## Outclassed Nitehawks Drop 51 to 40 Game to SOCEJVs

By **BILL BEBOUT**  
Bulletin Staff Writer

A completely outclassed Central Oregon College Nitehawk basketball team was trounced by the Southern Oregon College of Education Jayvees, 51-40 in the second of a two game series played Saturday night in the Bend senior high school gym.

A group of only 45 persons were in attendance at the game and team spirits were down due to the lack of enthusiasm of local basketball fans. This was the third game played by COC in the local gym. A holdover crowd of nearly 500 from the Bend-Madras game watched the college contest on Friday night.

Dave D'Olivo, SOCE center, was high point man for the game with 25 points. Darrell Woolhizer, COC substitute forward from Redmond, topped the scoring column for the local team with 11 points.

COC was hot on defense throughout the game with Dee Lee and Chuck Christianson stealing the ball from the invaders. The local college team was able to work the ball in under the basket but poor accuracy and failure to control the backboards prevented them from a lead over the fast-breaking Jayvees.

Bob Bonnell, transfer to COC from Boise Junior college, fouled out in the first minutes of the second half. The Nitehawks had placed great hopes in Bonnell's past scoring record but his accuracy was not up to par for this series.

Millard Marsh, a former student body president of Central Oregon College and now attending Southern Oregon, scored only 4 points in the game on Saturday night. On Friday he was one of SOCE's high point players with 12 points.

The Hawks inability to connect on the good shots and D'Olivo's accurate shooting ability on a variety of shooting techniques as well as his speed on the backboards was too much for the Nitehawks.

The Nitehawks will meet the Portland State College frosh in the local high school gym on Friday and Saturday nights at 8 p.m. College officials are urging the local fans to attend the games.

A total of 16 fouls were called against the winners and COC was whistled down 18 times. SOCE made 11 out of 25 foul shot attempts for 44 per cent and COC shot a commendable 74 per cent making 20 out of 27 attempts. COC was down percentage wise from the floor with a low .285.

**COC, 40**  
F. Bonnell, 5  
F. Sexton, 4  
C. Hodge, 0  
G. Christianson, 2  
G. Lenaburg, 2  
Substitutions for COC: State, Lee 5, Woolhizer 11, Kelly 2, Dunn 9, Maddox. For SOCE: Leften, Tuttle, Baker, Marsh 4, Scarcey.

Halftime: COC 21, SOCE 25.

**Bowlers Grab Civic Honors**

Special to The Bulletin

**REDDMOND** — Men bowling for Smith Insurance in the Civic league last week had everything their own way. Bill Martin turned in a 604 series and 243 game. The team's 2736 series and 936 game were high for the evening, as they won four points from Hogan's.

Thriftwise took three from Hudspeth. Ford Cleaners won three from Main Street Garage, and Crater Lake and Don's Signal divided two and two.

Smith and Crater lead with eight a piece. Don's, Thriftwise and Ford's each have six, Main Street and Hudspeth have five a piece and Hogan's has four.

## Old Ed Furgol Takes Caliente Golf Tournament

**AGUA CALIENTE, Mex. (UP)**—Old Ed Furgol, a 12-1 shot in the betting, came tearing down the home stretch to win the \$15,000 Caliente Open golf derby by a nose from the fast-closing Al Besselink Sunday.

In a dramatic wind-up to one of the gamblings' PGA tournaments on record, the former National Open champion, now playing out of St. Andrews, Ill., tipped Besselink on the second hole of a play-off to decide the champion.

The two men had ended the tournament in a deadlock for first place, each with an eight-under-par score of 280. Then they opened their private duel in the darkness, cold and rain — with Furgol capturing the \$2000 first prize when he got a par on the 450-yard hole as Besselink bogied.

For Furgol, it was his third victory in the last nine months in a major tournament and again added proof to the fact that this man with the withered arm is one of the finest golfers of the era.

He had entered the tournament as a lukewarm choice compared with 8-1 for defending champion Mike Souchak, who ended up in a tie for third place with Gene Littler. Stan Leonard of Vancouver and Besselink had entered the tourney at 30-1.

But with those kinds of odds, Besselink can play like Ben Hogan. And he did.

Trailing Paul Harney of Bolton, Mass., by one stroke going into the final round, Besselink went out in 36, came back like a champion.

But Furgol was a champion all the way through and there wasn't any way to deny his steady playing. He shot rounds of 72-67-70-71 and then finished off the two extra holes in even par.

The best long shot of the tourney, Zell Eaton of Pomona, Calif., at 60-1, came home in fifth place with a 283 and collected \$900.

Meanwhile, young Paul Harney of Bolton, Mass., the third-round leader, had trouble on the final round, took a husky 75 and ended up with 284 — which tied him with Jay Hebert; Dow Finsterwald, who had sold for top price of \$4,250 in the Calcutta pool, and Jackie Burke. They each collected \$725.

## Oregon Population Jumps 14 Per Cent Since 1950

**PORTLAND (UP)** — Oregon's population since 1950 has increased 14 per cent, according to figures released today by the State Board of Health. The rate of increase represents a substantial deceleration from the 1940s when the state's population increased by half-a-million persons.

The estimate of population in the state set the figure at 1,734,650 as of July 1, 1956. The health board set the natural increase at 147,996 persons and a gain through migration of 65,394. A total gain of 213,390 since 1950 was seen.

