the season.

He had been playing basketball with a cast on his arm.

The game was the ninth consecutive victory for Coach Ole Johnson's White Buffaloes. The previous night, Madras breezed past the Lava Bears, 45-32.

Coach Glen Kinney's crew played what he termed "one of their best games" despite the loss of the sparkling Olsen. The tilt was close throughout, and Madras pulled to the winning 12-point margin only in the last two minutes.

Madras went into a 12-4 lead at the close of the first quarter and wasn't until the second stanza, which ended 21-14 in favor of the hosts, that the Bruins made their initial field goal.

In the first half, Bend shot a poor .144 from the field, making three of 21, compared with seven of 12 for the Buffaloes. In the second period, Bend solved the Madras zone defense and hit 12 of 36 field goal tries.

The Bears used a full-court press which bothered the hosts and kept the scoring low. Despite their lack of height, Kinney's crew were only out-rebounded by one, 28-27.

Paul Stine, 6' 2" Buff forward, was high for the night with a hot 25 points. Dick Weiser and Eugene Harris, each 6' 5", made 11 and 10, respectively.

Tops for the Deschutes county boys was Pat Connolly, 5' 10" sophomore forward. He made five of seven field goal attempts, potting four of four bonus shot tries, and led Bend rebounding with nine. He totaled 14 points.

Dick Hodge, 5' 11" guard, and Roland Coleman, 6' 4" center, each earned six points. Gene Hawes, 5' 11" forward, and Bill Maddox, 5' 7" guard, each had four. Rich Cannon, 6' forward, and Wayne Lucas, 5' 9" guard, each scored two points.

Madras led at all stops, 12-4, 21-14, and 40-30.

MUHS layvices defeated the Bend JV's, 63-57, in the first encounter of the evening. Bill Davis had 14 for Madras and Gary Gettman of Bend was top scorer with 17. Dick Lenaburg earned 14 for the Bend boys.

This weekend, Bend is away, playing at Marshfield and North Bend. Madras has a home-and-home series with the Redmond Panthers.

WHAT A LIFE—Denny Olsen, senior at Bend high school has had more than his share of bad luck since football started last fall. The top photo was taken this morning in the St. Charles Memorial hospital where Denny was taken after suffering a broken leg during the first quarter of the Bend-Madras basketball game Saturday night. In the bottom photo he is shown in the same room of the hospital with a broken arm, incurred in the Bend-Sweet Home football game early in the season. Denny's doctor reported today that he will be out of sports for the rest of the year. (Bend Bulletin Photo)

Rash of Fouls Spoils Cowboy Hopes Saturday

By HARDY MYERS
Bull. Staff Correspondent
PRINEVILLE — Jay Evans' Prineville Cowboys proved rather definitely here Saturday night, 63-51, that "he who lives by the foul must die by the free throw."

For it was in the locals' spacious hoop hall, Saturday, that the hosting Cowboys literally backed away a league victory over the Redmond Panthers, and smothered themselves in a flood of fourth quarter free throws that more than gave the visitors their fourth straight win.

The Cowboys committed 18 fouls in the final period of play that kept the willing visitors almost continuously at the foul line.

Prineville was down only three points after one minute of the fourth quarter when Redmond went into its expected delayed offense. The Cowboys went into their unexpected fouling spree.

Charly shot accuracy of the visitors soon settled the issue.

The Panthers of Coach Buck Kauffman led at all quarter stops. They had an 11-8 advantage at the first pause, 20-25 at the half, and 44-38 after three stanzas.

Statistically, it was a rather telling picture. The Cowboys outscored the visitors from the field, 19 goals to 18. But the Panthers canned 27 charities to the locals' 13.

The hosts were whistled for 30 fouls and the Redmond team was called down 15 times.

