Three Tumalo boys named tops in livestock judging

4-H judging contests Thursday at the Deschutes county fair ran the gamut from beef animals, horses and dairy cattle, to crops, flowers and garden vegetables.

Three Tumalo boys won the top spots in livestock judging. Michael Lowe placed first, John Moison second and Jimmy Lowe third, in a field of 17.

Bridal shower honors newlywed

Mrs. Montie Tunnell, the former Pat Smith, was honored at a bridal shower Monday evening at the home of Miss Joyce Rohrbach. Miss Maureen Burton was co-hostess.

The newlyweds were members of the 1959 Bend High School graduating class. They were married recently in Klamath Falls, and are making their home in Bend.

Friends at the party were classmates of the former Miss Smith. Present in addition to the bride and the hostesses were Misses Bonnie Crocker, Rita Glenn, Sandra Thompson, Christine Carlson, Pat Hollenbeck, Judy Haines, Shirley Grant and Janet Shumway.

Action filed against Dentons
Raymond B. Rodgers, administrator of the estate of Otis Eason, deceased, filed suit in circuit court recently against Ralph Denton and Dorothea Denton, charging them with responsibility for Eason's death.

The plaintiff seeks a judgment for \$20,000, plus \$250 for Eason's demolished pickup truck, and costs of the litigation.

Mr. Eason was killed Dec. 2, 1958, when his pickup and a car driven by Mrs. Denton collided at the intersection of Northwest and Purbell market roads.

Reminder issued to students

With the reopening of school only days away, Bend Police Chief John T. Truett reminded students depending upon bicycles for transportation of the responsibilities they assume upon riding in traffic.

"Bike riders—obey all traffic signals and signal stops and turns, as do the operators of motor vehicles. They should ride in single file on the right-hand side of the street at all times, and not against traffic," Chief Truett said.

He also reminded automobile drivers that young cyclists will be joining the early morning traffic flow and urged them to show riders the proper traffic courtesies.

"Drivers should be alert for bike riders during the pre-school hours in the morning," he said, "and at all times when in the vicinity of schools." And motor vehicle operators should observe school zone signs at all times, as is required by law, for the safety of the students.

Chief Truett said that all bike riders should have their two-wheelers checked by a competent mechanic at the start of the school term each fall to insure that lights, brakes and signalling devices are working properly and safely.

The Chief also reminded drivers that a state law prohibits any vehicle from passing a halted school bus while loading and unloading children.

SULLIVANS VISIT SULLIVANS
LISBON, Portugal (UPI) — Five young Sullivan brothers were guests Wednesday aboard the U. S. destroyer "Sullivans," named for the five brothers killed in naval action in 1942. The young Sullivans are sons of Col. Charles P. Sullivan, of Eureka, Ill., U.S. air attaché in Lisbon. They are not related to the "fighting Sullivans" of World War II fame.

Take your problems to Church this week

millions leave them there!

A Different Kind of "Ism"

When one stands before such historical memorials as the Arch at Valley Forge, it is well to reflect with a deep sense of gratitude that at such places men suffered, died and strove mightily to found and perpetuate a different sort of "ism" than those we see springing up in various parts of the world today—socialism, communism, fascism, to mention a few. Men of Washington's Army went through the terrible winter at Valley Forge for AMERICANISM. Unlike other "isms" Americanism meant, among other blessings, freedom of religion, that people could worship how and where they pleased.

Do you take advantage of the sacred privilege bought by heroic sacrifices at Valley Forge and hundreds of other hallowed spots? Do you profit by this blessing of Americanism? If not, best select a church to your liking and start benefiting from its inspiration and counsel.

This series of advertisements is published each week in The Bend Bulletin in the interest of all churches of the Central Oregon area, and is made possible by the following interested individuals and business establishments.