Curry county topped the rate of increase, more than doubling its population in the six years since 1950. The board set the present population of the county at 12,270 or 102 per cent above 1950.

**Wasco County Increases**  
Wasco county, site of The Dalles dam and the proposed Harvey Aluminum Company plant, was second in rate of increase, showing a gain of 54.9 per cent and a population of 24,090.

The metropolitan Portland area reflected the trend to suburban living with Washington, Clackamas and Multnomah counties, on the side of Portland, showing large gains.

Clackamas county was up 1 per cent with a population of 103,190; Washington county up 32.9 per cent with a population of 81,450 and Multnomah county outside Portland up 22.3 per cent and a population of 119,720.

**Seven Lose Residents**  
Portland's population increased only 9.6 per cent during the six years and was set at 409,420.

The only counties in the state not showing gains in population were Columbia, down 7 per cent; Deschutes, down 3.3 per cent; Klamath, down 7 per cent; Morrow, down 9 per cent; Polk, down 9.3 per cent; Wheeler, down 15.5 per cent, and Yamhill, down 8.7 per cent.

Sherman county, while registering an increase of 8.5 per cent remained as the state's least populated county with a population in 1956 of 2,460.

Other counties showing large gains during the period included: Coos, up 33.6; Douglas, up 37.7; Jackson, up 21.1; Jefferson, up 31.3; Lane, up 20.1; and Josephine up 20 per cent. Linn was up 6.9 per cent Union county was up .9, Clatsop .8.

Rhode Island was the first to declare its independence from England — exactly two full months before the other colonies — yet was the last of the 13 original colonies to ratify the Constitution.

## Portland Edges Seattle Pacific

**PORTLAND (UP)**—The University of Portland scored a narrow 69-56 basketball win over Seattle Pacific here last night but not before the underrated Falcons had made a battle out of it down to the wire.

Portland led most of the way but three times Seattle Pacific managed to grab a one-point lead. The last Falcon advantage came early in the second half but the Pilots were never out of danger.

Loren Anderson led Seattle Pacific with 14 points. Gene Kutsch with 12 was high for Portland.

Portland held a 28-27 halftime margin and got its widest spread of the game early in the second half at 48-41.

## Rookie Signs With Yankees

By **UNITED PRESS**

Second baseman Bobby Richardson, the rookie most likely to make the grade with the Yankees this year, signed his 1957 contract today and possibly set into motion a drastic turnover in the world champions' infield.

The pint-sized, 21-year-old Richardson, the best double play maker in the business, according to Casey Stengel, will report to the Yankees from Denver of the American Association where he batted .328 last season.

Stengel has indicated Richardson easily could win the Yankees' regular second base job, in which case peppercorn Billy Martin undoubtedly would be moved to third base on a regular basis.

Richardson, a resident of Sumter, S.C., has had two brief trials with the Yankees before. He is the ninth Yankee player to sign his contract.

The Giants increased their total of satisfied players to 11 with the signing of pitchers Alan Worthington and Gordon Jones. Worthington had a 7-14 slate with the Giants last year while Jones, a former Cardinal who reports to New York as part of the Red Schoendienst-Alvin Dark deal, won 13 games and lost eight with Omaha of the American Association.

## Greek Cypriots Call for Strike

**NICOSIA, Cyprus (UP)**—Greek Cypriots declared a general strike throughout Cyprus today and firemen battled to check four huge fires which swept through Greek-owned shops in downtown Nicosia.

Police said the fires were set by Turkish youths to avenge the death of a Turkish policeman by a bomb tossed by a Greek Cypriot extremist.

The general strike was called less than 24 hours after rioting Greeks and Turks clashed throughout the old walled city of Nicosia in the worst inter-communal strife since last May.

Firemen said most of the fires would just have to burn themselves out. Cyprus was already plagued by a water shortage; Nicosia, the capital, has no fire hydrants.

Authorities said more than 20 blazes were reported Sunday night. However, most of the shops which were damaged or destroyed were small ones, and damaged totaled only about \$168,000.

Police removed \$140,000 worth of tobacco left just before fire spread to a storage warehouse which formerly served as a garage.

## Tax Collector Issues Report

A total of \$1,542,650.40 was turned over by the Deschutes county tax collection office to the county treasurer's office from July 1, 1956 to Dec. 31, 1956.

This was revealed today in the regular semi-annual report of Mrs. Edna Posvar, deputy tax collector, to Helen Dacey, Deschutes county clerk.

Mrs. Posvar explained that tax turnover reports are made each year at the beginning of the calendar year and at the start of the fiscal year, July 1.

The total includes all sums collected by the sheriff's office since July 1, and includes money from past years as well as the current tax year.

In addition to the turnover, un-segregated cash amounting to \$3,019.32 is still in the hands of the deputy tax collector. This brings tax collections for the period to \$1,545,669.72.

Turnovers were made each month from August through December. Amounts turned were: August, \$92,131.44; September, \$1,715.32; October, \$95,618.95; November, \$943,516.97; December, \$409,667.72.

## BOTH IN THE SEAS

The sea contains the smallest and the largest living organisms, from submicroscopic swimming to the 300,000-pound great blue whale, according to the Encyclopedia Britannica.
