35 answer Bend football call

Last spring 63 Bend High students signed up for varsity football, limited to junior and seniors. This week, a total of 35 juniors and seniors have answered Coach Tom Winbigler's call. But Winbigler can take heart in the fact that 11 of the 35 are lettermen, and most of the rest have seen a lot of experience with the junior varsity. Winbigler and his staff have scheduled morning and afternoon "daily double" drills for the first two weeks, with the emphasis on conditioning, breakdown drills, running and pass patterns, pass receiving and wind sprints. Sophomores on Jayvee Squad Sophomores will turn out for the junior varsity squad around September 1, with Coach Jack Lutz expected to make an announcement soon. Lutz will be assisted by Bob Haines, a University of Oregon grad who recently coached at Sherman High in Moro, Ore.

Haines will be Jayvee line coach. "Everyone is learning both sides right now, but we'll have them in positions soon," Winbigler said. "Our current squad includes three transfers, and Wednesday is the last day for any new boys to show up. "Our squad will be set by Thursday morning."

Managers for the squad will be Pat Wonsler, head manager, assisted by Art Nixon.

Bobo Olson scores TKO

FRESNO, Calif. (UPI) — Carl (Bobo) Olson scored a fifth round technical knockout over George Kartalian, of Syracuse, N. Y., Tuesday night in a one-sided light heavyweight bout.

Olson, a former middleweight champion, displayed some of his form while confining his attack to the mid-section. He scored at will toward the end and won every round on all cards.

Referee Frank Manfredi halted the bout after Kartalian went down for a nine-count, the only knockdown of the fight.

49ers release

high draft picks

SAN FRANCISCO (UPI) — The San Francisco Forty Niners trimmed their National Football League team to 47 players Tuesday by placing two high draft choices on waivers.

They were halfback Leon Burton of Arizona State, eighth choice as a redshirt two years ago; and tackle-linebacker Don Rogers of South Carolina, seventh round pick this year.

Burton averaged 9.6 yards per carry in 1957 and was highly regarded, but his weight of 165 pounds handicapped him in the pro ranks.

Bevos break losing streak with 10-4 win

By United Press International The Portland Beavers defeated Vancouver, 10-4, Tuesday night to provide Salt Lake City with a little leeway in the Pacific Coast League pennant scramble.

The loss dropped Vancouver 1 1/2 games behind the first-place Bees, who shaded Phoenix, 3-2.

George Freese and Len Neal both hit home runs for Portland. Freese's coming in the third inning with two aboard. Dave Melton drove in three runs for the winners.

Marty Kutyna went the route for the Beavers to register his 13th win against eight setbacks. The loss went to Mountie starter George Bamberger, leaving him with a 6-9 mark.

In other games, Spokane won its fifth straight by edging Seattle, 2-1, and San Diego pushed Sacramento further out of the running with a 7-2 verdict over the slumping Solons.

Art Fowler picked up his second victory for Spokane since being sent down by the Los Angeles Dodgers. He stopped the Rainiers on seven hits.

Loser Claude Osteen gave up only six safeties, but lost it when Al Norris scored from first in the fifth inning on outfielder Carroll Hardy's bobble off Norm Sherry's single.

It was the fifth straight defeat for Seattle, the club which had emerged from the cellar a week ago to climb into the first division and pennant contention.

In the Salt Lake-Phoenix tilt, Hugh Pepper scattered five hits to give the Bees their fourth straight win. Loser Don Choate limited the winners to four safeties, but three of them were doubles.

The loss gave Phoenix the distinction of having lost 10 of its last 19 starts. The victory was Salt Lake's 17th in the last 23 games.

Joe Francis may play whole game

PORTLAND (UPI) — Coach Vince Lombardi of the Green Bay Packers indicated today that Joe Francis may remain at quarterback for the entire game with the Philadelphia Eagles Saturday night in Multnomah Stadium.

"This will be Joe's game as he shows us the stuff," Lombardi said.

Francis, former Oregon State star, will be up against the Eagles' Norm Van Brocklin, who played his college football at Oregon.

Black Sox win again

WICHITA, Kan. (UPI) — The Drain Black Sox have found the winning trail in the National Non-Pro baseball tournament here.

Drain won its third straight game Tuesday night by blanking the Branson, Mo., Show-Me's 6-0 behind the five-hit pitching of lefty Elwood Hahn.

Drain, which lost its first game of the tournament it won last year, plays Thursday afternoon against the winner of today's Wichita-Houston game.

Kim Bradshaw, Oregon State outfielder, led the Drain attack with a triple and a single to drive in three runs.

Injuries, lack of practice hit U.S. before Pan Am games

CHICAGO (UPI) — The United States was hurting in more ways than one today, on the eve of the opening of the third Pan American games.

They were hurting prestige-wise and also athletic-wise, the latter being the reason these games were inaugurated back in 1951.

In the prestige league, the U.S. way of doing things wasn't exactly what the doctor ordered so far as most of the other 23 North and South American nations competing in the games were concerned. The grumblings, which first started when the vanguard of almost 1,700 athletes from the competing countries outside the United States arrived last week, were increasing.

Meanwhile, the U. S. chances of spread-eagling the field athletically were decreasing. Injuries and late arrivals figured to keep the U. S. team from full strength.

In the decathlon, in which the U. S. was counting on sweeping the gold, silver and bronze medals, it looked like Mike Herman of New York University would be lost to the host forces. He suffered an ankle injury in practice and the U. S. team trainers said there was little chance he would be able to compete.

In the pole vault, Don Bragg of Villanova had an infected heel and there was doubt whether he would be in the best of condition when the athletic competition of these games opens on Friday—a day after the formal official opening ceremonies.

U.S. Members Absent Added to that was the fact that at least 20 of the 494 members of the U.S. team still were absent and were not scheduled to appear until Friday because of summer school examinations or other commitments. So lacking the practice usually mapped out for the athletes, there was a question of whether they would be in top shape.

Despite it all, however, the U.S. still was heavily favored to win the unofficial team title of the games, expected to serve as a prelude to the U.S. chances in the 1960 Olympics at Rome.

In the grumbling department, the U.S. itself was involved. It seems that officials of the U.S. forgot to notify all of the U.S. delegation that the official flag raising ceremony for the U.S.

quarters at the housing village on the University of Chicago campus was scheduled to be held Tuesday afternoon. Several of the U.S. executives showed up, were left standing in the hot sun until it was decided to re-schedule the flag raising ceremony for 11 a.m. today so all U.S. officials could be present.