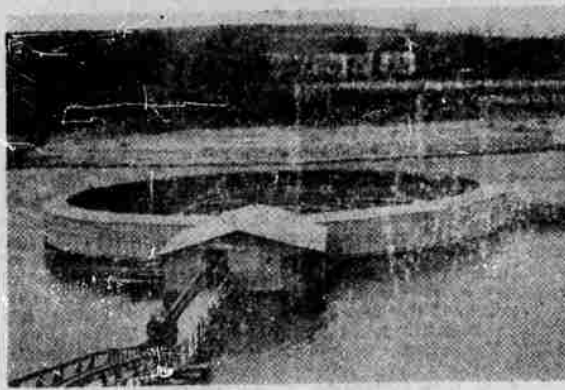

Individually, Earl Schult led the entire field with 25 points for Redmond. Schult had an astounding 15 free throws out of 17 attempts, while dunking five field goals.

Dave McCrea grabbed Redmond's runnerup honors with 13 points.

Big Jerry Moon, 6' 7" center, led Prineville with 21 points on seven field goals and seven free throws. Astoundingly, Mike Davison and Bob Berglund snared second place honors with only six points each.

In the preliminary, the young Cowboys soothed the evening's pain somewhat by crushing the Redmond junior varsity, 67-45.

Redmond, 63 51. Prineville
 F Eskew, 4 5. Robertson
 F Schult, 25 3. McInyre
 C Cooper, 4 21. Moon
 G Tittle, 10 6. Davison
 G McCrea, 13 1. Warren
 Substitutions — For Redmond:
 J. Brown 6, D. Brown 1.
 For Prineville: Berglund 6, Weiser 4, Thompson 3, Parrish 2, Weber, Johnson, York.
 Halftime: Redmond 44, Prineville 38.

"DONUT" FISH DOCK—A new idea in providing all-weather, year-round fishing, this dock is built on Lake Texoma, Oklahoma. This dock is not heated, as are some of the docks built by Oklahoma on its artificial lakes. These all-weather fishing docks are considered one of the significant fish management developments of the decade.

Hunt and Fish

with Virgil Rupp

Fisheries scientists now see the possibility of establishing new and valuable runs of salmon from man-made spawning grounds.

The survey is coordinated so that all counts can be completed in the 10 day period. This is to prevent overlapping counts of birds that move from one area to another. It assures the most accurate count possible.

Summer lake, Warner valley, Lakeview, Klamath, the Willamette valley and the coastal plains.

The results of one such experiment, begun several years ago on Jones creek in the British Columbia interior, were presented recently to an annual meeting of a fisheries research board in Ottawa.

Adverse conditions created by a power project in the area were overcome by establishing artificial spawning grounds.

Millions of salmon eggs were planted in these artificial beds. The experiment was judged successful when the salmon hatched there ultimately returned to their man-made birthplace, to spawn and die themselves.

These scientists were able to observe the complete life cycle of a race of salmon. They agreed the experiment offered prospects for establishing new runs of salmon.

We'll soon know how many ducks we have. Results from the annual waterfowl census, taken during the first two weeks of this month, are being tabulated.

State fish and game departments work with the U. S. Fish and Wildlife service in making the count.

The Pacific flyway census called for surveys as far south as Mexico City and included major wintering areas in California, the Mexican coast and portions of the interior. Length of time needed for the survey depends largely on the weather, but usually takes about 10 days for a complete count of Pacific flyway birds.

In Oregon, game biologists cover all major wintering areas, including the Snake and Columbia basins.

Culver Scuttles Maupin, 84 to 40

Special to The Bulletin
MADRAS — With Doug Humphrey lobbing a whopping 35 points into the basket, Buck Monroe's Culver Bulldogs outclassed the Maupin quintet at Maupin Saturday night, to win by a lopsided 84-40 score.

The Bulldogs had entirely too much speed for their hosts, increasing their lead in each quarter. With Culver ahead all the way, the score was 27-8 in the first quarter; 41-19 at the half; and 60-31 at the three-quarter period.

Besides Humphrey's sensational 35, the following players scored for the winners: Vic Youngs 16; Tom Herringshaw 14; Lyle Starries 8; Robert Pokacny and Bill Mishey 4 each; Jerry Carlson 2 and Ray Boatman 1.

Bob Woodside and Gene Walters each made 9 for Maupin; Jeff Ziegenhagen, Larry Hubbell and Dick Boggs made 6 each; Dennis Ross tallied 3 points; and Steve Albright 1.

Monroe played his second team most of the last quarter.

In a preliminary game, Culver's junior varsity team smothered the Maupin J.V.s, 38-16. All 10 on the Culver squad played, and scored.

Ski Honors Are Captured By Skjersaa

Terry Skjersaa, wearing Skyliner colors, placed first in combined events, men's expert division, of the Schwaeger Cup qualifying races this past weekend.

The races were held at White Pass, Wash., in the Cascades west of Yakima. Snow flurries beat over the high summit as the races were held. Outstanding times were turned in.

The Bend youth was a member of a group of 15 Skyliners who took part in the races for the Northwest junior championships. There will be four such qualifying races during the season, and from those making the best showing will be named juniors who will participate in the national ski championship races.

Juniors competing at White Pass against top skiers from the region were Terry Skjersaa, Terry Foley, men's expert; Rachel Goodrich, Jean and Joan Saubert, women's expert; Andy Cleveland and John Cutter, men's intermediate; Eva Marcoulier, Susan Cutter and Gladys Skjersaa, girls' intermediate; Don Johnston, George Cleveland and Ted Wegner, men's novice, and Robyn Chapman and Sylvia Goodrich, women's novice.

In winning first in the combined events, Skjersaa placed third in the downhill and first in the slalom.

Close behind Skjersaa in high honors was Jean Saubert, who placed second in the combined women's expert division.

Skyliners skiers returned to Bend with a large group of trophies.

WHAT A LIFE

SWITCH TO BIKES
CHESTER, England (UP) — British automobile racing drivers, unable to hold the annual 150-mile Chester Motor Trial Sunday because of gasoline rationing, switched to a 7 1/2 mile bicycle race and Brus White—who usually drives an Aston-Martin car—won.

Cage Races 'Wide Open'

By UNITED PRESS

The Northwest and Oregon Collegiate Conference basketball races were wide open today with only one game separating the first and last place teams in the OCC and five of the six teams in the Northwest loop playing .500 or better basketball.

Linfield was all alone at the top of the Northwest loop after waxing Lewis and Clark 102-88 Saturday night as Bill Machamer hit 36 points. Pacific downed Willamette 84-68 as Jerry Kalapus scored 31 points.

Linfield has a 3-1 conference record while Pacific and Lewis and Clark are at 3-3 and College of Idaho and Willamette at 2-2. Whitman holds down last place with a 1-3 mark.

In the OCC, Oregon Tech has a 3-2 record to hold the percentage lead. The Owls were idle Saturday while Portland State dropped a 57-55 decision to Southern Oregon and Oregon College made it two straight with a 50-49 victory over Eastern Oregon.

Southern Oregon has a 4-3 mark for second place. EOCe is at 3-3, and Portland State and Oregon College at 2-3.

AWARD DUE
PHILADELPHIA (UP) — Lou Little, who retired last year as Columbia University's head football coach, will receive the 1956 Brill Sholten National Sports Award tonight for his contributions to the sport and "devoted service to American youth."

Mantle, Maglie Are Honored

NEW YORK (UP) — The Sports Broadcasters Assn. voted plaques of merit today to baseball stars Mickey Mantle of the New York Yankees and Sal Maglie of the Brooklyn Dodgers.

Mantle and Maglie will be honored at the 10th annual awards dinner of the sportscasters Jan. 31. The dinner also will feature presentation of the Graham McNamee Memorial Award to veteran sportscaster Ted Husing. In addition, three other plaques of merit and the first annual Ted Husing award will be given to sports figures to be announced later.
